Understanding The Agile Manifesto A Brief Bold Guide To Agile:

Understanding the Agile Manifesto Larry Apke, 2015-08-10 Agile is one of the most popular software development methodologies used by organizations all over the world. It is characterized by adaptability, flexibility, and self-organization, but what does it mean to truly be Agile instead of just doing Agile? This book offers in-depth commentary and explanations on the Agile methodology's foundation, the Agile Manifesto. Larry Apke, a seasoned Agile coach, uses his own experiences to provide a clear, understandable path to implementing and succeeding with Agile for organizations and individuals. **Agile**

Approaches for Successfully Managing and Executing Projects in the Fourth Industrial Revolution Bolat, Hür Bersam, Temur, Gül Tekin, 2019-03-15 Communication between man and machine is vital to completing projects in the current day and age. Without this constant connectiveness, as we enter an era of big data, project completion will result in utter failure. Agile Approaches for Successfully Managing and Executing Projects in the Fourth Industrial Revolution addresses changes wrought by Industry 4.0 and its effects on project management, as well as adaptations and adjustments that will need to be made within project life cycles and project risk management. Highlighting such topics as agile planning, cloud projects, and organization structure, it is designed for project managers, executive management, students, and academicians.

Courseware for IPMA Individual Certification based on Project Management by ICB4 Bert Hedeman, Roel Riepma, 2024-09-23 This Courseware for IPMA Individual Certification contains the slides for the various IPMA training courses. It includes slides for all the learning objectives as described in the textbook *Project Management by ICB4* and the Preparation Guide for IPMA Individual Certification. It follows the same structure as this textbook and preparation guide. Each IPMA Member Association independently determines which learning objectives are required at the different IPMA levels. Custom slide decks are available online on request. These will then correspond to the learning objectives they set per level. It is recommended that the courseware be combined with the textbook and preparation guide. This provides optimal preparation for the exams. The slides provide an ideal overview of the characteristics and essence of each learning objective. This courseware contains about 430 informative slides for all levels. An extensive team of IPMA trainers and project managers has reviewed these slides. We wish you every success in your projects and in preparing for your exam. Preparation Guide for IPMA Individual Certification Bert Hedeman, Roel Riepma, 2024-09-23 Preparation Guide for IPMA Individual Certification Based on Project Management by ICB4. This Preparation Guide for IPMA Individual Certification is a must for anyone preparing for the IPMA D and IPMA C project management exams through one of the IPMA Member Associations based on the ICB version 4. This book follows the same structure as the textbook *Project Management by ICB4* and includes a summary of the learning objectives covered in the textbook and many multiple choice and open-ended questions with answer indications to practice the material.

Multiple choice questions with answer indications are included for all the Basic learning objectives Open ended questions with sample answers are included for all the main topics of the learning objectives in both the Basic and Advanced sections The multiple questions are formulated at Bloom level C Comprehensive The open ended questions are formulated at different Bloom levels The Bloom level at which the questions are formulated is indicated in the title of each question The open ended questions are all based on a short case study They are always about applying the project management framework and supporting theories as indicated in the textbook Each IPMA Member Association independently decides which learning objectives apply to their IPMA D and IPMA C certification levels To determine which learning objectives consult your IPMA Member Association s website This Exam Prep contains more than 400 multiple choice questions and 225 open questions the latter totalling more than 650 marks so a wealth of practice material An extensive team of IPMA trainers and project managers has reviewed the Exam Prep book Advances in Design, Simulation and Manufacturing VI Vitalii Ivanov,Justyna Trojanowska,Ivan Pavlenko,Erwin Rauch,Ján Pitel,2023-05-22 This book reports on advances in manufacturing with a special emphasis on smart manufacturing and information management systems It covers sensors machine vision systems collaborative technologies industrial robotics digital twins and virtual and mixed reality Further topics include quality management supply chain agile manufacturing lean management and sustainable transportation Chapters report on theoretical research and experimental studies concerning engineering design simulation and various machining processes for classical and additive manufacturing They also discusses key aspects related to engineering education and competence management in the industry 4 0 era Based on the 6th International Conference on Design Simulation Manufacturing The Innovation Exchange DSMIE 2022 held on June 6 9 2023 in High Tatras Slovak Republic this first volume of a 2 volume set provides academics and professionals with extensive information on trends and technologies and challenges and practice oriented experience in all the above mentioned areas **Data-Centric Business and Applications** Peter Madzík,Copuš Lukáš,Čarnogurský Karol,2025-07-19 This book provides a comprehensive insight into contemporary management challenges shaped by digital transformation operational excellence and data driven human resource strategies It presents innovative frameworks for decision making workforce optimization and financial innovation by integrating theoretical perspectives with real world applications With contributions from international scholars it offers fresh perspectives on emerging technologies sustainability and business intelligence Designed for academics professionals and policymakers the book serves as a valuable resource for understanding and implementing effective management strategies in the digital era *Direccion de Proyectos Segun la ICB4* Bert Hedeman,Roel Riepma,2025-05-21 html body data pb style CE37BTC justify content flex start display flex flex direction column background position left top background size cover background repeat no repeat background attachment scroll Direcci n de Proyectos seg n la ICB4IPMA B IPMA C IPMA D IPMA PMOIPMA observa un aumento tanto en el n mero como en la importancia de los proyectos en los negocios el sector p blico y la vida cotidiana de las personas fen
