Words Of Power Quest Guide:

Words of Power Quest Cozy,2018-03-23 What was the best way to teach others What could I have done better How should I proceed with teaching people My answer was write a story But it cant be a simple boring tale that can be finished selfishly without interacting with anyone else There must be a better way I thought And it hit me Actors in a script take turns to read their lines and readers can take turns role playing my characters Ergo writing in a script like format could spawn a new social activity altogether even if it costs me sales But that too is alright I do not write because I need the income I write with these incapable hands of mine because the stories deserve every opportunity to exist **The Elder Scrolls V: Skyrim**
