U is for Undertow Sue Grafton, 2009-12-01 Sue Grafton takes the mystery genre to new heights with this twisting complex 1 New York Times bestseller that draws private investigator Kinsey Millhone into a case shrouded in the sins of the past Looking solemn Michael Sutton arrives in Kinsey Millhone's office with a story to tell When he was six he says he wandered into the woods and saw two men digging a hole They claimed they were pirates looking for buried treasure Now all these years later the long forgotten events have come back to him and he has pieced them together with news reports from the time becoming convinced that he witnesses the burial of a kidnapped child Kinsey has nearly nothing to go on Sutton doesn't even know where he was that day and she soon discovers he has a history of what might generously be called an active imagination Despite her doubts Kinsey sets out to track down the so called burial site And what's found there pulls her into a hidden current of deceit stretching back more than twenty years

U is for Undertow Sue Grafton, JUDY KAYE, 2009 Hired by a preppy college dropout to discern the fate of a four year old who disappeared more than twenty years earlier Kinsey Millhone investigates the young man's sketchy memories about a burial scene he believes he discovered at the age of six

Workings of the Mind IV Some Contemporaries P D James The Empress s New Clothes Ruth Rendell The Psychology of Murder Sue Grafton Hard Boiled Female "I" is for Innocent Sue Grafton,1992-05-15 Readers of Sue Grafton s fiction know she never writes the same book twice and I Is For Innocent is no exception Her most intricately plotted novel to date it is layered in enough complexity to baffle even the cleverest among us Lonnie Kingman is in a bind He s smack in the middle of assembling a civil suit and the private investigator who was doing his pretrial legwork has just dropped dead of a heart attack In a matter of weeks the court s statute of limitations will put paid to his case Five years ago David Barney walked when a jury acquitted him of the murder of his rich wife Isabelle Now Kingman acting as attorney for the dead woman s ex husband and their child and sure that the jury made a serious mistake is trying to divest David Barney of the profits of that murder But time is running out and David Barney still swears he s innocent Patterned along the lines of a legal case I Is For Innocent is seamlessly divided into thirds one third of the novel is devoted to the prosecution one third to the defense and a final third to cross examination and rebuttal The result is a trial novel without a trial and a crime novel that resists solution right to the end When Kinsey Millhone agrees to take over Morley Shine s investigation she thinks it is a simple matter of tying up the loose ends Morley might have been careless about his health but he was an old pro at the business So it comes as a real shock when she finds his files in disarray his key informant less than credible and his witnesses denying ever having spoken with him It comes as a bigger shock when she finds that every claim David Barney has made checks out But if Barney didn t murder his wife who did It would seem the list of candidates is a long one In life Isabelle Barney had stepped on a lot of toes In I Is For Innocent Sue Grafton once again demonstrates her mastery of those telling details that reveal our most intimate and conflicted relationships As Kinsey comments on the give and take by which we humans deal with each other for better and sometimes for worse the reader is struck yet again by how acute a social observer Ms Grafton can be Frequently funny and sometimes caustic she is also surprisingly compassionate understanding how little in life is purely black and white Except for murder Somewhere out there a killer waits to see just what Kinsey will find out Somewhere out there someone s been getting away with murder and this time it just might turn out to be Kinsey s I Is For Innocent is Sue Grafton in peak form Fast paced Funny And very very devious A Is for Alibi B Is for Burglar C Is for Corpse D Is for Deadbeat E Is for Evidence F Is for Fugitive G Is for Gumshoe H Is for Homicide I Is for Innocent J Is for Judgment K Is for Killer L is for Lawless M Is for Malice N Is for Noose O Is for Outlaw P Is for Peril Q Is for Quarry R Is for Ricochet S Is for Silence T Is for Trespass U Is for Undertow V Is for Vengeance W Is for Wasted X

W is for Wasted Sue Grafton,2013-09-10 Private investigator Kinsey Millhone finds shocking connections between two seemingly unrelated deaths in this 1 New York Times bestselling mystery in the Alphabet series The first victim is a local PI of suspect reputation gunned down near the beach at Santa Teresa The second is a John Doe

found on the beach six weeks later with a slip of paper with private detective Kinsey Millhone's name and number in his pocket. Two seemingly unrelated deaths: one man murdered, the other apparently dead of natural causes. But as Kinsey digs deeper into the mystery of the John Doe, some very strange links begin to emerge. Not just between the two victims but also to Kinsey's past. And before long, Kinsey, through no fault of her own, is thoroughly compromised.
