The Tastemakers The Shaping Of American Popular Taste:

The Tastemakers Russell Lynes, 1980 **Grasping Things** Simon J. Bronner, 2021-05-11 America stocks its shelves with mass produced goods but fills its imagination with handmade folk objects In Pennsylvania the back to the city housing movement causes a conflict of cultures In Indiana an old tradition of butchering turtles for church picnics evokes both pride and loathing among residents In New York folk art exhibits raise choruses of adoration and protest These are a few of the examples Simon Bronner uses to illustrate the ways Americans physically and mentally grasp things Bronner moves beyond the usual discussions of form and variety in America's folk material culture to explain historical influences on and the social consequences of channeling folk culture into a mass society *Creating the Artful Home* Karen Zukowski, 2006 *Creating the Artful Home* the Aesthetic Movement and Its Influence on Home Decor covers the history of a movement that emphasized art for art's sake and the influence it had on home decor The Aesthetic Movement in America lasted just a few decades 1870 1900 and served mainly as a bridge between the high Victorian sensibility and the radical shift to the Arts Crafts style The movement germinated among artists who used opulent color decorative patterning and lavish materials simply for the aesthetic effects they could evoke It was commonly held that a home that expressed an artful harmonious soul would instill high aesthetic and moral merit in its inhabitants The Aesthetic Movement in America helped to popularize the idea that everyone should be able to enjoy beautiful well made homes and furnishings not just the very wealthy Artful homes could be composed from brilliant antique store finds discriminating department store purchases and gems hand made by the ladies of the house It was the moment when people embraced the idea that only a beautiful home could be a happy home Karen Zukowski delves into the movement's establishment evolution and main characters and shows how today's homes can incorporate Aesthetic principles Through suggestion rather than statement sensuality massive use of symbols and synaesthetic effects that is correspondence between words colors and music How influential designers such as Clarence Cook and Charles Eastlake popularized the idea that beautiful homes with tasteful furnishings could be available to practically everyone How today's designers manufacturers and retailers deploy the very same stylistic markers of the Aesthetic Movement rich color layered pattern and texture mixtures of historical motifs **Debussy Redux** Matthew Brown, 2012-04-09 In a study that is both scholarly and highly entertaining Matthew Brown explores pop culture's appropriations of Debussy's music in everything from 30s swing tunes 40s movie scores 50s lounge exotica 70s rock and animation 80s action films and Muzak The book however is far more than a compendium of fascinating borrowings The author uses these musical transfers to tackle some of the most fundamental aesthetic issues relevant to the music of all composers not just Debussy David Grayson Book jacket **The Hidden Foundation** David E. James, Rick Berg, 1996 Ranging from the earliest days of the cinema to the present *The Hidden Foundation* reestablishes class as a fundamental aspect of film history Featuring prominent film scholars and historians this volume is unique in its international scope

diversity of perspectives and methodologies and the sweep of its analysis The Hidden Foundation begins with a review of the history of class in social and political thought going on to chronicle its disappearance from film and cultural studies Subsequent essays consider topics ranging from American and Soviet silent film through Chinese and American film in the fifties to the restructuring of the working class that was a feature of films of the 1980s in both the United States and Great Britain

All about Flowers Thomas J. Mickey,2021-05-07 A nineteenth century entrepreneur s bold innovative marketing helped transform flower gardens into one of America s favorite hobbies There is much that is hard and productive of sorrow in this sin plagued world of ours and had we no flowers I believe existence would be hard to be borne So states a customer s 1881 letter one of thousands James Vick regularly received Vick s business selling flower seeds through the mail wasn t unique but it was wildly successful because he understood better than his rivals how to engage customers emotions He sold the love of flowers along with the flower seeds Vick was genuinely passionate about floriculture but he also pioneered what we now describe as integrated marketing He spent a mind boggling 100 000 per year on advertising mostly to women his target demographic he courted newspaper editors for free publicity his educational guides presaged today s content marketing he recruited social influencers to popularize neighborhood gardening clubs and he developed a visually rich communication and branding strategy to build customer loyalty and inflect their purchasing needs with purchasing desire

