Two Powers In Heaven Early Rabbinic Reports About Christianity And Gnosticism:

Two Powers in Heaven Alan F. Segal, 1977 Segal reconstructs the development of the two powers in heaven heresy through prudent dating of the stages of the rabbinic traditions Segal stresses the importance of perceiving the relevance of rabbinic material for solving traditional problems of New Testament and gnostic scholarship and at the same time maintains the necessity of reading those literatures for dating rabbinic material Crossing Boundaries in Early Judaism and Christianity Kimberley Stratton, Andrea Lieber, 2016-10-11 This volume celebrates the scholarship of Alan Segal During his prolific career Alan published ground breaking studies that shifted scholarly conversations about Christianity rabbinic Judaism Hellenism and Gnosticism Like the subjects of his research Alan crossed many boundaries He understood that religions do not operate in academically defined silos but in complex societies populated by complicated human beings Alan s work engaged with a variety of social scientific theories that illuminated ancient sources and enabled him to reveal new angles on familiar material This interdisciplinary approach enabled Alan to propose often controversial theories about Jewish and Christian origins A new generation of scholars has been nurtured on this approach and the fields of early Judaism and Christianity emerge radically redefined as a result The Rediscovery of Gnosticism Bentley Layton, 1980 **Nag Hammadi, Gnosticism, and Early Christianity** Charles W.
