The Tao Of Jesus The Tao Of Jesus:

The Tao of Jesus Joseph A. Loya, Wan-li Ho, Chang-shin Jih, 1998 SUMMARY Juxtaposed sayings from Christianity and Taoism on themes such as nonviolence perfection and virtue **The Tao of Christ** Lao Tzu, Marshall Davis, 2017-05-23 The Tao of Christ is a Christian interpretation of the sixth century BC Chinese classic the Tao Te Ching It translates this ancient work into concepts and language recognizable to Christians while maintaining the integrity of the ancient text The Tao of Christ bridges the gap between East and West It sheds light on two great spiritual traditions Those who love the Tao Te Ching will see Christianity in a new light Christians who love Christ will see this ancient Chinese work as evidence of God's wider revelation to all peoples **The Tao of Jesus** John Beverley Butcher, 1994 A beautiful gift this book of 365 meditations takes readers on a journey of discovery through the rhythms of solstice and equinox in which the church year is rooted Butcher's selections reveal the earth based foundations and the deep psychological wisdom of ancient Christian and Jewish teachings and their compatibility with the Taoist reverence for balance and flow **The Tao of Jesus** Cullen Vane, 2013-04-24 Two adversaries one a Taoist and the other a Christian are thrown together by the ugly circumstances of war and must co exist for the common cause of survival They are not so different really just two lost souls trying to make their way through a troubled world each in their own way Lao Tzu and the Bible Yuan Zhiming, 2010-06 Lao Tzu and The Bible A Meeting Transcending Time and Space Yuan Zhiming Translated by Chen Shangyu Has God's light ever shone on the vast land of China Land of God so named by her ancient ancestors This book vividly recaptures God's universal light shown to the Chinese sage Lao Tzu 600 years before Jesus was born By comparing Lao Tzu's Tao Te Ching with the Bible Yuan Zhiming offers a ground breaking interpretation of Lao Tzu's Tao in light of the Word or Logos Yuan Zhiming juxtaposes Lao Tzu's Holy One with Jesus Christ systematically and thoroughly unveiling the nature and characteristics of the mysterious Tao in a concrete and understandable manner resolving a riddle of 2 600 years The text speaks to our time because so many people believe that mere secular teaching of morality such as Confucius taught is sufficient and because what we really need is a deep spiritual awakening such as Lao Tzu announced The profound teaching in Lao Tzu and the Bible enriches the spirit of not only the Chinese people but also the people of the West Dr Paul de Vries president of New York Divinity School and author of The Taming of the Shrewd Lao Tzu and the Bible offers not only a spiritual feast to the analytical minds about Tao Word Logos illustrating Tao in a tangible form the Holy One Jesus Christ but also provides helpful advice about how to follow and be united with Tao A work of great erudition and wisdom it contains deep insight opening up the secrets of the Tao while also illuminating the Bible This book will surely delight the hearts and minds of seekers of Tao *The Tao of Christ* J. ALLEN. CATALDO, 2025-07-13 In The Tao of Christ author J Allen Cataldo explores the profound spiritual alignment between the teachings of Jesus and the timeless wisdom of Lao Tzu as translated by renowned scholar and poet Stephen Mitchell Drawing from the pure original insights of the Tao Te Ching this work offers Christians a fresh lens through which to view

their faith one that emphasizes simplicity humility inner peace and the quiet movement of God in the world Rather than delving into later complex interpretations of Taoism filled with rituals deities and esoteric practices this book focuses on the essential core of the Tao a natural unforced way of living that resonates deeply with Christ s message of love mercy and surrender Through clear and accessible reflections The Tao of Christ invites readers to rediscover both their own spiritual tradition and the universal truths found in the Way This is not a blending of religions but a revealing of shared ground a bridge between East and West ancient and modern where stillness meets grace and the heart finds a deeper path home

Christ the Eternal Tao Damascene (Hieromonk),1999 Christ the eternal Tao shows Lao Tzu s Tao Teh Ching as a foreshadowing of what would be revealed by Christ and Lao Tzu himself as a Far Eastern prophet of the Incarnate God Back cover Jesus and Lao Tzu Martin Aronson,2002-10-22 Emphasizes the kinship of two sages who celebrated the core virtues of simplicity humility and love Spirituality Practice Comparing the New Testament with the Tao Te Ching Taoism s most sacred book Jesus and Lao Tzu reveals a surprising set of examples in which these two spiritual masters point their followers in the same direction With over 90 parallel sayings readers find fresh understanding and new perspectives here since the time honored teachings are presented side by side The book also shows how these shared truths transcend traditional religious boundaries The never ending search for parallels between religions East and West continues in this volume which lays out parallels between the two teachings both of which encourage humility gentleness and integrity while condemning materialism injustice hypocrisy and violence Bible Review There is plenty of fuel for meditation in those side by side gems Detroit Free Press A fine multifaith resource Spirituality Health **Tao of Jesus** Butcher,1994-09-01 **The Tao Te**

Ching and the Christian Way Joseph Petulla,1998 Explores the similarities between the Tao Te Ching the teaching of Jesus

