Womens Leadership In Marginal Religions Explorations Outside The Mainstream:

Women's Leadership in Marginal Religions Catherine Wessinger,1993 Women s leadership in Spiritualism and Christian Science Ann Braude The feminism of Universal Brotherhood women in the Theosophical Movement Robert Ellwood and Catherine Wessinger Emma Curtis Hopkins a feminist of the 1880 s and mother of new thought J Gordon Melton Myrtle Fillmore and her daughters an observation and analysis of the role of women in Unity Dell deChant Woman guru woman roshi the legitimation of female religious leadership in Hindu and Buddhist groups in America Catherine Wessinger Part 3 Contemporary women as creators of religion Ritual validations of clergywomen s authority in the African American Spiritual churches of New Orleans David C Estes Twentieth century women s religion as seen in the feminist spirit **Women's**

Leadership in Marginal Religions Catherine Wessinger,1993 Women s leadership in Spiritualism and Christian Science Ann Braude The feminism of Universal Brotherhood women in the Theosophical Movement Robert Ellwood and Catherine Wessinger Emma Curtis Hopkins a feminist of the 1880 s and mother of new thought J Gordon Melton Myrtle Fillmore and her daughters an observation and analysis of the role of women in Unity Dell deChant Woman guru woman roshi the legitimation of female religious leadership in Hindu and Buddhist groups in America Catherine Wessinger Part 3 Contemporary women as creators of religion Ritual validations of clergywomen s authority in the African American Spiritual churches of New Orleans David C Estes Twentieth century women s religion as seen in the feminist spirit **Theory of**

Women in Religions Catherine Wessinger,2020-12-01 An introduction to the study of women in diverse religious cultures While women have made gains in equality over the past two centuries equality for women in many religious traditions remains contested throughout the world In the Roman Catholic Church and the Church of Jesus Christ of Latter day Saints women are not ordained as priests In areas of Pakistan and Afghanistan under Taliban occupation girls and women students and their teachers risk their lives to go to school And in Sri Lanka fully ordained Buddhist nuns are denied the government identity cards that recognize them as citizens Is it possible to create families societies and religions in which women and men are equal And if so what are the factors that promote equality Theory of Women in Religions offers an economic model to shed light on the forces that have impacted the respective statuses of women and men from the earliest developmental stages of society through the present day Catherine Wessinger integrates data and theories from anthropology archaeology sociology history gender studies and psychology into a concise history of religions introduction to the complex relationship between gender and religion She argues that socio economic factors that support specific gender roles in conjunction with religious norms and ideals have created a gendered division of labor that both directly and indirectly reinforces gender inequality Yet she also highlights how as the socio economic situation is changing religion is being utilized to support the transition toward women s equality noting the ways in which many religious representations of gender change over time

Canadian Women Shaping Diasporic Religious Identities Becky R. Lee,Terry Tak-ling Woo,2016-01-01 This collection of

essays explores how women from a variety of religious and cultural communities have contributed to the richly textured pluralistic society of Canada Focusing on women s religiosity it examines the ways in which they have carried and conserved and brought forward and transformed their cultures old and new in modern Canada Each essay explores the ways in which the religiosities of women serve as locations for both the assertion and the refashioning of individual and communal identity in transcultural contexts Three shared assumptions guide these essays religion plays a dynamic role in the shaping and reshaping of social cultures women are active participants in their transmission and their transformation and a focus on women s activities within their religious traditions often informal and unofficial provides new perspectives on the intersection of religion gender and transnationalism Since the first European migrations Canada has been shaped by immigrant communities as they negotiated the tension between preserving their religious and cultural traditions and embracing the new opportunities in their adopted homeland Viewing those interactions through the lens of women s religiosity the essays in this collection model an innovative approach and provide new perspectives for students and researchers of Canadian Studies Religious Studies and Women s Studies

Figuring Religions Shubha Pathak,2013-04-02 Figuring Religions offers new ways of comparing prominent features of the world s religions Comparison has been at the heart of religious studies as a modern academic discipline but comparison can be problematic Scholars of religion have been faulted for ignoring or reinterpreting differences to create a universal paradigm In reaction many of today s scholars have placed chief emphasis on the differences between traditions Seeking to reinvigorate comparison and avoid its excesses contributors to this volume use theories of metaphor and metonymy from the fields of philosophy linguistics and anthropology to look at religious ideas images and activities Traditions considered include Hinduism ancient Greek religions Judaism Buddhism Daoism Confucianism Christianity and Islam By applying trope theories contributors reveal elements of these religions in and across their cultural contexts

