

Two Weeks in the Midday Sun

A Cannes Notebook

ROGER EBERT

With a New Foreword by

MARTIN SCORSESE

*"Sharp, wry, and—for this Cannes veteran—right on the mark."
NEW YORK TIMES*

Two Weeks In Midday Sun A Cannes Notebook

Roger Ebert

Two Weeks In Midday Sun A Cannes Notebook:

Two Weeks in the Midday Sun Roger Ebert, 2016-04-06 A paragon of cinema criticism for decades Roger Ebert with his humor sagacity and no nonsense thumb achieved a renown unlikely ever to be equaled His tireless commentary has been greatly missed since his death but thankfully in addition to his mountains of daily reviews Ebert also left behind a legacy of lyrical long form writing And with *Two Weeks in the Midday Sun* we get a glimpse not only into Ebert the man but also behind the scenes of one of the most glamorous and peculiar of cinematic rituals the Cannes Film Festival More about people than movies this book is an intimate quirky and witty account of the parade of personalities attending the 1987 festival Ebert's twelfth and the fortieth anniversary of the event A wonderful raconteur with an excellent sense of pacing Ebert presents lighthearted ruminations on his daily routine and computer troubles alongside more serious reflection on directors such as Fellini and Coppola screenwriters like Charles Bukowski actors such as Isabella Rossellini and John Malkovich the very American press agent and social maverick Billy Silver Dollar Baxter and the stylishly plunging necklines of yore He also comments on the trajectory of the festival itself and the enormous happiness of sitting anonymous and quiet in an ordinary French caf And of course he talks movies Illustrated with Ebert's charming sketches of the festival and featuring both a new foreword by Martin Scorsese and a new postscript by Ebert about an eventful 1997 dinner with Scorsese at Cannes *Two Weeks in the Midday Sun* is a small treasure a window onto the mind of this connoisseur of criticism and satire a man always so funny so un phony so completely unabashedly himself

Hollywood in Cannes Christian Jungen, 2025-10-01 Conjuring up all the glamour of the event Jungen recounts the history of the Cannes Film Festival from an American perspective surveying the complex interplay of talent money and corporate clout He traces the growing influence of the Hollywood studios on the festival's rise to the key film event Case studies of film including *The Birds* *Easy Rider* and *The Da Vinci Code* and of the creation of stars such as Arnold Schwarzenegger and Sharon Stone profit from the author's experience of visiting the Cannes Film Festival over more than twelve years The translation of this work was funded by Geisteswissenschaften International Translation Funding for Work in the Humanities and Social Sciences for Germany a joint initiative of the Fritz Thyssen Foundation the German Federal Foreign Office the collection society VG Wort and the Boersenverein des Deutschen Buchhandels German Publishers Booksellers Association

Film Festivals Cindy Hing-Yuk Wong, 2011-08-29 Movies stars auteurs critics and the sheer excitement of cinema come together in film festivals as quintessential constellations of art business and glamour Yet how well do we actually understand the forces and meanings that these events embody *Film Festivals* offers the first comprehensive overview of the history people films and multiple functions of the festival world From Sundance to Hong Kong from the glitter of Cannes to edgier festivals that challenge boundaries or foster LGBTQ cultural production film festivals celebrate art promote business bring cinema to diverse audiences and raise key issues about how we see our world Cindy Hing Yuk Wong situates festivals within changing global practices of film including their important ties

to both Hollywood and independent cinema She explores how these events have become central in the construction of cinema knowledge as well as the behind the scene mechanics of finance distribution and evaluation By linking general structures and connections to specific films and auteurs Wong addresses the components and creation of film festivals that continue to reshape filmmaking as art and business

