The Sum Of These Things:

The Sum of These Things Emily O'Beirne, 2015-11-02 In the sequel to *A Story of Now* Claire Pearson has already learned a few things this summer Like falling for a girl is easy Well it is if that girl is Mia What Claire hasn't learned yet is that now comes the hard part learning to trust in this new relationship And that isn't easy when no one has ever given you a reason to trust before Then there's the pressing question of what to do with her life Claire's new volunteer job working with kids offers a glimpse of a potential future but it definitely isn't something her pushy mother is going to like Still everything feels hopeful as she embarks on the next chapter of her life armed with new friends and the warm and funny Mia But Claire quickly discovers that negotiating this new terrain of adulthood isn't easy Over the rest of this momentous summer the biggest lesson Claire must learn is how not to let anything get in the way of her happiness Especially herself *All These Things Added (Annotated with Biography about James Allen)* James Allen, 2013-11-20 In seeking for pleasures here and rewards hereafter men have destroyed in their hearts the Temple of Righteousness and have wandered from the Kingdom of Heaven By ceasing to seek for earthly pleasures and heavenly rewards the Temple of Righteousness is restored and the Kingdom of Heaven is found This truth is for those who are ready to receive it and this book also is for those whose souls have been prepared for the acceptance of its teaching This version of the classic book includes a biography about the life and times of James Allen **All These Things Added** James Allen, 2021-01-01 *All These Things Added* by James Allen In *All These Things Added* James Allen imparts timeless wisdom and practical guidance on achieving success and personal fulfillment Drawing from the principles of New Thought philosophy Allen explores the power of positive thinking and the importance of cultivating a harmonious and purposeful life Through a series of inspiring essays readers are encouraged to embrace self-discipline cultivate inner strength and align their thoughts with their highest aspirations Key Aspects of the Book *All These Things Added* New Thought Philosophy The book introduces readers to the fundamental principles of New Thought philosophy emphasizing the role of thoughts in shaping one's reality Personal Growth and Success *All These Things Added* offers practical insights and strategies for personal growth success and achieving one's goals Spiritual Enlightenment Allen's writings encourage readers to seek spiritual enlightenment and inner transformation as a path to true happiness and fulfillment James Allen was a British philosophical writer and poet known for his influential works on spirituality and personal development Born in the 19th century Allen's writings have inspired countless individuals to lead purposeful and meaningful lives In *All These Things Added* Allen's profound teachings continue to guide readers on their journey of self-discovery and inner peace His legacy as a spiritual thinker and motivational author endures inspiring readers to harness the power of their thoughts to create a life of abundance and purpose **'Then said the high priest are these things so?'
