Understanding Peace Cultures Peace Education:

Understanding Peace Cultures Rebecca L. Oxford, 2014-03-01 Understanding Peace Cultures is exceptionally practical as well as theoretically grounded As Elise Boulding tells us culture consists of the shared values ideas practices and artifacts of a group united by a common history Rebecca Oxford explains that peace cultures are cultures large or small which foster any of the dimensions of peace inner interpersonal intergroup international intercultural or ecological and thus help transform the world As in her earlier book *The Language of Peace Communicating to Create Harmony* Oxford contends here that peace is a serious and desirable option Excellent educators help build peace cultures In this book Shelley Wong and Rachel Grant reveal how highly diverse public school classrooms serve as peace cultures using activities and themes founded on womanist and critical race theories Yingji Wang portrays a peace culture in a university classroom Rui Ma's model reaches out interculturally to Abraham's children Jewish Christian and Muslim youth who share an ancient heritage Children's literature Rebecca Oxford et al and students own writing Tina Wei spread cultures of peace Deep traditions such as African performance art Buddhism Daoism Confucianism and Islam give rise to peace cultures as shown here by John Grayzel Sister Jewel a colleague of Thich Nhat Hanh Yingji Wang et al and Dian Marissa et al Peace cultures also emerge in completely unexpected venues such as gangsta rap unveiled by Charles Blake et al and a prison where inmates learn Lois Liggett's spiritual semantics Finally the book includes perspectives from Jerusalem by Lawrence Berlin and North Korea and South Korea by Carol Griffiths to help us envision and hope for new transformative peace cultures where now there is strife

Handbook on Peace Education Gavriel Salomon, Ed Cairns, 2011-02-25 This handbook encompasses a range of disciplines that underlie the field of peace education and provides the rationales for the ways it is actually carried out The discipline is a composite of contributions from a variety of disciplines ranging from social psychology to philosophy and from communication to political science That is peace education is an applied subject which is practiced in differing ways but must always be firmly based on a range of established empirical disciplines The volume is structured around contributions from expert scholars in various fields that underpin peace education plus contributions from experts in applying peace education in a range of settings all complemented by chapters which deal with issues related to research and evaluation of peace education *Peace Education, 3d ed.* Ian M. Harris, Mary Lee Morrison, 2012-12-13 Now in its third edition Peace Education provides a comprehensive approach to educating for a just and sustainable future It begins with religious and historical trends that have molded our understanding of peace and then presents a variety of ways to practice peace education in schools and communities and explains how it can motivate students The teaching and practice of peace education provides a basis of valuable knowledge about resolving conflicts and transforming violence without the use of force Instructors considering this book for use in a course may request an examination copy here *Peace Education, Religious Discourse, and Scientific Enquiry* Jarosław Michalski, Monika Wolińska, 2024-12-03 Empowering educators and policymakers to effect

positive change in their communities this book critically examines how sustained dialogue and cooperation between scientific inquiry and religious discourse can contribute to the fostering of successful peace education initiatives Providing an overview of the historical and cultural context of peace education in Eastern Europe the chapters look initially at the theoretical foundations emphasising the need for empathy internal peace and traditional values Featuring contributions from the United States Germany Italy Slovakia Turkey and Poland subsequent sections outline ethical moral and religious dimensions to inform effective peace education strategies along with a discussion on how they can be harmonised with secular approaches to provide a holistic framework for peace education Case studies and practical applications follow ranging from Maria Montessori s educational approach to the role of social media and sustainability in peace education providing readers with a comprehensive understanding of how different perspectives can inform effective peace education strategies With implications and take aways for educators and researchers looking to foster a culture of peace and non violence this book will be of interest to scholars policymakers postgraduate students and curriculum designers in the fields of peace education values education conflict resolution and social cohesion more broadly Those working in peacebuilding organisations and NGOs more widely may also benefit from the chapters The Open Access version of this book available at www.taylorfrancis.com has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license