Artists in the Audience Greg Taylor,2018-06-05 Gone with the Wind an inspiration for the American avant garde Mickey Mouse a crucial source for the development of cutting edge intellectual and aesthetic ideas As Greg Taylor shows in this witty and provocative book the idea is not so far fetched One of the first ever studies of American film criticism Artists in the Audience shows that film critics beginning in the 1940s turned to the movies as raw material to be molded into a more radical modernism than that offered by any other contemporary artists or thinkers In doing so they offered readers a vanguard alternative that reshaped postwar American culture nonaesthetic mass culture reconceived and refashioned into rich personally relevant art by the attuned creative spectator

The Figure of Knowledge Sebastiaan Loosen,Rajesh Heynickx,Hilde Heynen,2020-10-01 It is a major challenge to write the history of post WWII architectural theory without boiling it down to a few defining paradigms An impressive anthologising effort during the 1990s charted architectural theory mostly via the various theoretical frameworks

employed such as critical theory critical regionalism deconstructivism and pragmatism Yet the intellectual contours of what constitutes architectural theory have been constantly in flux It is therefore paramount to ask what kind of knowledge has become important in the recent history of architectural theory and how the resulting figure of knowledge sets the conditions for the actual arguments made The contributions in this volume focus on institutional geographical rhetorical and other conditioning factors They thus screen the unspoken rules of engagement that postwar architectural theory ascribed to

Design at Home Grace Lees Maffei,2013-12-17 Domestic advice literature is rich in information about design ideals of domesticity consumption and issues of identity yet this literature remains a relatively neglected resource in comparison with magazines and film *Design at Home* brings together etiquette homemaking and home decoration advice as sources in the first systematic demonstration of the historical value of domestic advice literature as a genre of word and image and a discourse of dominance This book traces a transatlantic domestic dialogue between the UK and the US as the chapters explore issues of design domesticity consumption social interaction and identity markers including class gender and age Areas covered include the use of domestic advice by historians relationships between advice housing and the middle class links between advice and gender advice and the teenage consumer *Design at Home* is essential reading for students and scholars of cultural and social history design history and cultural studies Museum Movies Haidee Wasson,2005-05-27 In

1935 the foundation of the Film Library of the Museum of Modern Art in New York marked the transformation of the film medium from a passing amusement to an enduring art form Haidee Wasson maps the work of the MoMA film library as it pioneered the preservation of film promoted the concept of art cinema **Taste and Power** Leora Auslander,2023-04-28 Louis XIV regency rococo neoclassical empire art nouveau and historicist pastiche furniture styles march across French history as regimes rise and fall In this extraordinary social history Leora Auslander explores the changing meaning of furniture from the mid seventeenth to the early twentieth century revealing how the aesthetics of everyday life were as integral to political events as to economic and social transformations Enriched by Auslander s experience as a cabinetmaker this work demonstrates how furniture served to represent and even generate its makers and consumers identities Louis XIV regency rococo neoclassical empire art nouveau and historicist pastiche furniture styles march across French history as regimes rise and fall In this extraordinary social history Leora Auslander explores the changing meaning of furnitur

Landscapes of Privilege Nancy Duncan,2004-02-24 James and Nancy Duncan look at how the aesthetics of physical landscapes are fully enmeshed in producing the American class system Focusing on an archetypal upper class American suburb Bedford in Westchester County NY they show how the physical presentation of a place carries with it a range of markers of inclusion and exclusion *The Eclectic Odyssey of Atlee B. Ayres, Architect* Robert James Coote,2001 During the three decades Coote examines Ayres designed nearly two hundred homes in the fashionable San Antonio suburbs of Monte Vista Olmos Park and Terrell Hills homes that even now rank among the most charming in the area Designs on the Heart

