The Stammering Century New York Review Books Classics:

The Stammering Century Gilbert Seldes, 2012-11-06 Gilbert Seldes the author of *The Stammering Century* writes This book is not a record of the major events in American history during the nineteenth century It is concerned with minor movements with the cults and manias of that period Its personages are fanatics and radicals and mountebanks Its intention is to connect these secondary movements and figures with the primary forces of the century and to supply a background in American history for the Prohibitionists and the Pentecostals the diet faddists and the dealers in mail order Personality the play censors and the Fundamentalists the free lovers and eugenicists the cranks and possibly the saints Sects cults manias movements fads religious excitements and the relation of each of these to the others and to the orderly progress of America are the subject The subject is of course as timely at the beginning of the twenty first century as when the book first appeared in 1928 Seldes's fascinated and often sympathetic accounts of dreamers rogues frauds sectarians madmen and geniuses from Jonathan Edwards to the messianic murderer Matthias have established *The Stammering Century* not only as a lasting contribution to American history but as a classic in its own right

The Red Thread: Twenty Years of NYRB Classics Edwin Frank, 2019-09-24 To celebrate the 20th anniversary of NYRB Classics a handpicked anthology of selections from the series In Greek mythology Ariadne gave Theseus a ball of red thread to guide him through the labyrinth and the Red Thread offers a path through and a way to explore the ins and outs and twists and turns of the celebrated NYRB Classics series now twenty years old The collection brings together twenty five pieces drawn from the more than five hundred books that have come out as NYRB Classics over the last twenty years Stories essays interviews poems along with chapters from novels and memoirs and other longer narratives have been selected by Edwin Frank the series editor to chart a distinctive entertaining and thought provoking course across the expansive and varied terrain of the Classics series

Saturday Review of Literature ,1926 The Evangelical

Counter-Enlightenment William R. Everdell, 2021-05-21 This contribution to the global history of ideas uses biographical profiles of 18th century contemporaries to find what Salafist and Sufi Islam Evangelical Protestant and Jansenist Catholic Christianity and Hasidic Judaism have in common Such figures include Muhammad Ibn Abd al Wahab Count Nikolaus Zinzendorf Jonathan Edwards John Wesley Jean Jacques Rousseau and Israel Ba al Shem Tov The book is a unique and comprehensive study of the conflicted relationship between the evangelical movements in all three Abrahamic religions and the ideas of the Enlightenment and Counter Enlightenment Centered on the 18th century the book reaches back to the third century for precedents and context and forward to the 21st for the legacy of these movements This text appeals to students and researchers in many fields including Philosophy and Religion their histories and World History while also appealing to the interested lay reader

Constance Rourke and American Culture Joan Shelley Rubin, 2018-06-15 The career of Constance Rourke 1885-1941 is one of the richest examples of the American writer's search for a usable past In this first full length study of Rourke Joan Shelley Rubin establishes the context for Rourke's defense of American culture the controversies that engaged her the books that influenced her thinking the premises that lay beneath her vocabulary With the aid of Rourke's unpublished papers the author explores her responses to issues that were compelling for her generation of intellectuals the critique of America as materialistic and provincial the demand for native traditions in the arts the modern understanding of the nature of culture and myth and the question of a critic's role in a democracy Rourke's writings demonstrate that America did not suffer as Van Wyck Brooks and others had maintained from a damaging split between high brow and low brow but was rather a rich unified culture in which the arts could thrive Her classic *American Humor* 1931 and her biographies of Lotta Crabtree Davy Crockett Audubon and Charles Sheeler celebrate the American as mythmaker To foster what she called the possession of the national heritage she used an evocative prose style accessible to a wide audience and depicted the frontier in more abstract terms than did other contemporary scholars Her commitment to social reform acquired in her youth and strengthened at Vassar in the Progressive era informed her sense of the function of criticism and guided her political activities in the 1930s Drawing together Rourke's varied discussions of popular heroes comic lore literature and art Rubin illuminates the delicate balances and sometimes contradictory arguments underlying Rourke's description of America's cultural patterns She also analyzes the way Rourke's encounters with the ideas of Van Wyck Brooks Ruth Benedict Jane Harrison Bernard DeVoto and Lewis Mumford shaped her view of America's achievements and possibilities Rourke emerges not simply as a follower of Brooks or as a colleague of DeVoto nor even as an antiquarian or folklorist Rather she assumes her own unique and proper place as a pioneer who more than anyone else of her day boldly and eloquently showed Americans that they had the resources necessary for the future of both art and society By placing Constance Rourke within the framework of a debate about the nature of American culture the author makes a notable contribution to American intellectual history Originally published in 1980 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in

digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value Vassar Quarterly ,1917 The Bible in American Law and Politics John R. Vile,2020-09-19 While scholars increasingly recognize the importance of religion throughout American history The Bible in American Law and Politics is the first reference book to focus on the key role that the Bible has played in American public life In considering revolting from Great Britain Americans contemplated whether this was consistent with scripture Americans subsequently sought to apply Biblical passages to such issues as slavery women s rights national alcoholic prohibition issues of war and peace and the like American presidents continue to take their oath on the Bible Some of America s greatest speeches for example Lincoln s Second Inaugural and William Jennings Bryan s Cross of Gold speech have been grounded on Biblical texts or analogies Today Americans continue to cite the Bible for positions as diverse as LGBTQ rights abortion immigration welfare health care and other contemporary issues By providing essays on key speeches books documents legal decisions and other writings throughout American history that have sought to buttress arguments through citations to Scriptures or to Biblical figures John Vile provides an indispensable guide for scholars and students in religion American history law and political science to understand how Americans throughout its history have interpreted and applied the Bible to legal and political issues **The Great Pictorial History of World Crime** Jay Robert Nash,2004-04-29 The vast and mysterious world of criminals from ancient times through the 21st century is vividly captured in The Great Pictorial History of World Crime This unique and staggering reference work chronicles every major criminal act from every era A definitive reference source to worldwide crime this unparalleled survey is organized into sixteen chapters
AssassinationBigamyBurglaryCannibalismCelebrity SlayingsDrugsFraudGangs Gangsters and Organized
CrimeKidnappingMass MurderPiracyRobberySecret Criminal SocietiesSerial KillersTerrorismUnsolved Homicides Each chapter begins with an essay that introduces the topic and provides a concise overview of the historical social and political significance of the crime Subjects are further developed crime by crime through descriptive entries covering the criminal acts modus operandi criminal background information and motives along with insightful anecdotes In addition to being a being a vital and informative historical and sociological reference work The Great Pictorial History of World Crime features more than 2 500 illustrations More than a chronicle of chilling events these two volumes provide gripping reading for anyone interested in true crime law enforcement criminology and criminal justice **The Life of Margaret Fuller** Madeleine B. Stern,1968 *The Recognitions* William Gaddis,2020-11-24 A postmodern masterpiece about fraud and forgery by one of the most distinctive accomplished novelists of the last century The Recognitions is a sweeping depiction of a world in which everything that anyone recognizes as beautiful or true or good emerges as anything but our world The book is a masquerade moving from New England to New York to Madrid from the art world to the underworld but it centers on the story of Wyatt

Gwyon the son of a New England minister who forsakes religion to devote himself to painting only to despair of his inspiration In expiation he will paint nothing but flawless copies of his revered old masters copies however that find their way into the hands of a sinister financial wizard by the name of Recktall Brown who of course sells them as the real thing Dismissed uncomprehendingly by reviewers on publication in 1955 and ignored by the literary world for decades after *The Recognitions* is now established as one of the great American novels immensely ambitious and entirely unique a book of wild Boschian inspiration and outrageous comedy that is also profoundly serious and sad [The Oxford Companion to American Literature](#) James D. Hart, Phillip Leininger, 1995-10-12 For more than half a century James D Hart's *The Oxford Companion to American Literature* has been an unparalleled guide to America's literary culture providing one of the finest resources to this country's rich history of great writers Now this acclaimed work has been completely revised and updated to reflect current developments in the world of American letters For the sixth edition editors James D Hart and Phillip Leininger have updated the Companion in light of what has happened in American literature since 1982 To this end they have revised the entries on such established authors as Saul Bellow Norman Mailer and Joyce Carol Oates and they have added more than 180 new entries on novelists T Coraghessan Boyle Tim O'Brien Louise Erdrich Don De Lillo poets Rita Dove Weldon Kees playwrights Wendy Wasserstein August Wilson popular writers Stephen King Louis L'Amour historians James M McPherson David Herbert Donald William Manchester naturalists Aldo Leopold Edward Abbey and literary critics Camille Paglia Richard Ellmann In addition the Companion boasts more women's African American and ethnic voices with new entries on such luminaries as Charlotte Perkins Gilman M F K Fisher William Least Heat Moon Ursula Le Guin and Oscar Hijuelos among many others These additions represent only some of the revisions for the new edition Of course the basic qualities of the Companion that readers have grown to know and love over the years are as superb as ever With over 5 000 total entries *The Oxford Companion to American Literature* reflects a dynamic balance between past and contemporary literature surveying virtually every aspect of our national literature from the Pulitzer Prize to pulp fiction and from Walt Whitman to William F Buckley Jr There are over 2 000 biographical profiles of important American authors with information regarding their styles subjects and major works and influential foreign writers as well as other figures who have been important in the nation's social and cultural history There are more than 1 100 full summaries of important American novels stories essays poems with verse form noted plays biographies and autobiographies tracts narratives and histories The new edition provides historical background and astute commentary on literary schools and movements literary awards magazines newspapers and a wide variety of other matters directly related to writing in America Finally the book is thoroughly cross referenced and features an extensive and fully updated index of literary and social history Ranging from Captain John Smith to John Updike and from Anne Bradstreet to Anne Rice the sixth edition of *The Oxford Companion to American Literature* is up to date accurate and comprehensive a delight for both the casual browser and the serious student *A History of American Philosophy* Herbert

