Brokhoff,1993 Preaching at the Double Feast Michael Monshau,2006 What is the role of preaching in the double feast churches churches whose normative liturgical worship features rites at the two tables of the Word and of the Eucharist Father Michael Monshau adds timely and critical new perspective to the issue by bringing together five significant voices from double feast churches whose presentations in effect become varied short textbooks on how to preach *Preaching is Believing* Ronald J. The Ground Has Shifted Walter Earl Fluker,2016-11-08 An exuberant thought provoking assessment of the dilemmas facing black churches examining their historic role in today s cultural landscape Publishers Weekly starred review In *The Ground Has Shifted* Walter Earl Fluker discusses the historical and current role of the Black church and argues that the older

race based language and metaphors of religious discourse have outlived their utility He offers instead a larger global vision for the Black church that focuses on young Black men and other disenfranchised groups who have been left behind in a world of globalized capital Lyrically written with an emphasis on the dynamic and fluid movement of life itself Fluker argues that the church must find new ways to use race as an emancipatory instrument if it is to remain central in Black life He points the way for a new generation of church leaders scholars and activists to reclaim the Black church s historical identity and to turn to the task of infusing character civility and a sense of community among its congregants Honorable Mention Theology and Religious Studies PROSE Award **Index to Book Reviews in Religion** ,1999 Subject Guide to Books in Print ,1997

Whitaker's Books in Print ,1998 **Narrative Preaching** David P. A. Kanyoro,Wendy S. Robins,1990 Speaking for Ourselves Bible Studies Discussion Starters by Women *Character Theology* Tom Steffen,Ray Neu,2024-02-21 Character Theology provides a natural universal way for the world to engage God through his chosen cast of characters As the media eras continue to change oral to print to digital virtual too many Bible scholars and consequently pastors and Bible teachers in the West and beyond lack capability to effectively communicate Scripture to Millennials Gen Z and Gen Alpha These generations find little if any relevance in the Christianity promoted by those stuck in modernity s sticky abstract systematic theology Character Theology relates sticks and transforms these generations Why Because people grasp and engage God most naturally and precisely through his interaction with biblical characters and their interaction with each other Characters communicate the Creator s characteristics The roadmap to the recovery and expansion of Christianity in the twenty first century will be through Bible characters