The Announcement Michael J. Gajda,2014-02 You drive down a road for the hundredth time and notice a house you ve never noticed before You look at a picture and never saw that green spot before You pick veggies or fruit and think you ve cleared the area then go back and see all the ones you missed It s all in your point of view There s a new perspective a different angle and you see things differently and that s where the Announcement comes in It provides that different point of view that new perspective that different angle and does so with a purpose It s for anyone who would like to see the world be a better place but will challenge your ideas of what better is and when you re done and have had a chance to absorb the Announcement think of others who would hate this book Then give it to them and cajole bribe beg or whatever you have to do to get them to read it because they are the ones who desperately need it Bill Sturk artist and musician

Re-Membering and Re-Imagining Nancy J. Berneking,Pamela Carter Joern,2009-06-01 The most controversial ecumenical church event in decades the first Re Imagining Conference shook the foundations of mainline Protestantism In this anthology of ninety five articles reflections letters poetry and artwork participants in the conference

offer a candid inside look at what actually occurred in Minneapolis and at the aftershocks that followed Amid the cacophonous rumors hearsay and ideological clashes that continue to stalk Re Imagining the clear voices in this remarkable volume reveal fresh ways of understanding faith God and community They speak to the church today and to the church of tomorrow

New Religious Movements and Religious Liberty in America Derek Davis, Barry Hankins, 2003 New nontraditional religious movements are the most likely groups to offend mainstream culture and the least likely to have representatives in government to ensure that their liberty is protected These new religious movements are sometimes ostracized and subject to various forms of discrimination As America becomes increasingly pluralistic with more and more groups contributing to the nation s religious mosaic new religious movements may well play an increasing role in the course of religious liberty in America just as groups such as the Jehovah s Witnesses did formerly This book explores the problems and possibilities posed by new religious movements for religious liberty in America

Alternative American Religions Stephen J. Stein, 2003-04-24 Alternative religious groups have had a profound influence on American history they have challenged the old and opened up new ways of thinking about healing modes of meaning religious texts and liturgies the social and political order and the relationships between religion and race class gender and region Virtually always the dramatic dynamic history of alternative religions runs parallel to that of dissent in America Communities of Dissent is an evenhanded and marvelously lively history of New Religious Movements in America Stephen J Stein describes the evolution and structure of alternative religious movements from both sides the critics and the religious dissenters themselves Providing a fascinating look at a wide range of New Religious Movements he investigates obscure groups such as the 19th century Vermont Pilgrims who wore bearskins and refused to bathe or cut their hair alongside better known alternative believers including colonial America s largest outsider faith the Quakers 17th and 18th century Mennonites Amish and Shakers and the Christian Scientists Jehovah s Witnesses Black Muslims and Scientologists of today Accessible and comprehensive Communities of Dissent also covers the milestones in the history of alternative American religions from the infamous Salem witch trials and mass suicide murder at Jonestown to the positive ways in which alternative religions have affected racial relations the empowerment of women and American culture in general

Who Healeth All Thy Diseases Michael S. Stephens, 2008-07-07 Who Healeth All Thy Diseases is a history of divine healing and 19th century health reform in the Church of God one of the earliest and most influential pre Pentecostal radical holiness movements The Church of God taught that Wesleyan entire sanctification was creating a visible unity of saints that restored the New Testament church of the apostles As the movement grew and experimented with the implications of visible sainthood physical healing miraculous divine healing and the physical perfectionism of health reform became integral to the life and theology of the Church of God shaping everything from proof of membership and evidence of ministerial authority to childrearing practices and acceptable clothing styles Physical healing manifested and embodied the movement s claim that God was healing the universal church

the Body of Christ by cleansing individuals from the corruption of inbred sin By 1902 the prevailing opinion in the Church said that divine healing was an essential aspect of the gospel use of medicine was sinful and every minister had to exhibit the gifts of healing In the early 20th century the Church's theology and practices of healing became increasingly problematic Tragic failures of divine healing epidemics medical advances court trials mandatory inoculations of schoolchildren and general opprobrium combined to prevent a simplistic equation of the Church of God and the church of the apostles By 1925 the Church had reversed its radical anti medicine doctrines Church members continued to affirm that Jesus answered prayers for healing but they no longer claimed to know exactly how he would answer prayers With that loss of certainty healing lost its power to serve as evidence of holiness and its central place in the history of the Church of God

Delve into the emotional tapestry woven by in Experience **Womens Leadership In Marginal Religions Explorations Outside The Mainstream** . This ebook, available for download in a PDF format (PDF Size: *), is more than just words on a page; itis a journey of connection and profound emotion.
