Satan's Strategy to Curse Christ's Congregation Keith A. Sherlin, 2010-09 Dr Sherlin has worked diligently to show the importance of elder rule What he has done is restore us to sound principles that come straight from the Bible His book is a must for every assembly that wants to remain strong rather than go the way of the culture I cannot recommend his book enough Dr Mal Couch In this work the author sets out the biblical case for congregations being ruled by a plurality of Godly men known as elders This work is meticulously footnoted and documented making it an invaluable resource for the layman and scholar alike Dr Andy Woods Keith writes in a manner that is precise and with a fluidity of understanding of current day church leadership The tone of his writing is shared in love and there are no judgmental undertones that permeate his thoughts I would wholly recommend this reading to all who profess Christ as their Lord Pamela Rogers Dr Keith has presented a solid case for authoritative leadership in the church His book is a call for us to return to biblical leadership and be presbyters instead of politicians Dr C V Varnado Do you believe that your local assembly is full of conflict confusion and or compromise Are you familiar with the strategy of Satan and his methods to undermine the grace love and truth of Christ's body This work makes a clear and convincing case that many problems in congregations occur because the body has adopted a flawed foundation of church government and doctrine that is more political than biblical How much or to what degree has Satan made inroads into your spiritual family and leadership body Read and judge for yourself and if necessary seek to apply the prescribed remedy to the problem

Angels Knofel Staton, Leonard Thompson, 2005

A Woman's Nation or Satan's Deceit... M.C. HIZEDEK, 2012-06-15 1865 ABRAHAM LINCOLN ASSASSINATED WOMEN'S FEMINIST MEMBER MARY SURRAT HANGED FOR PARTICIPATION LEADER OF GROUP FOUND HIDING IN VATICAN PAPAL GUARD Before his death Abraham Lincoln made the following statements to his trusted staff It is not against the Americans of the South alone that I am fighting it is even more against THE POPE OF ROME and his perfidious Jesuits and their blind and blood thirsty slaves that we have to defend ourselves The Jesuits have not yet killed me But they would have surely done it when I passed through their most devoted city Baltimore had I not defeated their plans by passing incognito a few hours before they expected me We have the proof that the company which has been selected and organized to murder me was led by a rabid Roman Catholic called Byrne it was almost entirely composed of Roman Catholics more than that there were two disguised priests among them to lead and encourage them Abraham Lincoln And indeed the American Women's Feminist Movement were now linked and involved with the assassination of a sitting President of the United States and with a member of the American Women's Feminist Movement confirmed as guilty and hanged for the

assassination of President Abraham Lincoln And then so began the atrocities of the deaths of any elected president that was not a Socialist Democratic and those atrocities and Presidential genocide lasted from 1841 until the final assassination of President Warren Harding in 1923

Satan's Strategy Against the Church Witness Lee,1993 **The Strategy of Satan** Emmett Burns McGukin,1946 [The Battle for the Beginning](#) John F. MacArthur,2005-03-20 The battle lines have been drawn Is the enemy winning Thanks to the theory of evolution writes best selling author John MacArthur naturalism is now the dominant religion of modern society Less than a century and a half ago Charles Darwin popularized the credo for this secular religion Naturalism has now replaced Christianity as the main religion of the Western world and evolution has become its principal dogma Many Christians who claim to believe that the Bible is God s revealed truth seem willing to allow modern scientific theories to replace the Genesis account of creation Such compromises present a conspicuous danger Bible teacher and pastor John MacArthur believes that in Genesis 1:3 we find the foundation of every doctrine that is essential to the Christian faith the vital underpinnings for everything we believe The Battle for the Beginning draws a clear line on today s theological landscape Everything in Scripture that teaches about sin and redemption assumes the literal truth of the first three chapters of Genesis If we wobble to any degree on the truth of this passage John MacArthur insists we undermine the very foundations of our faith
