book *The Supernatural Realm* **The Realm of the Spirit** Apostle Frequency Revelator, 2017-07-10 This publication addresses a myriad of questions pertaining to the dynamics of the spirit world and the realities of the Heavenly realm. It expounds more on operating in the heavenly places so that we could understand the realm and the depth that God has for us. It brings to your consciousness the divine reality that God's original Master plan was for man to live in the supernatural realm. It explores the deeper realms of the spirit realm which Paul described in prophetic language as something inexpressible for man to tell. The purpose of this book is to share some experiences from the spirit realm that could provoke an insatiable appetite, perennial hunger and unquenchable thirst for the supernatural. It brings you to a point whereby you are more open and knowledgeable about the things of Heaven. The reading of this book will culminate in the following divine realities in your life. It will launch you into the greater depths of the spirit realm whereby it's naturally supernatural to live in the Throne Room as if it's your living room, walk with angels as if they are your friends and explore the beauty of the heavenly realm. It will catapult you to the highest realms of the supernatural whereby you will experience the reality of heaven and the spirit world. It will awaken your consciousness to the reality of the Heavenly realm and cause you to tread in the deepest territories of the glory realm. It will usher you right into the very manifest presence of God and tap into the unimaginable glory of God in the third dimension. Presiding over a global network of apostolic and prophetic visions in the capacity of the President of Christ Resurrection Movement CRM, the Director of Global School of Resurrection GSR, Senior Pastor of Resurrection Embassy RE, the founder of Resurrection TV, The Dead Raising Channel and the pioneer of the renowned Global School of Signs and Wonders GSSW, Apostle Frequency Revelator unpacks a plethora of rare but provocative revelations on deeper and unexplored territories of the Spirit Realm into which God is launching believers. On that note, welcome to the world whereby it's naturally supernatural to live, function and operate in the realm of the spirit.

Experiencing God in the Supernatural Jonathan C. Ferguson, 2010-08 A study on the supernatural is very broad; therefore, it is my goal to help individuals understand the supernatural from a scriptural perspective by defining the prophetic. In doing so, the reader will embrace the vast biblical extent of man's interactions with God, explore various dimensions of the Spirit realm and learn what it means to live under and open heaven. In fact, this book will cover over 21 ways in which God may choose to interact or communicate with us as believers and much more. This is a book of both information and impartation. The pages of this book will literally come alive as there have already been testimonies of various God encounters from those who have previously reviewed the writings contained. You will not only read this book but you will experience what you read and the things you learn will stir up the gifts that are on the inside of you. Get ready to take the limits off of your life. Get ready to be accelerated in the prophetic because God is about to blow your natural mind with a supernatural revelation. I reiterate that this is not merely a book. This is an impartation. *Supernatural Transportation* Michael Van Vlymen, 2016-06-05 If the book *Translation by Faith* is the how to of moving in the spiritual realms, then this book would be

the why Supernatural Transportation is my personal testimony of the adventures God is taking me on as He teaches me about this reality of moving through space time and dimension for His purposes and His Kingdom It is my sincere prayer that as you read this book it inspires you to say Yes Lord I will do what you ask me to do and go where you tell me to go I pray that you believe that God is still the God of the Bible and does the same things He has always done and that you will let Him prove it to you He will not disappoint you I do my best to share every part of the journey so that there are no missing pieces It is my desire to see that all those who are willing learn how to see and go into the spirit and walk in the will and the power of God We ALL have an important role in God s plan Embrace who you are and begin to live from that HEAVENLY place

destiny decodes destiny codes and jettisons one into unknown arenas of their manifested destiny Revelation breeds supernatural acceleration of things in the spirit realm Faith is the second key to unlocking the supernatural realm Faith is the currency of Heaven and functions as an antenna whose frequency is being tuned to the spiritual waves that come directly from the Throne room of Heaven The Lord Jesus gave us faith as the recipe for effecting a change in any situation In other words to change any seemingly hopeless situation what you need do is to declare faith filled words talk to the mountain Authority and power are also powerful twin processes for unlocking the supernatural realm This is applicable in divergent areas of ministry business health power and prosperity especially with regard to talking authority over money It is disheartening to note that a multitude of believers continue to enjoy the limited outer court of God s blessings because they have not fully comprehended the dynamics of authority in the realm of the spirit Dominion is another key for unlocking the supernatural realm As much as you have dominion over the natural environment the birds of the air the fish and vegetation you also have the dominion and the boldness to exercise authority over money and release millions in wealth in your life In the same way as you cut down a tree and use it for firewood or furniture you can also call money to come and use it for purposes of the Kingdom Dominion means talking as God talks acting as God acts and thinking as God thinks seeing as God sees and operating exactly as God operates Prophetic intercession is one of the integral keys to unlocking the supernatural realm Prophetic prayer is usually described as the act of commanding God s prophetic vision to be fulfilled in the earth with the result that God s will is accomplished Prophetic prayer is aimed at individuals so they will fulfil their prophetic purpose their service in God s plan and at the world in general so that God s desires is accomplished on earth Visualization is another important key for unlocking the supernatural realm Visualizing has been operating in your life whether you knew it or not Inside each one of us is an image of your person is an image of your circumstances and is an image that is in that spirit realm where the soul contacts the spirit Before you have prosperity in your life you have to have an image built from the word of God into your soul So that when you see yourself as God sees physically it begins to take place Standing in the presence of God is one such powerful key for unlocking the supernatural realm The presence of God is not something we can take lightly The presence of God is something that we have to take with reverence It is awesome sacred and holy It is the presence of God that catapults us to higher realms of power
