The Song Of Songs A New Translation And Interpretation:

The Song of Songs Ariel Bloch, Chana Bloch, 1998-01-01 Quite simply the best version in the English language Its poetic voice intimate dignified and informed by meticulous scholarship carries us into the Eden of the original Hebrew text a world in which the sexual awakening of two unmarried lovers is celebrated with a sensuality and a richness of music that are thrilling beyond words Stephen Mitchell Ariel and Chana Bloch have succeeded in an extraordinarily difficult task This is the best and most enjoyable translation of the Song of Songs that I know Their notes too offer excellent insights to readers who know Hebrew and for that matter to those who do not Elaine Pagels This translation is lucid and direct and has a lyrical purity that is delightful It seems to me a model of how such work may be done W S Merwin 王德威 譯 王德威 譯 Marcia Falk, 1990 **The Song of Songs** Ariel A. Bloch, Chana Bloch, 1998-01-01 Next to Genesis no book in the Hebrew Bible has had a stronger influence on Western literature than the Song of Songs This attractive and exuberant edition helps to explain much of its power while leaving its mystery intact Alicia Ostriker The New York Review of Books Quite simply the best version in the English language Its poetic voice intimate dignified and informed by meticulous scholarship carries us into the Eden of the original Hebrew text a world in which the sexual awakening of two unmarried lovers is celebrated with a sensuality and a richness of music that are thrilling beyond words Stephen Mitchell *Song of Songs* J. Cheryl Exum, 2005-01-01 This original commentary foregrounds at every turn the poetic genius of the Song of Songs one of the most elusive texts of the Hebrew Bible J Cheryl Exum locates that genius in the way the Song not only tells but shows its readers that love is strong as death thereby immortalizing love as well as in the way the poet explores the nature of love by a mature sensitivity to how being in love is different for the woman and the man Many long standing conundrums in the interpretation of the book are offered persuasive solutions in Exum s verse by verse exegesis The Old Testament Library provides fresh and authoritative treatments of important aspects of Old Testament study through commentaries and general surveys The contributors are scholars of international standing *A Companion to the Song of Songs in the History of Spirituality* Timothy Robinson, 2021-07-05 As one of the most frequently commentated on biblical books during antiquity and the middle ages the Song of Songs has played a central role in the history of Christian spirituality At a time of heightened interest in the Song of Songs among biblical scholars historians and students of spirituality this Companion to the Song of Songs in the History of Spirituality provides a state of the art overview of its history challenges some conventional wisdom and presents innovative studies of some lesser known aspects of the Song s reception The essays in this volume including a chapter on Jewish interpretation present the diverse forms of spirituality inspired by the Song since the beginning of the Christian era Contributors Ann W Astell Mark S Burrows Emily Cain Catherine Cavadini Rabia Gregory Arthur Holder Jason Kalman Suzanne LaVere Hannah Matis Bernard McGinn Timothy H Robinson and Karl Shuve **Song of Songs** Adele Berlin, 2025-01-07 Berlin approaches the Song of Songs as a Jewish Hellenistic work of love poetry She notes Greek ideas

throughout the book and shows how they have been adjusted into Jewish thought and literary forms Going beyond previous studies this volume emphasizes that the Song's blending of the Jewish and the Greek is part of its literary virtuosity **The Song of Songs and the Eros of God** Edmée Kingsmill, 2009-11-26 Modern biblical scholarship interprets the Song as a collection of love lyrics For Edmée Kingsmill on the contrary the essence of the Song is mystical A principal concern of this study however is to uncover the relationship between the 117 verses of the Song and those biblical books to which they point Beneath the metaphors a network of allusions is being woven conveying a picture opposite to that we find in the prophets who confronted with the continual adultery of Israel poured forth their condemnations with unwearying passion In dramatic contrast the Song presents a paradisaical picture For lo the winter is past the rain is over and gone The flowers appear in the land and the time of singing is come Song 2 11 12 Thus in presenting the ideal the intention of the Song's author is shown to be encouragement The inclusion of this poem in the biblical canon is understood therefore to be central to the purpose of the biblical literature to bring all people to love the God of love The book is in two parts The first and longer part is concerned with themes including the relationship of the Song to the early Jewish mystical literature The second part is a short commentary intended for the reader interested in the text as much as in the related questions to which the text gives rise

Lamentations and the Song of Songs Harvey Gallagher Cox, Stephanie Paulsell, 2012-01-01 In Lamentations well known theologian Harvey Cox draws on a wide array of sources including poetry novels films paintings and photography to offer a contemporary theological reading of Lamentations which is provocative and sure to stir numerous theological reflections and responses The biblical book of Song of Songs has historically been seen as a book pointing to Christ's love for the church and has been interpreted in allegorical ways Author Stephanie Paulsell suggests that the Song can still have profound meaning for us teaching us to love not only what we can see shining on the surface but also those depths of the other which are out of our reach *Song of Songs* F. Scott Spencer, 2017-02-01 Arguably the biggest blockbuster love song ever composed the Song of Songs holds a unique place in Jewish and Christian canons as the holiest book in the minds of some readers and the sexiest in its language and imagery This commentary aims to interpret this vibrant Song in a contemporary feminist key informed by close linguistic literary and social cultural analysis Though finding much in the Song to celebrate for women and men in their embodied passionate lives this work also exposes tensions vulnerabilities and inequities between the sexes and among society at large just what we would expect of a perceptive poignant love ballad that still tops the charts The Song of Songs Unveiled: a New Translation and Exposition of the Song of Solomon.
