The Bollywood Reader Dudrah, Rajinder, Desai, Jigna, 2008-10-01 Provides a road map of the scholarship on modern Hindi cinema in India with an emphasis on understanding the interplay between cinema and colonialism nationalism and globalization This book attends to issues of capitalism nationalism orientalism and modernity through understandings of race gender and sexuality religion and politics

TV Critics and Popular Culture Paul Rixon, 2011-11-30 Ever since the first scheduled television broadcasts began in the 1930s newspapers and magazines took quickly to reviewing this revolutionary new medium The task of television criticism in the public domain initially fell to radio critics and journalists but the 1950s saw the rise of the dedicated TV critic These critics including Peter Black Philip Porsor and Clive James played an important part in shaping the public discourse about television This new book explores the evolution of television criticism in Britain exploring different types of TV critics and reviewers the form of their work and evaluates their importance in our understanding of the way television has become such an integral part of modern culture It also asks whether with the birth of new technologies is the TV critic a dying breed This is an important contribution to the fields of Journalism and Television Studies Cultural Studies and contemporary History

The Oxford History of the Irish Book, Volume V Clare Hutton, Patrick Walsh, 2011-06-23 Part of a series providing an authoritative history of the book in Ireland this volume comprehensively outlines the history of 20th century Irish book culture This book embraces all the written and printed traditions and heritages of Ireland and places them in the global context of a worldwide interest in book histories

Reading Beyond the Book Danielle Fuller, DeNel Rehberg Sedo, 2013 This volume offers the first critical analysis of mass reading events and the contemporary meanings of reading in the UK USA and Canada based on original interviews and surveys with readers and event organisers The authors interrogate the enduring attraction of an old technology for readers community organizers and government agencies exploring the social practices inspired by the sharing of books in public spaces and revealing the complex ideological investments made by readers cultural workers institutions and the mass media in the meanings of reading

Fatherhood, Authority, and British Reading Culture, 1831-1907 Melissa Shields Jenkins, 2016-04-15 During a period when the idea of fatherhood was in flux and individual fathers sought to regain a cohesive collective identity debates related to a father's authority were negotiated and resolved through competing documents Melissa Shields Jenkins analyzes the evolution of patriarchal authority in nineteenth century culture drawing from extra literary and non narrative source material as well as from novels Arguing that Victorian novelists reinvent patriarchy by recourse to conduct books biography religious manuals political speeches and professional writing in the fields of history and science Jenkins offers interdisciplinary case studies of Elizabeth Gaskell George Meredith

William Makepeace Thackeray George Eliot Samuel Butler and Thomas Hardy Jenkins's book contributes to our understanding of the part played by fathers in the Victorian cultural imagination and sheds new light on the structures underlying the Victorian novel Handbook of Research on Consumption, Media, and Popular Culture in the Global Age Ozgen, Ozlen, 2019-05-15 The mass production and diversification of media have accelerated the development of popular culture This has started a new trend in consumerism of desiring new consumption objects and devaluing those consumption objects once acquired thus creating a constant demand for new items Pop culture now canalizes consumerism both with advertising and the marketing of consumerist lifestyles which are disseminated in the mass media The Handbook of Research on Consumption Media and Popular Culture in the Global Age discusses interdisciplinary perspectives on media influence and consumer impacts in a globalizing world due to modern communication technology Featuring research on topics such as consumer culture communication ethics and social media this book is ideally designed for managers marketers researchers academicians and students **Stewart's newspaper reading book, extr. from the newspapers of the present time, selected, annotated by W.S. Ross** William Stewart Ross, 1879 Dick Tracy and American Culture Garyn G. Roberts, 2003-09-11 In October 1931 Dick Tracy made his debut on the pages of the Detroit Mirror Since then America's most famous crime fighter has tangled with a variety of protagonists from locations as diverse as the inner city and outer space all the time maintaining the moral high ground while reflecting American popular culture Through extensive research and interviews with Chester Gould the creator of Dick Tracy his assistants Dick Locher the current artist Max Allan Collins who scripted the stories for more than 15 years and many others associated with the strip Dick Tracy as a cultural icon emerges The strips use of both innovative and established police methods and the true to life portrayals of Tracy's family and fellow cops are detailed The artists behind the strip are fully revealed and Dick Tracy paraphernalia and the 1990 movie Dick Tracy are discussed Dick Tracy's appearances in other media books comics radio movie serials B movies television dramas and animated cartoons are fully covered *The Early Reader in Children's Literature and Culture* Jennifer Miskec, Annette Wannamaker, 2015-12-22 This is the first volume to consider the popular literary category of Early Readers books written and designed for children who are just beginning to read independently It argues that Early Readers deserve more scholarly attention and careful thought because they are for many younger readers their first opportunity to engage with a work of literature on their own to feel a sense of mastery over a text and to experience pleasure from the act of reading independently Using interdisciplinary approaches that draw upon and synthesize research being done in education child psychology sociology cultural studies and children's literature the volume visits Early Readers from a variety of angles as teaching tools as cultural artifacts that shape cultural and individual subjectivity as mass produced products sold to a niche market of parents educators and young children and as aesthetic objects works of literature and art with specific conventions Examining the reasons such books are so popular with young readers as well as the reasons that some adults challenge and

