Griffin, 2016-02-02 Anyone who serves teenagers today knows that more and more young people are eager to make a difference in the world When students participate in short term missions service and justice causes parents and youth leaders hope these experiences will lead to real transformation But research shows that our efforts don't always stick If we truly want short term work to translate into long term change leaders and students must spend more time before during and after service projects preparing for and processing their experiences The sessions in this leader's guide will help you create experiences that stick both for the students you take and the communities you serve This guidebook offers a host of practical and field tested exercises for each phase of your experience whether it's a half day local service project or a two week trip overseas Participants will engage in hands on experiences to gain new insights about themselves their relationship with God their teammates and the world we're called to love and serve Each of these steps is a catalyst in helping students apply what

they have learned in the field to their own lives back at home Also included are ideas to help get parents and the whole church engaged in service together A companion student journal is also available to boost the potential for personal application throughout the journey Growing With Kara Powell, Steven Argue, 2019-03-05 Many parents of a teenager or young adult feel as though they re guessing about what to do next with mixed results We want to stay connected with our maturing child but we re not sure how And deep down we fear our child doesn t want or need us Based on brand new research and interviews with remarkable families Growing With equips parents to take steps toward their teenagers and young adults in a mutual journey of intentional growth that trusts God to transform them all By highlighting three groundbreaking family strategies authors Kara Powell and Steven Argue show parents that it s never too early or too late to accept the child you have not the child you wish you had work toward solutions rather than only identifying problems develop empathy that nudges rather than judges fight for your child not against them connect your children with a faith and church big enough to handle their doubts and struggles dive into tough discussions about dating career and finances and unleash your child s passions and talents to change our world For any parent who longs for their kids to keep their roots even as they spread their wings Growing With offers practical help and hope for the days and years ahead Rooting Your Teen in the Faith Kim Cameron-Smith, 2023-01-03 While Catholic teens drifting away from the Faith is unfortunately an increasingly common occurrence it s not inevitable We as parents are uniquely qualified to lead our teens to a relationship with Christ During the difficult teenage years parents not youth ministers teachers or parish programs play a pivotal role in our children s faith development In Rooting Your Teen in the Faith family coach catechist author and mom Kim Cameron Smith empowers parents to shepherd their teens guiding them to discover their mission deepen their faith and discern the truth about their identity and purpose There is no perfect blueprint for evangelizing teenagers but there is the right relationship the parent child bond If we lean into our call to lead inspire free and transform our children by the end of the teenage years they will be equipped to respond to God s movements in their lives **Faith Beyond Youth Group** Kara Powell, Jen Bradbury, Brad M. Griffin, 2023-11-07 Help teenagers become adults who boldly live out a robust faith in a watching world Most typical youth ministries today produce nice obedient kids who behave themselves and then leave the church and the faith Even those who remain struggle to extend their own faith beyond youth group They seem like good kids but their lives and decisions outside youth group aren t oriented toward Jesus Clearly that is not our goal So what are we doing wrong And how can we better serve the unique needs of the most anxious adaptive and diverse generation in history Building on two decades of the Fuller Youth Institute s work and incorporating extensive new research and interviews Faith Beyond Youth Group answers these questions by identifying the reasons youth ministry often fails both short term and long term offering five ways adult youth leaders can cultivate character for a lifetime of growing closer to Jesus exploring how to how to cultivate trust model growth teach for transformation practice together and make meaning If you re tired of youth ministry that fails to change lives it s

time to change youth ministry **3 Big Questions That Change Every Teenager** Kara Powell, Brad M. Griffin, 2021-08-03 Today's teenagers are the most anxious, creative and diverse generation in history which can make it hard for us to relate. And while every teenager is a walking bundle of questions, three rise above the rest: Who am I? Where do I fit? What difference can I make? Young people struggle to find satisfying and life-giving answers to these questions on their own. They need caring adults willing to lean in with empathy, practice listening and gently point them in the direction of better answers; they are enough because of Jesus; they belong with God's people and they are invited into God's greater story. In this book, which is based on new landmark research from the Fuller Youth Institute and combines in-depth interviews with data from 1,200 diverse teenagers, Kara Powell and Brad M. Griffin offer pastors, youth leaders, mentors and parents practical and proven conversations and connections that help teenagers answer their three biggest questions and reach their full potential.

Crawford,2011-10-04 Many of the statistics you read about teenagers and faith can be alarming Recent studies show that 40 50 percent of kids who are connected to a youth group throughout their senior year will fail to stick with their faith in college As youth workers are pouring their time and energy into the students in their ministries they are often left wondering if they ve done enough to equip their students to carry their faith into adulthood Fuller Youth Institute has done extensive research in the area of youth ministry and teenage development In Sticky Faith the team at FYI presents youth workers with both a theological philosophical framework and practical programming ideas that develop long term faith in teenagers Each chapter presents a summary of FYI s quantitative and qualitative research along with the implications of this research including program ideas suggested and tested by youth ministries nationwide This resource will give youth pastors what they need to help foster a faith that sticks with all the teenagers in their group long after they ve left the youth room *Critical Conversations* Tom Gilson,2016 Christian parents need to be prepared to answer the myriad challenges teens might hear in today s increasingly pro homosexual culture Why shouldn t gays get married Who says gay sex is wrong Does the Bible actually say there s anything wrong with homosexuality Don t you care that kids are being bullied just for being themselves To start the discussion Gilson provides a brief history of the issues beginning with the sexual revolution of the 1960s He explains how and why cultural attitudes have reversed on this subject in such a short timespan leaving Christians scrambling for answers This is perhaps the most complicated and contentious issue Christians face in today s culture Most churches are poorly equipped to handle it parents are even less prepared The good news is that parents need not have pat answers ready before they dive into conversations with their teens and preteens on this difficult topic Learning together parents struggling through these issues alongside their kids and leading them to biblical answers has relational benefits Answers are important though so
