The Success Commandments DeVon Franklin,Tim Vandehey,2019-04-02 DeVon Franklin New York Times bestselling author of The Wait and prominent Hollywood producer reveals that secular and spiritual success are not opposites To have one you need the other Are you tired of living a life paralyzed by fear Are you anxious to break free of the beware mentality that has kept generations of well meaning people living beneath the fullness of their calling You re unfulfilled because you ve been convinced that you would lose your faith if you pursued the secular ambitions God has put in your heart However until you pursue those ambitions you will miss out on the fullness of God and the success you were created to have For too long there s been a line drawn between the spiritual and the secular and we have been conditioned to believe that if we cross this line in either direction we will have gone too far It s time to break down this barrier so you are free to go further than any believer has gone before The Hollywood Commandments combines spiritual teachings with secular strategies to help you achieve unprecedented success and live the life you were destined to live