censor them the volume considers the ways Early Readers contribute to the construction of younger children as readers thinkers consumers and as gendered raced classed subjects It also addresses children s texts that have been translated and sold around the globe examining them as part of an increasingly transnational children s media culture that may add to or supplant regional ethnic and national children s literatures and cultures While this collection focuses mostly on books written in English and often aimed at children living in the US it is important to acknowledge that these Early Readers are a major US cultural export influencing the reading habits and development of children across the globe *Global Tabloid* Martin Conboy, Scott Eldridge II, 2021-04-18 This edited collection brings together a range of contemporary expertise to discuss the development and impact of tabloid news around the world In thirteen chapters *Global Tabloid* covers tabloid developments in Asia Africa the Americas Australia and both Eastern and Western Europe It presents innovative research from eighteen expert contributors and editors who explore tabloidization as a phenomenon and tabloids as a news form With an awareness of historical dynamics where tabloids played a role in national news media systems it brings the debates around tabloids as a cultural force up to date The book addresses important questions about the contemporary nature of popular culture the challenges it faces in the digital era and its impact on a political world dominated by tabloid values Going beyond national borders to consider global developments the editors and contributors explore how the tabloids have permeated media culture more generally and how they are adapting to an increasingly digitalized media sphere This internationally focused critical study is a valuable resource for students and researchers in journalism media and cultural studies Nelson Chesman & Co.'s Newspaper Rate Book ,1912 *Women Readers in French Painting 1870-1890* Kathryn Brown, 2017-07-05 The first monograph to examine the depiction of reading women in French art of the early Third Republic *Women Readers in French Painting 1870-1890* evaluates the pictorial significance of this imagery its critical reception and its impact on notions of femininity and social relations Covering a broad range of paintings prints and sculptures this book shows how the *liseuse* was subjected to unprecedented levels of pictorial innovation by artists with widely differing aesthetic aims and styles Depictions of readers are interpreted as contributions to changing notions of public and private life female agency and women s participation in cultural and political debates beyond the domestic household This highly original book explores images of women readers from a range of social classes in both urban and rural settings Such images are shown to have articulated concerns about the impact of female literacy on labour environments and family life while in many cases challenging conventions of gendered reading Kathryn Brown also presents an alternative way of conceiving of modernity in relation to nineteenth century art a methodological departure from much recent art historical literature Artists discussed range from Manet Cassatt and Degas to less familiar figures such as Lavieille Carri Toulmouche and Tissot **Women Readers in French Painting 1870-1890** Kathryn J. Brown, 2012 The first monograph to examine the depiction of reading women in French art of the early Third Republic *Women Readers in French Painting 1870-1890* evaluates the pictorial significance of

this imagery its critical reception and its impact on nineteenth century notions of femininity and social relations Artists discussed in the volume range from Manet Cassatt and Degas to less familiar figures such as Lavieille Carri re Toulmouche and Tissot

Reading the Popular John Fiske,2017-12-04 This revised edition of a now classic text includes a new introduction by Henry Jenkins explaining Why Fiske Still Matters for today s students followed by a discussion between former Fiske students Kevin Glynn Jonathan Gray and Pamela Wilson on the theme of Reading Fiske and Understanding the Popular Both underline the continuing relevance of this foundational text in the study of popular culture Beneath the surface of the cultural artifacts that surround us shopping malls popular music the various forms of television lies a multitude of meanings and ways of using them not all of them those intended by their designers In Reading the Popular John Fiske analyzes these popular texts to reveal both their explicit and implicit and often opposite meanings and uses and the social and political dynamics they reflect Fiske s readings of these cultural phenomena highlight the conflicting responses they evoke Madonna may be promoted as a boy toy but young girls feel empowered by her ability to toy with boys Chicago s Sears Tower may be a massive expression of capitalist domination but it can also allow one to tower over the city In each case it is the latter option that interests him for this is where Fiske locates popular culture it is the point at which people take the goods offered them by industrial capitalism however oppressive they may seem and turn them to their own creative and even subversive uses Designed as a companion to Understanding Popular Culture Reading the Popular gives the lie to theories that portray a mass audience that mindlessly consumes every product it is offered Fiske s acute perception and lively wit combine to provide a truly democratic vision of popular culture one that respects the awareness and the agency of the people who make it

The China Clipper, Pan American Airways and Popular Culture Larry Weirather,2006-11-13 The Pan American clipper ships of the 1930s and 1940s were technological marvels of their time The years before World War II found the United States faced with international challenges of an economic as well as a military nature Aided by government regulations and contracts the Pan Am clippers were for a time the only international craft to carry the U S flag Commercially they rivaled the comfort and popularity of passenger trains and luxurious cruise ships Militarily they were unmatched by anything the Germans Russians Italians or French could produce The only long range aircraft capable of carrying transoceanic payloads clippers became instantly valuable with the onset of the war Marketed as the ultimate in commercial or military airfare these flying boats became as much an American icon as the Pan Am logo itself From the movie screen to the bookshelf this volume examines the multitude of ways in which the values inherent in Pan American Airways clipper ships played out in popular culture The book discusses the strategies Pan Am used to represent the clipper as a paragon of U S interests values and beliefs Mirroring the moods of the times the clipper became a consistent American icon being associated with the Statue of Liberty and the American eagle The main focus of the work is the variety of ways in which this iconographic status manifested itself through toys movies pulp fiction comic books and music Clipper influence is also

examined in other unlikely places such as the name of an available car color car models restaurant menus and lounge names An appendix explains different models of the clipper flying boats
