The Tapestry of Culture Abraham Rosman, professor emeritus, Barnard College, Columbia University, Paula G. Rubel, professor emerita, Barnard College, Columbia University, Maxine Weisgrau, Barnard College, Columbia University, 2009-06-16 The most exciting thing about anthropology is that it enables the student to become acquainted with people of different cultures The Tapestry of Culture provides the student with the basic concepts necessary to understand these different cultures while showing that cultural variations occur within certain limits Though the forces of globalization have caused cultures of the world around us to become increasingly similar the book shows that people nevertheless cling to ethnic identities and their cultural distinctiveness

Tapestry Jerry Carrier,2014-08-01 American culture is a rich and complex tapestry of colorful

threads from at least five continents and in recent decades increased immigration has meant that the pace of change is accelerating. It's time for us to get to know ourselves and really appreciate this rich, vast and rapidly expanding culture. This book explores the contributions of Hispanic, Black, Native American, Oriental, Jewish and other cultures to a nation where many people still focus on the influences of Christian, capitalist and ethnically European, particularly British, heritage. Written for a general audience, *Tapestry* explores the myths of American culture and reveals surprising cultural roots, including the fact that American democracy and representative government were inspired more by Native American ways than by the ancient Greeks and Romans. Capitalism has become an unchallenged idea, a cultural universal and so dogmatic that coupled with Christianity it has become America's dominant religion. However, capitalism is a 19th-century concept created for the bygone industrial era. Now the system is showing decay. Unfortunately, America is an ethnocentric country whose jingoistic belief in its own exceptionalism may prevent needed change. American culture has been both inclusive and intolerant. Today it stands at a crossroad and must decide what road to take. Are we to enter a renaissance or a dark age?

Among the Hills of Time Pasquale De Marco, 2025-07-19. Journey through the tapestry of life where nature, human experience and the cosmos intertwine in a profound and awe-inspiring dance. Pasquale De Marco's *Among the Hills of Time* is a contemplative exploration of our place in the universe, inviting readers to marvel at the beauty of the natural world, ponder the mysteries of existence and embrace the interconnectedness of all things. With lyrical prose and keen observation, Pasquale De Marco paints vivid pictures of untamed landscapes, capturing the essence of moments both fleeting and eternal. From the gentle caress of a summer breeze to the awe-inspiring grandeur of a starry night, each description is a testament to the beauty and complexity of the world around us. Beyond the physical realm, Pasquale De Marco delves into the depths of human consciousness, exploring the tapestry of emotions, the nature of time and existence and the enduring bonds that connect us to one another. Through introspective musings and personal anecdotes, the author invites us to embark on a journey of self-discovery and to appreciate the profound interconnectedness of all living beings. In *Among the Hills of Time*, Pasquale De Marco weaves together personal anecdotes, historical events and philosophical musings, creating a rich tapestry of insights and perspectives. With empathy and compassion, the author delves into the tapestry of human relationships, celebrating the power of love, friendship and community while also acknowledging the challenges and heartaches that we all face. This book is an invitation to slow down, to appreciate the simple things in life and to reconnect with the natural world and with ourselves. *Among the Hills of Time* is a thought-provoking and inspiring exploration of our place in the universe, reminding us of the beauty, mystery and wonder that surrounds us.
