The Talmud ,2025 If you have browsed a complete Talmud you probably know that the work is a vast expanse of wisdom literature with huge stretches of incredibly dry legal debates and minutiae interposed with rich oases of fascinating lore It is difficult to find these islands without a map Polano s Talmud Selections is just such a guide This was one of the first English anthologies of Talmudic literature The early Biblical lore is organized as a continuous narrative which makes an interesting supplement to a reading of the Bible Polano includes a selection of the best stories of the Rabbis some reminiscent of tales of the Zen monks The humor of the Talmud is also well represented particularly the tale of the Emperor and the Aged Man with its archetypal Jewish punchline And there is a wonderful list of Talmudic Proverbs If you are impatient to get to the interesting parts of the Talmud this is the book for you Amazon com *The Talmud Selections* H. Polano,2020-05-30 The Talmud is the source of Jewish law a holy text of enormous significance in Rabbinic Judaism These selections by scholar H Polano are poignant valuable highlights of the Talmudic lore Beginning with a background history of the Bible we are given insight into how the Jewish teachings and precepts were altered over time The social and political upheavals of ancient Judaea led the temple to draft new laws and rules Rome s occupation and its destruction of the Second Temple amid a popular revolt against its rule led adherents to write and make copies of Jewish law The previous system of oral tradition whereby religious precepts were passed on to generations of new priests and Rabbis was obsoleted The process of creating the Talmud was painstaking the ancient Jewish scholars strove for accuracy The new written form of Talmud took centuries to be completed hostility by the ruling Roman authority linguistic differences between regions and structural variations characterized the versions produced Polano navigates these complexities deftly placing the legal changes in context while including pertinent biographies of Rabbis who had roles in the effort The formalizing of ceremonies holy days and elements of criminal and civil law are likewise identified The Talmud Talmud. Polano,2020-02-11 THE object of the following pages is to give to the student and general reader a fair idea of the contents of the Talmud Some time since the translator was asked how it was that no English translation of the Talmud was in existence and being convinced that many would be interested in its contents he resolved upon the book which he now presents to the public It is merely a collection of specimens and makes no pretensions to any more advanced standing The only object has been to give in plain easy language a correct idea of the scope and as general an idea as possible of the varied sections of the ancient and wonderful work **The Talmud** ,1876 Selections from the Talmud.
