When Faith Catches Fire Samuel Rodriguez, Robert C. Crosby, 2017-06-20 God Loves a Heart on Fire What can move your faith from a principle you learn to a passion you experience According to Samuel Rodriguez and Dr Robert Crosby the answer might be found in a surprising place the Latino church As the fastest growing minority in America Latinos are impacting church culture through vibrant worship fervent prayer and a commitment to change the world one soul at a time As a follower of Jesus has your soul been truly set afire Christian leaders are witnessing a remarkable phenomenon kindled first in the Latino Hispanic community and spreading like wildfire throughout the global church Latinos are much discussed in the United States for their dynamic political and socioeconomic impact but not as much is said about their spiritual influence In reality the effects of the Latino church are more akin to a spiritual awakening

than a mere social trend And there is so much all believers can learn from Latino Christ followers At the core of this dramatic shift is a call to embrace a more soulful passionate faith In this powerful book Christians will gain valuable insights on how to fully experience the joy of God and the passion of His Spirit develop a true sense of unity amidst diversity in the body of Christ make an eternal impact on their families communities and the world Complete with discussion questions for individual reflection or small group use this timely work will challenge the status quo of passionless Christianity and set the believer s soul ablaze When Faith Catches Fire is both an exploration and a celebration of the salsafication of the church God will use it in splendid ways John Ortberg senior pastor and author of All the Places to Go The passionate fire from the heart of this book will serve as a rallying cry to all Latinos and beyond Ronnie Floyd senior pastor past president of the Southern Baptist Convention The One Jesus Loves Robert Crosby,2014-03-25 How close can we get to Jesus How close do you want to get Six circles of relationship formed around Jesus in his time on earth In the outermost circle the Crowds who were curious Next the Five Thousand who were needy while the Seventy worked and served in Jesus ministry then came the Twelve who walked with Jesus the Three who suffered and celebrated with him and finally the One who sat beside him at the Last Supper Jesus closest follower listened more closely than any other and recognized the Savior when no one else did Scripture promises if you move closer to God he will move closer to you Wherever you are in your pursuit of Christ you can draw closer still In The One Jesus Loves you will learn about each of the six circles and what it takes to move further in closer and closer to Jesus Which circle are you in today Jesus is calling you closer After reading The One Jesus Loves you ll not only understand how to deepen your relationship with God by drawing closer into His circle of intimacy you ll also see how becoming a closer follower of Christ can improve every other relationship in your life Mark Batterson author of The Circle Maker and lead pastor of National Community Church This book itself will be a gift to you Robert Crosby has not just studied the costly grace of Jesus he s lived it This grace is a pool of fathomless depths The deeper we go the more healing we find John Ortberg author of Who Is This Man and senior pastor of Menlo Park Presbyterian Church □□ □□□ (Church Shift) □□□ (Sanghoon Lee),2024-04-20 DNA DNA Emerging Ministry Nathan Frambach, Speaks directly to the concerns of twenty first century Christian who feel a disconnect between their Sunday and Monday faith Insights gleaned from emerging church communities Includes a list of additional resources and questions for reflection discussion **AquaChurch 2.0** Leonard Sweet,2010-05-01 We live in a fast paced fluid world A postmodern place where people are drifting making mid course corrections in every aspect of life from careers to relationships to beliefs As church leaders we must continually reshape our ministries to reach a society adrift We must move from being adaptive to being proactive remaining flexible while delivering a uncompromising message AquaChurch 2 0 is a guide for developing responsive and relevant church leadership Fusing Biblical wisdom and modern day insights acclaimed author Leonard Sweet explores the essentials of leadership arts including vision creativity and teamwork This updated and revised edition will enable your ministry to navigate today s