Christ and the Tao Heup Young Kim,2010-11-01 This volume is a collection of six essays that Dr Kim published in various journals over the past several years They represent the early period of Dr Kim s theological journey into Christian faith as a Korean Christian or more broadly an East Asian Christian These essays deal primarily with religio cultural themes related to my existential situation from the Preface The Way and the Word David Jones,2017-10-25 When Jesus declared himself to be The Way Jesus followers were to adopt his way as their way as all disciples do Over time as the church became institutionalized professing Jesus without practicing Jesus Christians became less Christ like taking their roles as cheerleaders and chaplains for the status quo While in our safe sanctuaries we may profess Jesus as The Way while it s obvious to everyone else that we casted it off long ago in favor of more realistic mantras like this one the ends justify the means For Jesus the ends never justified the means no matter how good the goal For Jesus the means were the end That was and is his way You love because you love it s your way even if it gets you crucified You don t judge condemn or treat others with contempt apparently even in the midst of a crucifixion because that s not your way You help the least of these precisely because in God s eyes we are all children and none among us no matter how destitute are least That was Jesus way and

clearly his intent to be the way of his followers The ends don't justify the means the means are the end That was and is to be our way Can a pianist be separated from daily practice Can an athlete be dissected from years of work and ongoing training Can a recovering addict be separated from the 12 Steps Certainly not They are constantly on the path to becoming So too with followers of Jesus to join on the journey The Word and The Way are One So if we are going to follow the Word then we must walk in The Way Sooner or later like the wise magi of old we'll have to set our direction back to the star light and realign our compass with true North Jesus Way What does Jesus Way look like Recently as I will share in the pages that follow I have found inspiration in a philosopher that lived long before Jesus named Lao Tzu which means The Ol Boy a nickname with which a southerner like me can identify As I've read and reread his work I've found him to be quite a Good Ol Boy and I have learned much As therapists often say The last animal to discover water was a fish Which means if you want to learn about your family perhaps you need to talk to someone with an outside perspective This is what I've found an outside perspective in The Tao or simply translated into English The Way authored by Lao Tzu whose name is often translated as Old Child This Good Ol Boy lived long before states were united in America or there was an America long before Britain was an empire and even a good five centuries before Jesus Apparently neither he nor Jesus were big on writing things down and as legend has it as Lao Tzu was about to leave the country a border guard said But what about your teachings How will we know The Way when you're gone Lao Tzu saw the concern in his face and wrote The Tao As I read and reread The Tao I used many translations though I have referred to Stephen Mitchell's version the most Like a fish out of water looking back from whence I came I see Jesus Way in a broader perspective hearing The Tao throughout The New Testament especially in Matthew Mark Luke John and the non canonical Gospel of Thomas The following pages are what happened when I let Jesus and Lao Tzu sing a duet while I listened for the harmonies This work is not a translation or a paraphrase of The Gospels or The Tao but instead a blended format with a revolutionary goal to reunite Jesus The Word with Jesus The Way in hopes that we will spiritually ascend to where he's been calling us to go for 2 000 years embodying The Way The Truth and The Life The following pages are what happened when I let Jesus and Lao Tzu sing a duet while I listened for the harmonies

The Tao of Thomas

Joseph B. Lumpkin, 2005-01-01 It is because of the Eastern tone of Thomas the Gnostic theology embedded in Thomas and the possible Pre Christian influence of the text that makes it so compatible with the philosophy of the Tao Te Ching so as to make one a fascinating supplement to the other Both advance inner and intuitive knowledge above all Both allude to the way to acquire this knowledge through an unwavering search within oneself Since the deeper meanings of both Thomas and the Tao Te Ching are both direct and indirect it is hoped that each time they are read some new insight and treasure can be taken

Mainline Christianity in the West is dying Addiction to hierarchical and bureaucratic power is killing it A management god and a mission god have usurped the Way of Christ In the midst of decline the missional movement is attempting to reboot the church Its goal is to remake a New Christian West through mission leadership mapping and planning Yet it is trapped in the language and methods of modernity Its final solution is a polarizing vision of cultural domination by one social group the Christians The Way of Life and Truth has been forgotten Christ is not a conquering King a written Word or an absolute Idea but a divine Human Being Social wholeness can only be realized through a rediscovery of Conversation Reconciliation and Empowerment These reflect Christ's practices of eternal dialogue and reciprocal giving in small communities Through this mutual Way of Life people of all faiths and none can discover deep within themselves Our Un Known G d A gentle voice is whispering in the heart of all humanity I am the Way *Beyond Agreement* Scott Steinkerchner, 2011 Beyond Agreement addresses the thorny question of how to make interreligious dialogue productive when the religious differences are so large that finding common ground seems unlikely The book offers a way to think about interreligious dialogue that allows people to stay committed to their own truth as they have come to know it while being open to learning from other religions It then outlines a way for Christian theologians to enter into a profitable dialogue with the beliefs and traditions of other religions by presenting practical steps to follow in order to keep the dialogue productive and respectful of similarities and differences among religions *The Journal of Religion* , 1925 Includes section Book reviews
