Analyzing debates about emotions and urban change, it questions the assumed dissimilarity of the history of European and Middle Eastern cities during this period. The author shows that between 1860 and 1910 contemporaries in both Berlin and Cairo began to negotiate the transformation of the urban realm in terms of emotions. Looking at the ways in which a variety of urban dwellers from psychologists to bar maids framed recent changes in terms of their effect on love, honor, or disgust, the book reveals striking parallels between the histories of the two cities. By combining urban history and the history of emotions, Prestel proposes a new perspective on the emergence of different yet comparable cities at the end of the nineteenth century **Literatures of Urban Possibility** Markku Salmela, Lieven Ameel, Jason Finch, 2021-05-21 This book demonstrates how city literature addresses questions of possibility. In city literature, ideas of possibility emerge primarily through two perspectives: texts may focus on what is possible for cities, and they may present the urban environment as a site of possibility for individuals or communities. The volume combines reflections on urban possibility from a range of geographical and cultural contexts, in addition to the English-speaking world. Individual chapters analyse possible cities and possible urban lives in Turkey, Israel, Finland, Germany, Russia, and Sweden. Moreover, by engaging with issues such as city planning, mass housing, gentrification, informal settlements, and translocal identities, the book shows imaginative literature at work, outlining what possibility means in cities **Been There, Married That** Gigi Levangie, 2025-10-16 In a world where therapists look like the Real Housewives of Equinox, where friends dispense Xanax like Pez, and where a woman's status is directly linked to the how few carbs she eats, can one Hollywood wife take back her life? Agnes Murphy Nash is in big trouble. When she returns home one evening only to find the locks changed on the gates of their mansion, the security guard breaks the news: her famous producer husband has filed for divorce. And he's not going to play fair. Trevor Nash wants custody of their tween daughter, Pep, but only for the sake of appearances. And Agnes can't let him win. With the help of her ex-con sister, a Hollywood psychic, a ballsy female lawyer, and a host of friends and frenemies, Agnes realizes that when he changes the locks, she needs to change the rules. But a crisis can lead to opportunity, and for Agnes, this gigantic betrayal brings her to a crossroads that will have her asking herself what she really wants out of life, who she really wants to be, and which man she really loves. Told with Gigi Levangie's sparkling dialogue and wit, *Been There, Married That* is a drop-dead hilarious battle of wills that will make you laugh out loud, cringe, and keep turning the pages to see what crazy disaster will happen to Agnes next and how she'll rise from the ashes *Criminal Code* Jorge Landrian, 2005-11 After serving five years in jail for drug possession charges, Jorge Gomez vows to never go back to jail, but he finds life harder on the outside Urban Bliss Janice Eidus, 1998-09 Babette
