Twentieth Century Janissary An Orphans Search For Freedom:

Twentieth-Century Janissary C. Dionysios Dionou, 2011-03-18 Although not entirely a happy memoir this book looks back on the author's life with a dash of humor. It reminds the author of his mostly painful yet rewarding challenges while growing up and being a Greek orphan. In this book he states that his life had an enormous toll on him leaving deep scars that are difficult to heal. However, this story is not merely about the author's life. It also contains several universal themes about childhood adoption, how to raise children, and more. Touching and enlightening at the same time. Twentieth Century Janissary An Orphan's Search For Freedom Family and Heritage also invites the younger generation of Greeks to cherish their heritage and legacy. This book is available in trade paperback, trade hardback, and eBook formats. For more information, interested parties may log on to www.Xlibris.com. *Adoption, Memory, and Cold War Greece* Gonda Van Steen, 2021-07-12 Reveals the history of how 3,000 Greek children were shipped to the United States for adoption in the postwar period. Voices of the Lost Children of Greece Mary Cardaras, 2023-01-10 Voices of the Lost Children of Greece is a collection of essays from Greek-born adoptees in the 1950s after two consecutive wars that ravaged the country. Never before has this group of adoptees come together to write their stories and share their closely held feelings. While many of the adoptees have similar experiences and while they may share some common thoughts about their adoptions, their stories are vastly different, some harrowing, others remarkable. The collection will illustrate the impact of adoption itself over years, no matter if children were displaced from their parents and country as infants or as youngsters. The book will shed light on adoption from many disciplinary angles, including sociological, psychological, and anthropological. It will also put these adoptions into a larger historical context. The book is further enhanced by Greek-born adoptee, academic poet, and writer Dr. Andrew Mossin, who writes the Foreword, by Dr. Gonda Van Steen, a preeminent modern Greek scholar who pens the first chapter about the history of such adoptions, and in the final chapter by Dr. Eirini Papadaki, who has written extensively about the women of Greece and adoption to bring readers a current assessment of adoption practices in Greece today. From the "terror of the World" to the "sick Man of Europe" Aslı Çırakman, 2002 From the Terror of the World to the Sick Man of Europe sheds new light on the hotly debated issue of Orientalism by looking at the European images of the Ottoman Empire and society over three centuries. Through a careful examination of the European intellectual discourse, this book claims that there was no coherent and constant Europe-wide vision of the Turks until the eighteenth century and clearly demonstrates that the Age of Reason has not rendered reasonable images of the Turks. Indeed, once inspiring awe, the European opinion of Ottomans was held in contempt during this period.

Slaves and Slave Agency in the Ottoman Empire Stephan Conermann, Gül Şen, 2020-05-11 *Slaves and Slave Agency in the Ottoman Empire* offers a new contribution to slavery studies relating to the Ottoman Empire. A closer look at the