Transform Your Church with Ministry Teams E. Stanley Ott, 2004 The concept of ministry teams is rapidly taking hold in churches but just what are they and how do they work Transform Your Church with Ministry Teams outlines what effective ministry teams look like describes what they can offer local congregations and gives concrete step by step suggestions for making them happen The power of ministry teams lies in their unique capacity to generate genuine Christian fellowship nurture disciples develop leaders and mobilize people for ministry While traditional church leadership organizations concentrate almost exclusively on task policy and program ministry teams are designed to enhance faith development and thus ministry effectiveness E Stanley Ott explores three main areas of ministry team development First he explains the philosophy behind ministry teams and discusses the issues involved in shifting from committee based to team based ministry Second he tells how to begin ministry teams including how to identify team leaders and members and how to determine their roles Third he looks at the details of ministry team life including ways to build team fellowship foster discipleship and communication within teams and accomplish specific ministry tasks Filled with wise time tested advice including four how to appendixes this book will help pastors and lay leaders transform the life of their church or Christian organization *Leading the Team-Based Church* George Cladis, 1999-05-12 A Leadership Network Publication In *Leading the Team Based Church* George Cladis issues a clarioncall for ministry teams to embrace a fresh leadership model that is not based on hierarchy but

on a process of collaboration that mirrors the relationship of Father Son and Holy Spirit. He reminds us that today's cultural environment where authority has basis in trust, innovation reaps rewards and spirituality takes root in life and work has matured past the need for the hierarchy of traditional church leadership where the pastor had the final say. Through down to earth stories from his own experience and those of clergy in both mainline and evangelical churches, Cladis offers an exciting alternative to the traditional forms of church leadership, enabling pastors, congregational leaders and staff to breathe new life into their ministries and unleash the full potential of the entire ministry team. Cladis, pastor of a fast growing mainline congregation, demonstrates how cultural changes affecting all our institutions, not just the church, are making it easier to adopt this new model of leadership. Cladis's practical advice will enable ministry teams to work together in ways that both embody the Christian message and call forth the full creativity and love of the entire team. Just when it seems that all that can be said has been said on the subject of teams, just when one has tired of the gumming of the label team on everything in sight, along comes perhaps the most significant religious book on teams yet published. Cladis juxtaposes the theological and cultural context for team based ministry in a model presentation of what a conversation between Bible theology and culture should look like. Leonard Sweet, dean, The Theological School and vice president, Drew University. **Get Out of That Box!** Anne Bosarge, 2019-01-02. Anne Bosarge helps readers realize personal potential and enhance team collaboration to move ministry forward at the local church. *The Innovation Crisis* Ted Esler, 2021-08-03. If you aren't innovating, stagnation isn't far away. Ministry leaders carry the burden of keeping their organizations lean, focused and relevant. The stakes are especially high for churches and other organizations that fulfill the Great Commission. When souls are on the line, there's no room for bureaucratic bloat or sustaining a cumbersome infrastructure. It's up to the leadership that's you to realize where the organization is in maintenance mode and find ways to innovate, even when the growth curve has slowed and the team has started to grow complacent. Using missions disruptor William Carey as an example, Ted Esler shows how you too can innovate in ways that change the ministry landscape. Esler will help you keep an eye on your ecclesiosystem, the ecclesial ecosystem in which you exist. You'll learn about the four stages of organizational culture: disrupting, innovating, sustaining and stagnating, and gain strategies for staying in that sweet spot where innovations keep coming and stagnation can't take hold. The gospel of Jesus Christ never grows stale. Don't let your ministry ever forget it. Team Success Network: Leadership, Development, Summits, & Discipleship Elijah Stone, 2025-06-25. Book 3 in the Team Success Series. Team Success Network: Leadership, Development, Summits, Discipleship reveals how to multiply Kingdom impact by raising leaders who can sustain and expand the movement. This comprehensive guide presents a revolutionary five part system that transforms isolated churches into collaborative networks of mutual success and spiritual growth. Moving beyond initial team formation, this third volume in the Team Success Series focuses on the critical elements that create lasting transformation: developing visionaries from within existing congregations, establishing training systems that scale across regions and hosting summits that spark genuine inter
