The Soul And Barbed Wire An Introduction To Solzhenitsyn:

The Soul and Barbed Wire Edward E. Ericson, Jr., Alexis Klimoff, 2008-07-15 Authored by two eminent Aleksandr Solzhenitsyn scholars *The Soul and Barbed Wire* is the first and only book to offer both a detailed biography and a comprehensive appraisal of the literary achievement of the Nobel prize winning author who became one of the Soviet regime's most formidable foes The book begins with a detailed biographical survey that traces Solzhenitsyn's evolution from an ardent Communist and loyal Soviet front line officer into a devastating critic of all ideological distortions of authentic human values and a historian of the many faceted events that led to and the tragedy set loose by the Russian Revolution This biographical section goes on to portray the writer's strenuous efforts to convey this message to the West during his years of exile and to his countrymen after his return to Russia The bulk of the book however consists of sharply focused essays on a large number of Solzhenitsyn's writings Ericson and Klimoff comment on virtually all his works of fiction as well as on a generous selection of texts belonging to historical or journalistic genres Because the volume assumes no prior knowledge of its subject it will prove particularly helpful to those who are coming to Solzhenitsyn for the first time while its well nigh encyclopedic inclusiveness should appeal even to the most seasoned readers Drawing upon the best available Solzhenitsyn scholarship the authors strive to present a balanced and accurate appraisal of the remarkable life and hugely influential works that have often been misunderstood and not infrequently been misrepresented *The Soul and Barbed Wire* Edward E. Slaboch, 2018 Matthew W Slaboch examines the work of German philosophers Arthur Schopenhauer and Oswald Spengler Russian novelists Leo Tolstoy and Aleksandr Solzhenitsyn and American historians Henry Adams and Christopher Lasch rare skeptics of the idea of progress who have much to offer political theory a field dominated by historical optimists *Historical Dictionary of Russian Literature* Jonathan Stone, 2013 The Historical Dictionary of Russian Literature contains a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 100 cross referenced entries on significant people themes critical issues and the most significant genres The Priority of the Person David Walsh, 2020-08-31 In *The Priority of the Person* world class philosopher David Walsh advances the argument set forth in his highly original philosophic meditation *Politics of the Person as the Politics of Being* 2015 that person is the central category of modern political thought and philosophy The present volume is divided into three main parts It begins with the political discovery of the inexhaustibility of persons explores the philosophic differentiation of the idea of the person and finally traces the historical emergence of the concept through art science and faith Walsh argues that although the roots of the idea of person are found in the Greek concept of the mind and in the Christian conception of the soul this notion is ultimately a distinctly modern achievement because it is only the modern turn toward interiority that illuminated the unique nature of persons as each being a world unto him or herself As Walsh shows it is precisely this feature of persons that makes it possible for us to know and communicate with others for we can only give and receive one another as persons In this way alone can we become friends and in friendship build community By showing how the person is modernity's central preoccupation David Walsh's *The Priority of the Person* makes an important contribution to current discussions in both political theory and philosophy It will also appeal to students and scholars of theology and literature and any groups interested in the person and personalism *A Contemporary Turkish Prison Diary* Ismail Albayrak, 2024-04-11 This book explores the religious experiences of two notable figures who endured severe trials under authoritarian regimes Bediuzzaman Said Nursi 1877 1960 within the Islamic tradition and Aleksander Solzhenitsyn 1918 2008 within the Russian Orthodox Christian tradition Against the tumultuous backdrop of the twentieth century's spiritual social political and intellectual upheavals both Nursi and Solzhenitsyn grappled with immense hardships because of their beliefs Despite immense tribulations both individuals demonstrated unwavering faith and resilience in the face of adversity continuing their scholarly and literary activities The current study centers on the dichotomy of spiritual confinement and expansiveness illustrating how people can experience spiritual distress even without physical restraints It explores the historical and conceptual aspects of imprisonment within Christian and Muslim perspectives explores the reasons for Nursi and Solzhenitsyn's incarceration examines their coping mechanisms in the face of hardship and underscores the role of faith and spirituality The author integrates personal experiences particularly his own incarceration

during the aftermath of the 2016 Turkish staged coup attempt within the context of the narratives of Nursi and Solzhenitsyn The book addresses court proceedings release departure from Turkey and resettlement in Australia Throughout the author draws parallels between their own observations and those of Nursi and Solzhenitsyn contributing to the broader discourse on individual spirituality and collective consciousness The book offers insights into spiritual resilience in the face of adversity utilizing the lives of these figures to illuminate shared human experiences A unique collation of personal narration and scholarly reflection it is relevant to academics and students in history political science sociology Islamic and Middle Eastern studies and to social scientists researching the phenomenon of exile and prison in different countries across the world It also speaks to the work of activists and policymakers in human rights
