Robert,2015-03-15 Ramadan the month of fasting doesn t begin all at once It begins with a whisper And a prayer And a wish Muslims all over the world celebrate Ramadan and the joyful days of Eid ul Fitr at the end of the month of fasting as the most special time of year This lyrical and inspiring picture book captures the wonder and joy of this great annual event from the perspective of a child Accompanied by Iranian inspired illustrations the story follows the waxing of the moon from the first new crescent to full moon and waning until Eid is heralded by the first sighting of the second new moon Written and illustrated by Muslims this is a book for all children who celebrate Ramadan and those in the wider communities who want to understand why this is such a special experience for Muslims Kaleidoscope John S. Bohne,2011-01-31 This is the world s most unusual book No one has ever written anything like it before Why is it so unusual Because it deals with the phantasmogoria of the flux the Kaleidoscope the ghostly procession of change on the earth plane Yet only a born writer and a Christian Yogi can present it in a clear knowledge despite it being full of complexities only 3 such yogis in this world To capture it in concepts it takes three viewpoints amazing story poems strange short stories and rare Satori Sayings This is the structure of the book IT IS OF THE UTMOST IMPORTANCE TO OVERCOME THE PHYSICAL The earth plane has three plateaus of existence The book has to transcend them Body mind and spirit The poems deal with the physical where most people spend their lives The stories move up to the

mental plateau Where many manage to function for a time Finally there is the spiritual plateau where few ever go the churches function on the mental level only Yoga means union with God Even most of the yogis fail to get up on the third level of spirit The Satori Sayings can change lives They are spiritual wisdom revelations The author has always wanted to be an angel In the most part he has lived accordingly He receives inspirations down from the Blue Satori is spiritual enlightenment He is a God lover and a God follower in life A Yogi This book is his fourth and perhaps final one a special style was needed for this book to make the complex simple Being a newspaperman and editor was partial to the laconic style of Hemingway to gain high suspense clarity and powerful delightful reading Childrens' Catalog H.W.