Movie Blockbusters Julian Stringer, 2013-10-18 Big budget spectacular films designed to appeal to a mass audience is this what or all blockbusters are Movie Blockbusters brings together writings from key film scholars including Douglas Gomery Peter Kramer Jon Lewis and Steve Neale to address the work of notable blockbuster auteurs such as Steven Spielberg and James Cameron discuss key movies such as Star Wars and Titanic and consider the context in which blockbusters are produced and consumed including what the rise of the blockbuster says about the Hollywood film industry how blockbusters are marketed and exhibited and who goes to see them The book also considers the movie scene outside Hollywood discussing blockbusters made in Bollywood China South Korea New Zealand and Argentina

Rule of Thumb Todd Rendleman, 2012-04-12 The book analyzes the style and influence of Roger Ebert's film criticism and aesthetics

Harry Alan Towers Dave Mann, 2014-10-21 Harry Alan Towers reputation rests upon a corpus of 95 low budget productions shot post haste in every corner of the globe He took an integral part however in the development of the protocols that now underpin much transnational film production and he must be regarded as a pioneer Towers slash and burn strategy focused on parasitic back to back productions funded by rights bundles that were pre sold globally This strategy was substantially derived from his early days in broadcasting wherein he acted as a go between in the American and the British Commonwealth markets Though he became adept at procuring funds from pariah regimes and black market economies primarily he continued to act as a broker bringing together American equity investment and European finance under the auspices of EC co production agreements He was also quick to exploit the burgeoning niche markets becoming available in the wake of technological developments and government initiatives

American Twilight Kristopher Woofert, Will Dodson, 2021-06-01 Tobe Hooper's productions which often trespassed upon the safety of the family unit cast a critical eye toward an America in crisis Often dismissed by scholars and critics as a one hit wonder thanks to his 1974 horror classic The Texas Chain Saw Massacre Hooper nevertheless was instrumental in the development of a robust and deeply political horror genre from the 1960s until his death in 2017 In American Twilight the authors assert that the director was an auteur whose works featured complex monsters and disrupted America's sacrosanct perceptions of prosperity and domestic security American Twilight focuses on the skepticism toward American institutions and media and the articulation of uncanny spaces so integral to Hooper's vast array of feature and documentary films made for television movies television episodes and music videos From Egg Shells 1969 to Poltergeist 1982 Djinn 2013 and even Billy Idol's music video for Dancing with Myself 1985 Tobe Hooper provided a singular directorial vision that investigated masculine anxiety and subverted the idea of American exceptionalism

Film Quarterly Summer 2014 B. Ruby Rich, 2014-08-26 Film Quarterly

has published substantial peer reviewed writing on cinema and media for nearly sixty years earning a reputation as the most authoritative academic film journal in the United States as well as an important English language voice of cinema studies abroad Citizen Sarris, American Film Critic Emanuel Levy,2001 This collection of essays pays tribute to Andrew Sarris the most influential film critic in American film history A noted film personality Sarris occupies a unique position walking the line between popular journalism and more academic scholarship He began his career in the 1950s with a passion for film and an eloquent style of prose that led him to become a prominent voice in the film world As a writer and editor for the Village Voice at its prime Sarris reached and educated a whole generation of readers and became respected by academics and critics all over the world The thirty eight essays assembled here and arranged according to major themes demonstrate the amazing impact Sarris has had on every aspect of the film world fellow critics filmmakers readers and American popular culture Contributors include noted critics Leonard Maltin and Molly Haskell film scholars David Bordwell and James Naremore and directors Martin Scorsese Robert Benton and John Sayles **Superman vs. Hollywood** Jake Rossen,Mark Millar,2008-02-01 Superman has fought for nearly seven decades to conquer radio television and film but his battles behind the scenes have proved a far greater threat than any fictional foe For the first time one book unearths all the details of his turbulent adventures in Tinseltown Based on extensive interviews with producers screenwriters cast members and crew Superman vs Hollywood spills the beans on Marlon Brando s eccentricities the challenges of making Superman appear to fly the casting process that at various points had Superman being played by Sylvester Stallone Neil Diamond Nicolas Cage Ashton Kutcher and even Muhammad Ali and the Superman movies fashioned by such maverick filmmakers as Kevin Smith and Tim Burton that never made it to the screen
