The Tall Book A Celebration Of Life From On High:

The Tall Book Arianne Cohen,2009-06-16 The Tall Book is a celebration of the tall advantaged which notes and explores the myriad benefits that come with living large from the simple pleasures of being able to see over crowds at a parade to the professional joys of earning more money and having others perceive you as a natural leader The Tall Book also offers well researched explanations into the great unanswered questions of tallness including Why are people tall to begin with How have tall people figured throughout history Why are CEOs so tall And how does tallness affect the dating game Filled with illustrative graphics charts and piles of tall miscellanea and factoids The Tall Book is a wonderful and much needed exploration of life from on high **Library Journal** ,2009 **People** ,2009-05 **The Publishers Weekly** ,1921 **The New York Times Index** ,2009 **The British National Bibliography** Arthur James Wells,2009 **Life in a Jewish Family: An Autobiography, 1891-1916 (The Collected Works of Edith Stein, vol. 1)** Edith Stein (Teresa Benedicta of the Cross),2017-11-24 This initial volume of the Collected Works of Edith Stein offers for the first time in English the unabridged biography of Edith Stein Teresa Benedicta of the Cross depicting her life as a child and young adult Her text ends abruptly because the Nazi SS arrested then deported her to the Auschwitz concentration camp in 1942 The ebook version contains a fully linked Index Map and List of Places Edith Stein is one of the most significant German Jewish women of the 20th century At the age of twenty five she became the first assistant to Edmund Husserl the founder of Phenomenology She was much in demand as a writer and lecturer after her conversion from atheism to Catholicism Later as a Discalced Carmelite nun she maintained her intellectual pursuits until she like so many others became a victim of the Nazi persecution that raged across Eastern Europe By making this landmark work available in English the Institute of Carmelite Studies provides an eye witness account of persons and activities on the scene at the time when psychology and philosophy became separate disciplines In addition to photographs and a map this volume is enhanced with a preface the foreword and afterword notes and a list of places associated with Edith Stein s life It is our aim that these together with Edith Stein s text may help bring into relief the many background details of the rich autobiographical work she has left us Chosen Best Spirituality Book of 1986 by the Catholic Press Association **The Life and Times of a Black Southern Doctor** Gwendolyn Hoff,2012-03-29 The Life and Times of a Black Southern Doctor or LATOBSD as it will be referred to from here on in this condensation is a saga of life in the panhandle of Florida from 1896 to 1956 and a bit beyond Doctor Alpha Omega Campbell was an actual practicing physician in and around Tallahassee between 1913 and 1956 In 1956 at the age of 67 A O Campbell was convicted of manslaughter in the death of a Jacksonville mother of two after allegedly performing a criminal abortion that eventually results in her dying On in years and eyeing semi retirement he is sent Floridas hardest prison for four of his remaining years LATOBSD begins 1 years into the doctors incarceration at the time of his dear wifes funeral Maggie Lou Campbell did not do well with her husband hundreds of miles away She has been watching their empire of

wealth and real estate crumble around her spurred on by numerous jealous conspirators who position themselves like sharks around a school of hapless fish It is from that point backward I transport the reader back in time before Maggie Lou was conceived by her multi racial mother with the help of one of Leon Countys most respected grocers and back when Alfrey A O Campbells family was beholding to a deep rooted plantation owner some called it slavery in the post emancipation south From this time forward I undertake the task of fictionalizing a seemingly unmeasurable share of people and events Most of this recounting of the doctors affairs is true to history used as a guidepost for the seventy some year story line There are many people amongst the ensemble that closely resemble many of those that truly did exist back when the delineation between black and white was beginning to show signs of gray Yet as close as the Campbells pushed that line towards equality a stronger force bludgeoned them back where they belonged As tempting as it was to make this biographical I could not Case in point the considerable liberty taken especially as it applies to the more famous characters I have inserted in this moderately loosely tied account of what really happened If you think historical fiction is tough staying true to events multiply that by two and you have a biography there will always be someone who says That isnt the way it happened So as we traipse our way into the wonderful world of fiction Consider this list of names and events In order of their appearance I The Spanish American War II 25th President William McKinley III The Galveston Hurricane 1900 IV 26th President Theodore Roosevelt V George Eastman sister Judith VI Suffragette Emmeline Pankhurst VII The San Francisco Earthquake 1906 VIII Playwright Sir James Barrie IX World War I X Mary Pickford Early Hollywood XI The Pacific Clipper Flying Boats PanAm XII Roswell New Mexico Area 51 Whoowah Nellie What does any of this have to do with a black Southern doctor you ask That is what makes history fun even if much of this stuff did not come down quite the way I write it I promise to dedicate the 20th chapter to the process of sorting the beef from the bull the inconsistencies you all will gladly point out while reading along as the decades peel away The bottom line is that LATOBSD is not just about the doctor
