E. Hembroff,2015-12-01 Bess s mother moves them to Pineview away from her best friend Megan and she terribly misses her Six months earlier Bess s father died in a car crash and she s also in the midst of recovering from the final stages of polio She s in a sad and lonely place From the moment she and her mother settle into their new home Bess hears whispering voices and encounters a ghostly figure in the well kept garden and in her dreams She can t make sense of everything and so shares her observations with Megan by writing her regular letters During the summer she makes new friends including an orange and white tomcat that she names Pumpkin and her new neighbour Josie With the help of Mrs O Toole the woman who watches her Bess continues to recover both physically and emotionally She becomes more and more curious about the garden and the unexplained clues that she finds there In Bess s Magical Garden Bess discovers her own true strengths through enduring life s struggles She with Josie and Megan s help also finds some hidden items in the garden including a map that leave the girls with more questions than answers Who was the figure that visited Bess Will Bess and her friends be able to uncover the garden s secrets Or will those secrets be mysteries forever *Moore's Rural New Yorker* ,1914 *Race and the Greening of Atlanta* Christopher C. Sellers,2023-08-15 *Race and the Greening of Atlanta* turns an environmental lens on Atlanta s ascent to thriving capital of the Sunbelt over the twentieth century Uniquely wide ranging in scale from the city s variegated neighborhoods up to its place in regional and national political economies this book reinterprets the fall of Jim Crow as a democratization born of two metropolitan movements a well known one for civil rights and a lesser known one on behalf of the environment Arising out of Atlanta s Black and white middle classes respectively both movements owed much to New Deal capitalism s undermining of concentrated wealth and power if not racial segregation in the Jim Crow South Placing these two movements on the same historical page Christopher C Sellers spotlights those environmental inequities ideals and provocations that catalyzed their

divergent political projects He then follows the intermittent sometimes vital alliances they struck as civil rights activists tackled poverty as a new environmental state arose and as Black politicians began winning elections Into the 1980s as a wealth concentrating style of capitalism returned to the city and Atlanta became a national poster child for sprawl the seedbeds spread both for a national environmental justice movement and for an influential new style of antistatism Sellers contends that this new conservatism sweeping the South with an antienvironmentalism and budding white nationalism that echoed the region s Jim Crow past once again challenged the democracy Atlantans had achieved