Karal Ann Marling,2006-05-29 In this book Karal Ann Marling looks at Grandma Moses as a cultural phenomenon of the postwar period and explores the meaning of her subject matter and her astonishing fame What did the Greatest Generation see in her simple renderings of people young and old tapping maple trees for syrup making apple butter gliding across snowy fields on sleighs Why did Bob Hope Irving Berlin and Harry Truman all love her and the art czars of New York openly despise her Through the flood of Moses merchandise splashed across Christmas cards dishware yard goods and gewgaws of every kind Marling traces the resonances that these primitive images struck in an America awkwardly adjusting to a new era of technology suburbia and Cold War tensions

Viewers Like You Laurie Oullette,2012-07-24 How public is public television if only a small percentage of the American people tune in on a regular basis When public television addresses viewers like you just who are you Despite the current of frustration with commercial television that runs through American life most TV viewers bypass the redemptive oasis of the wasteland represented by PBS and turn to the sitcoms soap operas music videos game shows weekly dramas and popular news programs produced by the culture industries Viewers Like You traces the history of public broadcasting in the United States questions its priorities and argues that public TV's tendency to reject popular culture has undermined its capacity to serve the people it claims to represent Drawing from archival research and cultural theory the book shows that public television's perception of what the public needs is constrained by unquestioned cultural assumptions rooted in the politics of class gender and race

The Women Who Professionalized Interior Design Peter Dedek,2022-03-10 The Women Who Professionalized Interior Design explores the history of interior decorating and design from the late nineteenth century to the present highlighting the careers and contributions of significant American female interior designers who were instrumental in the creation of the field of residential and commercial interior design in the United States This book explores how interior design emerged as a distinct paying occupation in the nineteenth century thanks to a growing middle class and an increase in available cheap household goods following the Industrial Revolution Focusing primarily on the period from 1905 to 1960 it addresses the complex relationships among professionals in the design fields the social dynamics of designer client relationships and how class culture and family influenced their lives and careers The book emphasizes significant female interior decorators and writers on design including Candace Wheeler Elsie de Wolfe Edith Wharton Nancy McClelland Ruby Ross Wood Dorothy Draper Eleanor McMillen Brown and Sister Parish all of whom are underrepresented in the historical record relating their stories within the context of the history of design and architecture This book is an ideal and concise resource for students and faculty of interior design and women's history

Enter Culture, Exit Arts? Semi Purhonen,Riie Heikkilä,Irmak Karademir Hazir,Tina Lauronen,Carlos J. Fernández Rodríguez,Jukka Gronow,2018-09-26 Key debates of contemporary cultural sociology the rise of the cultural omnivore the fate of classical highbrow culture the popularization commercialization and

globalization of culture deal with temporal changes Yet systematic research about these processes is scarce due to the lack of suitable longitudinal data This book explores these questions through the lens of a crucial institution of cultural mediation the culture sections in quality European newspapers from 1960 to 2010 Starting from the framework of cultural stratification and employing systematic content analysis both quantitative and qualitative of more than 13 000 newspaper articles Enter Culture Exit Arts presents a synthetic yet empirically rich and detailed account of cultural transformation in Europe over the last five decades It shows how classifications and hierarchies of culture have changed in course of the process towards increased cultural heterogeneity Furthermore it conceptualizes the key trends of rising popular culture and declining highbrow arts as two simultaneous processes the one of legitimization of popular culture and the other of popularization of traditional legitimate culture both important for the loosening of the boundary between highbrow and popular Through careful comparative analysis and illustrative snapshots into the specific socio historical contexts in which the newspapers and their representations of culture are embedded in Finland France Spain Sweden Turkey and the UK the book reveals the key patterns and diversity of European variations in the transformation of cultural hierarchies since the 1960s The book is a collective endeavour of a large scale international research project active between 2013 and 2018
