Twice Chosen Story Reunion Redemption:

Twice Chosen Nina Spencer Locke, 2015-12-07 *Twice Chosen* by Nina Locke is a family memoir of being adopted twice first chosen by God and later chosen by adoptive parents Her story reveals how those two acts impacted her life She often wondered Where would I be if a personal God had not revealed Himself to me in His providential ways This powerful memoir weaves excerpts from personal journals and generational stories stretching across three continents *Twice Chosen* is a journey of two searches first to fill Nina s inner emptiness and secondly to find her adopted sister after a separation of fifty years The story continues as Nina encounters life s challenges of loss disappointment and her husband s Alzheimer s **The Redemption of Honor** Jane Quail, 2016-07-22 Miss Dodge flees her uncles desperate efforts to match her with an entirely unacceptable candidate someone who holds his hefty IOUs She is under the false impression that she has a choice in the matter After meeting him she decides it is an impossible hazard she intends to avoid Escaping her sister and aunt join her in flight to the New World America Her sister Rebekah answers a mail order bride ad in the newspaper and they are off to another adventure in Fort Worth Texas The antics of cowboy Ben and Miss Dodge leave both of them wondering about the others sanity She is forced to escape again this time from a large cat which is entirely too close for comfort An accurate last minute shot by Mr Franklin rescued her Ben is glad his brother finds love with Rebekah Dodge but her sister is frustrating always requiring saving from danger No one knows how Miss Dodge finds herself in such threatening troubles can Ben be attracted to this English gal who is feisty confusing and lovable all rolled into one beautiful package How can he not

Hawthorne's Redemption Gary P. Cranford, 2012-10-11 This book serves to feed human nature with both a religious and literary mood It may bring the reader a little closer to an understanding of life s complexities or it may challenge the reader s own philosophical self as he or she discovers the unraveling of Hawthorne s The editor of the book which has been composed from his memory of an unknown student s work claims to have unearthed a rare discovery that may unveil a mystery that has puzzled the best of minds in the literary field for many years In the words of its author his purpose is clear I have thought to publish my interpretations of Hawthorne s novel so that those critics in the field of literature who will may have additional cause for which to expound their intelligence either in trying to better understand this mystery or to salvage the old cherished ambiguities by which the public brain is presently intoxicated If I am correct in only a few of my impressions hopefully the main ones we shall have to reappraise Hawthorne as a literary prophet who hoped for and predicted a future time when mankind would look more favorable upon the creation man Both the author and editor send the reader on a journey into the mind and heart of an American icon which have too long been misunderstood and underappreciated He asks the reader to drink deep from the depths of his or her own intuitive awakenings and encourages each to rediscover the man who created *The Scarlet Letter* In so doing one may see the vexations and conflicts in his own life as a dark necessity to be endured as in the character of his beloved Hester who speaks to the heart of every human and in

behalf of our own human nature

The Banner of Gold, 1893 Wiersbe Bible Commentary

OT Warren W. Wiersbe, 2023-06-09 The Wiersbe Bible Commentary is a must have for believers wanting a deeper and practical resource for studying the Old Testament and includes The complete Old Testament in one volume Genesis to Malachi Section by section commentary Biblical images Book introductions Extended notes References Dr Warren Wiersbe is one of the most beloved Bible teachers with over 40 years of pastoral experience His bestselling Bible commentaries are one of the most trustworthy resources used by pastors Bible teachers and persons interested in knowing more about God's Word

His easy to read and insightful explanations provide a comprehensive understanding of the Bible The Gaithers and Southern Gospel Ryan P. Harper, 2017-04-26 In The Gaithers and Southern Gospel Ryan P Harper examines songwriters Bill and Gloria Gaither's Homecoming video and concert series a gospel music franchise that since its beginning in 1991 has outperformed all Christian and much secular popular music on the American music market The Homecomings represent southern gospel Typically that means a musical style popular among white evangelical Christians in the American South and Midwest and it sometimes overlaps in style theme and audience with country music The Homecomings nostalgic orientation their celebration of traditional kinds of American Christian life harmonize well with southern gospel music past and present But amidst the backward gazes the Homecomings also portend and manifest change The Gaithers deliberate racial integration of their stages their careful articulation of a relatively inclusive evangelical theology and their experiments with an array of musical forms demonstrate that the Homecoming is neither simplistically nostalgic nor solely southern Harper reveals how the Gaithers negotiate a tension between traditional and changing community norms as they seek simultaneously to maintain and expand their audience as well as to initiate and respond to shifts within their fan base Pulling from his field work at Homecoming concerts behind the scenes with the Gaithers and with numerous Homecoming fans Harper reveals the Homecoming world to be a dynamic complicated constellation in the formation of American religious identity

Lateness and Modern European Literature Ben Hutchinson, 2016-09-08 Modern European literature has traditionally been seen as a series of attempts to assert successive styles of writing as new In this groundbreaking study Ben Hutchinson argues that literary modernity can in fact be understood not as that which is new but as that which is late Exploring the ways in which European literature repeatedly defines itself through a sense of senescence or epigonality Hutchinson shows that the shifting manifestations of lateness since romanticism express modernity's continuing quest for legitimacy With reference to a wide range of authors from Mary Shelley Chateaubriand and Immermann via Baudelaire Henry James and Nietzsche to Valery Djuna Barnes and Adorno he combines close readings of canonical texts with historical and theoretical comparisons of numerous national contexts Out of this broad comparative sweep emerges a taxonomy of lateness of the diverse ways in which modern writers can be understood in the words of Nietzsche as creatures facing backwards Ambitious and original Lateness and Modern European Literature offers a significant new model for understanding literary modernity
