Word Biblical Commentary Vol 1 Genesis 1 15:

Genesis 1-15, Volume 1 Gordon John Wenham, 2017-10-10 The Word Biblical Commentary delivers the best in biblical scholarship from the leading scholars of our day who share a commitment to Scripture as divine revelation. This series emphasizes a thorough analysis of textual, linguistic, structural, and theological evidence. The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology. These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor, the seminary or university student, the working minister, and everyone concerned with building theological understanding from a solid base of biblical scholarship.

Overview of Commentary Organization Introduction covers issues pertaining to the whole book including context, date, authorship, composition, interpretive issues, purpose, and theology. Each section of the commentary includes Pericope Bibliography, a helpful resource containing the most important works that pertain to each particular pericope. Translation: the author's own translation of the biblical text reflecting the end result of exegesis and attending to Hebrew and Greek idiomatic usage of words, phrases, and tenses yet in reasonably good English. Notes: the author's notes to the translation that address any textual variants, grammatical forms, syntactical constructions, basic meanings of words, and problems of translation. Form/Structure: Setting a discussion of redaction, genre, sources, and tradition as they concern the origin of the pericope, its canonical form, and its relation to the biblical and extra-biblical contexts in order to illuminate the structure and character of the pericope. Rhetorical or compositional features important to understanding the passage are also introduced here. Comment: verse-by-verse interpretation of the text and dialogue with other interpreters, engaging with current opinion and scholarly research. Explanation: brings together all the results of the discussion in previous sections to expose the meaning and intention of the text at several levels: 1. within the context of the book itself; 2. its meaning in the OT or NT; 3. its place in the entire canon; 4. theological relevance to broader OT or NT issues. General Bibliography: occurring at the end of each volume, this extensive bibliography contains all sources used anywhere in the commentary.

Creation, Catastrophe & Calvary John Templeton Baldwin, 2000 In this scientific age, what difference does it make whether I believe the world was created in six literal days and that the world was destroyed by a global flood? In answering these questions, *Creation, Catastrophe and Calvary* shows how these beliefs are related to key issues such as the forgiveness of our sins and Sabbath observance.

Word Biblical Commentary Gordon J. Wenham, 1987 Salvation History Sungku Kang, 2018-11-15 Salvation history can be thought of as twofold: one is that God Himself personally takes action, and the other is that God has humans act. An

example of the latter is Exodus in which God had Moses lead the Israelites from Egypt to Canaan The skin garment that God made with slain animals for the fallen Adam is an example of the former Adam's fall is the very starting point of God's saving acts in human history In His saving acts God utilized his sin as the means of salvation However God's plan on saving human beings began far ahead of the creation of Adam for omniscient God already knew of Adam's fall before the world had begun As Apostle Peter confirms God's will to save lost sinners was planned from the very beginning and Jesus Christ was chosen before the creation of the world as our Savior In His saving plan Almighty God reversed all the negatives that would arise from Adam's fall into positives triumphing over them by the cross We need to be clothed in the robe of righteousness the garments of salvation through Jesus Christ The fig leaf coverings sewn by human efforts cannot cover our nakedness In essence the grace of salvation originates from God not from fallible humans Current human history has been heading towards a thorough restoration of God's image When the full and perfect restoration of God's image is accomplished salvation history will finally be complete Although heavily infected by sin we have constantly been advancing towards the perfect restoration of God's image and likeness When Jesus Christ returns to us our defiled image of God will be transformed into His perfect likeness On the day when He appears as Apostle John says we shall be like Him That day will be the very end of human history On that very day at long last God's redemptive plan will be completed NIV, Storyline Bible Zondervan, 2019-04-09 A Study Bible that Weaves God's Story Together for an Unraveling World Journey through the interwoven story of the gospel from Genesis to Revelation The NIV Storyline Bible features over 380 articles paired with book introductions that illuminate the interconnected nature of God's inspired Word The content adapted from BibleMesh.com explores major events key characters and the theology of the Bible over seven historical eras Creation Patriarchs Moses Israel After Exile Jesus The Church Book introductions provide a Storyline perspective on how each book relates to the rest of the Bible Over 200 major articles about theological principles characters of the Bible the political and cultural influences on the people of Israel and the Bible's major events Over 180 smaller articles address the same topics as the major articles using an applicational perspective Topical feature indexes Full text of the accurate readable and clear NIV translation Beautiful full color page design Over 200 full color photos graphs and charts Exclusive Zondervan NIV Comfort Print typeface **Ugarit-Forschungen 48 (2017)** Manfred Dietrich, Wilfried Watson, Nicolas Wyatt, 2019-04-01

Christian adult learning in higher education **"Come Out My People!"** Wes Howard-Brook, 2010 A compelling view of two competing religious visions one of creation and the other of empire that run throughout the Bible A remarkable offering for those who care about the interface of power and faith with all the threats and seductions that go with it As I read I felt overwhelmed both by the mass of data and by the cunning of interpretation I could not put it down and expect to continue to be instructed by it Walter Brueggemann Howard Brook undertakes what few dare anymore an introductory primer for the whole Bible This book invites disciples to connect the dots in order to recover our ancient anti imperial identity and to embrace a radical faith and practice that are personal and politica Ched Myers Howard Brook illuminates how ancient empires exercised control and manipulation of people not simply by political and military means but also through the religion of empire Throughout he makes clear that the core message of the God of creation is to call people out of empire to refuse to cooperate with the forces of destruction and domination today Richard Horsley Will become a classic for communities that seek first to receive the gracious gift of God s alternative future to Empire Jarrod McKenna If we who sojourn in America are to be a community that can both name and resist the lure of Empire we need a story more powerful than the story called America Wes Howard Brook knows than the Bible tells such a story May its story be ours as we re set free from our imperial imaginations to dream with our Creator of a new world here and now Jonathan Wilson Hartgrove The Message of Love: Understanding Sin and the Law Oddeth S. Burton, 2011-12-14 The book seeks to explore what is sin and the law It explains how the law was broken by Adam and had to be codified in the form of the Ten Commandments It started with sin in the angelic realm and then mankind It also explores man solution in the person of Jesus Christ and demonstrate God s love for mankind in the codified message of the Gospel of the Kingdom of God **The Spiritual Condition of Infants** Adam Harwood, 2011-03-15 What is the spiritual condition of infants According to the Augustinian Calvinist view all people inherit from the first Adam both a sinful nature and his guilt The result is that all infants are subject to the judgment of God against their nature before they knowingly commit any sinful actions But is this the clear teaching of Scripture In The Spiritual Condition of Infants Adam Harwood examines ten relevant biblical texts and the writings of sixteen theologians in order to clarify the spiritual condition of infants Although no passage explicitly states the spiritual condition of infants each text makes contributions by addressing the doctrines of man sin the church and salvation If this biblical historical analysis exposes the traditional Augustinian Calvinist view to be inadequate then is it possible to construct an alternate view of the spiritual condition of infants Such a view should remain faithful to the biblical emphasis on humankind s connection to Adam and his sin but also recognize the guilt and condemnation of an individual only in the manner and time that God does in Scripture That is the aim of this book