Wallace Schneider,1946-01-01 The present work treats of several aspects of American philosophy in their historical perspective The author has interpreted philosophically the revolutionary changes that recent years have brought in the domain of education church politics natural sciences etc The reader will find herein that American Philosophy is the outgrowth of impacts of new life and new directions imported by waves of immigration More conspicuous are the recent intellectual imports from Cambridge Paris and Vienna The philosophical analysis that grew up in Cambridge under the leadership of Whitehead russel and Moore the sophisticated modernized versions of Catholic scholasticism from Paris and the the schools of value theory existentialism phenomenology logical positivism psychoanalysis and socialism from Vienna these are now pervasive forces in American culture The author has ventured to predict that the types of philosophical thought described in this volume are being radically revised reviewed and reconstructed because of these new importations that a decidedly new chapter in American philosophy is being written The author has tried well to expound what American history teaches or what American philosophy stands for **The Reader, a review of literature, science, and art** ,1866-07

Mystics and Messiahs Philip Jenkins,2000-04-06 In Mystics and Messiahs the first full account of cults and anti cult scares in American history Philip Jenkins shows that contrary to popular belief cults were by no means an invention of the 1960s In fact most of the frightening images and stereotypes surrounding fringe religious movements are traceable to the mid nineteenth century when Mormons Freemasons and even Catholics were denounced for supposed ritualistic violence fraud and sexual depravity But America has also been the home of an often hysterical anti cult backlash Jenkins offers an insightful new analysis of why cults arouse such fear and hatred both in the secular world and in mainstream churches many of which were themselves originally regarded as cults He argues that an accurate historical perspective is urgently needed if we are to avoid the kind of catastrophic confrontation that occurred in Waco or the ruinous prosecution of imagined Satanic cults that swept the country in the 1980s Without ignoring genuine instances of aberrant behavior Mystics and Messiahs goes beyond the vast edifice of myth distortion and hype to reveal the true characteristics of religious fringe movements and why they inspire such fierce antagonism *Saturday Review of Literature* ,1971 **New York Herald Tribune Books** ,1929

Psychopathology Charles Frederick Reed,1958 Five general areas are represented in the selections I the problem of the effects of early experience on psychological development 2 psychosomatic disorders and neurosis 3 schizophrenic psychosis 4 somatic factors in psychopathology and 5 the social context and its effects on the phenomena of behavior

Digest: Review of Reviews Incorporating Literary Digest ,1897 *The Life and Opinions of Zacharias Lichter* Matei Calinescu,2018-03-20 A new translation of the only novel by lauded Romanian literary critic Matei C linescu An NYRB Classics Original Ugly unkempt a haunter of low dives who begs for a living and lives on the street Zacharias Lichter exists for all that in a state of unlikely rapture After being engulfed by a divine flame as a teenager Zacharias has devoted his days to doing nothing at all apart that is from composing the odd poem he immediately throws away and consorting with a handful

of stray friends Poldy for example the catatonic alcoholic whom Zacharias considers a brilliant philosopher or another more vigorous barfly whose prolific output of pornographic verses has won him the nickname of the Poet Zacharias is a kind of holy fool but one whose foolery calls in question both social convention and conventional wisdom He is as much skeptic as ecstatic affirming above all the truth of perplexity This of course is what makes him a permanent outrage to the powers that be be they reactionary or revolutionary and to all other self appointed champions of morality who are blind to their own absurdity The only thing that scares Zacharias is that all purpose servant of conformity the psychiatrist This Romanian classic originally published under the brutally dictatorial Ceau escu regime whose censors initially let it pass because they couldn t make head or tail of it is as delicious and telling an assault on the modern world order as ever

Ignite the flame of optimism with Get Inspired by is motivational masterpiece, **The Stammering Century New York Review Books Classics** . In a downloadable PDF format (PDF Size: *), this ebook is a beacon of encouragement. Download now and let the words propel you towards a brighter, more motivated tomorrow.
