The Story Of Romans A Narrative Defense Of Gods Righteousness:

The Story of Romans A. Katherine Grieb, 2002-09-30 A Katherine Grieb insightfully traces the argument of Paul's letter to the Romans and shows how it is grounded in the story of God's faithfulness to Israel. She draws together a number of crucial insights: the narrative character of Paul's thought, the apocalyptic message of his gospel, the depth of his engagement with Israel's Scripture, and the practical and political impact of his theology. She demonstrates the letter's relevance today and invites contemporary readers to locate their own stories within Paul's account of God's righteousness. Informed by recent Pauline scholarship, this book will be useful to scholars, students, and pastors.

Performing the Faith Stanley Hauerwas, 2015-03-11 Folksy, eclectic, disarmingly humble, and astonishingly wide-ranging, Hauerwas offers us a provocative reading of Bonhoeffer that not surprisingly assimilates him closely to John Howard Yoder. At the same time, Hauerwas replies to recent criticisms of his work by Jeffrey Stout, contending that truth depends on performance far more than on theory. Hauerwas steps forward as a pacifist gadfly for a more truly faithful church and a more recognizably democratic society. George Hunsinger, Princeton Theological Seminary: This book shows how lively and fecund Hauerwas's thought remains. A dazzling performance capable of entertaining and instructing professional theologians as much as those who think the world might be a better place without theologians in it. Paul J. Griffiths, University of Illinois at Chicago: Stanley Hauerwas has done it again. He is able skillfully to blend into his book the passion for truth and justice of two of his greatest influences, Dietrich Bonhoeffer and John Howard Yoder. He takes these heroic advocates for peace into his own present-day struggle for the soul of the American nation. Hauerwas, an admirable Christian pacifist himself, dares Christians to be the Jesus people they claim to be and to follow Jesus into the gospel path of nonviolence. Geoffrey B. Kelly, author of *Liberating Faith: Bonhoeffer's Message for Today*: Never totally predictable. Always a fresh perspective. And yet once again in these essays on narrative politics, Bonhoeffer and the church, we hear the engaging, discerning, and brilliant voice we have come to know as Stanley Hauerwas. Mark Thiessen, Eastern Mennonite Seminary: Contending with and learning from the witness of Dietrich Bonhoeffer, whose life is often thought to provide a Christian alternative to pacifism, Hauerwas deepens the account of Christian nonviolence he has been articulating for decades. His theology is strengthened and clarified by his encounter with the exemplary figure of Bonhoeffer. Alan Jacobs, Wheaton College: Without loss of the provocative edge that has made him a vital and distinctive Christian voice, Hauerwas's *Performing the Faith* allows him to cast a retrospective eye on his work. At the same time, in a brilliant essay under the title of the book, he develops a profoundly important description of faithfulness. Dennis O'Brien, University of Rochester.

Romans Craig S. Keener, 2009-09-01 A helpfully concise commentary on Paul's letter to the early Christians in Rome, which the Apostle wrote just a few years before the outbreak of Nero's persecution. Keener examines each paragraph for its function in the letter as a whole, helping the reader follow Paul's argument. Where relevant, he draws on his vast work in ancient Jewish and Greco-Roman sources in order to help modern readers understand

the message of Romans according to the way the first audience would have heard it Throughout Keener focuses on major points that are especially critical for the contemporary study of Paul s most influential and complex New Testament letter

Election of the Lesser Son David R. Andrew Das, A fresh and thorough new reading of the situation prompting Paul's most important and puzzling letter **Empire in the New Testament** Stanley E. Porter, Cynthia Long Westfall, 2011-01-01 How does a Christian render unto Caesar what is Caesar's and unto God what is God's This book is the

result of the Bingham Colloquium of 2007 that brought scholars from across North America to examine the New Testament's response to the empires of God and Caesar. Two chapters lay the foundation for that response in the Old Testament's concept of empire and six others address the response to the notion of empire both human and divine in the various authors of the New Testament. A final chapter investigates how the church fathers regarded the matter. The essays display various methods and positions together; however, they offer a representative sample of the current state of study of the notion of empire in the New Testament.

Paul's Letter to the Romans Arland J. Hultgren, 2011-05-16 Building on his own translation from the Greek, Hultgren walks readers through Romans verse by verse, illuminating the text with helpful comments probing into major puzzles and highlighting the letter's most inspiring features. He also demonstrates the forward-looking missional character of Paul's epistle written as Hultgren suggests to introduce Roman Christians to the major themes of Paul's theology and to inspire in them both confidence in the soundness of his teaching and support for his planned missionary efforts in Spain.

Paul, Christian Textuality, and the Hermeneutics of Late Antiquity, 2023-12-07 The essays in the present volume celebrate the work of Margaret M. Mitchell, University of Chicago, by engaging, extending, and challenging her ground-breaking research in three areas: 1) the letters of Paul, the Apostle, both authentic and pseudepigraphic; 2) the emergence and rapid development of early Christian literary culture over the first few centuries of the cult's existence; and 3) Late Antique interpretive practices and perspectives, particularly among patristic readers of the scriptures.

God in Paul's Letters Timothy Milinovich, Normand Bonneau, Robert F. O'Toole S. J., 2023-06-29 In Pauline studies, where Christological questions have often carried the day, Paul's understanding of God is emerging to play an equally important role. What did it mean to the apostle that God is sovereign Lord of history and creation? This volume explores the various ways that the theme of God is foundational to Paul's seven undisputed letters, with attention to the diverse perspectives of each letter. In addition, the volume offers essays on overarching topics such as epistemology and the new creation that Paul describes in his writing. The authors engage as well challenging questions including Paul's views on evangelizing all people, Jew and Gentile alike. Readers will come away with a deeper appreciation for both the theology and the Christology of Paul, whose understanding of God provides the key to the salvific plan realized in Christ.

Both Judge and Justifier James B. Prothro, 2018-04-13 Paul often says that God justifies people in Christ, but what does that mean? God does. The language appears legal, but many other interpretations have been suggested. Beginning from the use of this language in Judaism and early Christianity, James B. Prothro investigates biblical legal conflicts and the terminology of justification in Paul's letters to determine what it means for Paul to say that God as judge is the justifier of those who trust in Christ.

The Problem with Evangelical Theology Ben Witherington (III), 2005 There is no doubting the legacy of the Protestant Reformers and their successors, Luther, Calvin, and Wesley, not only spawned specific denominational traditions but their writings have been instrumental in forging a broadly embraced evangelical theology as well. In this volume, Ben Witherington wrestles with some of the big ideas of these

major traditional theological systems sin God's sovereignty prophecy grace and the Holy Spirit asking tough questions about their biblical foundations Witherington argues that evangelicalism sometimes wrongly assumes a biblical warrant for some of its more popular beliefs and further he pushes the reader to engage the larger story and plot of the Bible to understand these central elements of belief Donald K McKim Editor Encyclopedia of the Reformed Faith *Paul's Definitions of the Gospel in Romans 1* Robert Matthew Calhoun, 2011 Revision of the author's thesis doctoral University of Chicago
