

*U*NDERSTANDING *T*OLSTOY

ANDREW D. KAUFMAN

Understanding Tolstoy

Paul K. Moser

Understanding Tolstoy:

Understanding Tolstoy Andrew Kaufman, 2011 Understanding Tolstoy recreates Tolstoy's lifelong artistic and spiritual journey taking readers to the core of the writer's world through nuanced close readings of his major novels and novellas. Andrew D. Kaufman's broad and accessible analysis of Tolstoy's work speaks to the ways in which Tolstoy, despite living in a manner far removed from the experiences of most modern-day Americans, is still applicable and contemporary. From a reconstruction of Olenin's search for truth in *The Cossacks* to an illuminating analysis of Hadji Murat's tragic last stand, *Understanding Tolstoy* brings to life the fascinating parallels between Tolstoy's personal quest and his characters' journeys. Whether writing about the ballrooms and battlefields of *War and Peace* or the spectrum of sexual and spiritual attachments in *Anna Karenina*, Tolstoy emerges as a vital searching artist who continually grows and surprises us yet is driven by a single unchanging belief in universal human truths. *Understanding Tolstoy* is a treasure trove of critical and philosophical insights that will appeal to Tolstoy aficionados of all kinds, from advanced scholars to undergraduate students. The book offers an eminently readable guide to those entering Tolstoy's world for the first time or the tenth, and it invites them to grapple alongside the writer and his characters with the most urgent existential questions of our time and all times.

Understanding Tolstoy Andrew D. Understanding Tolstoy, 2011 **Understanding Human Conduct** Sam S. Rakover, 2021-10-06 Understanding Human Conduct: The Innate and Acquired Meaning of Life presents a new and provocative model of life meaning. The Consciousness Meaning (CM) model is founded on two major assumptions: a) consciousness is a necessary condition for meaning and understanding, and b) there are two types of life meaning: innate and acquired. The latter is divided into ordinary and extreme meanings. The CM model successfully deals with human behavior, e.g., crisis of life and suicide, as well as alternative

approaches based on philosophy e.g. existentialism and science e.g. evolution

Tolstoy's Political Thought Alexandre Christoyannopoulos, 2019-08-29 Leo Tolstoy 1828-1910 besides writing famous novels such as War and Peace also wrote on political issues especially later in his life putting forward a political philosophy which might be termed Christian anarchism This book provides a comprehensive overview of Tolstoy's political thought It outlines in a systematic way Tolstoy's thought which was originally articulated unsystematically in diverse often informal writing such as pamphlets letters and speeches as well as books and in his novels where Tolstoy's thinking is put forward implicitly through the novels characters The book sets out the basic themes of Tolstoy's political thought his acceptance of the teachings of Jesus his criticism of the way in which Jesus teachings have been relayed by the church through traditional creeds and dogma his passionate rejection of political violence by both the state and those working for reform his plea for a nonviolent response to violence and injustice and his call for society to forego its institutional shackles and enact a community of peace love and justice The book also includes background information on the Russia of Tolstoy's time including the religious context and a discussion of how Tolstoy's political thought has been received by his admirers who included Gandhi and his critics

Understanding Thomas Mann Hannelore Mundt, 2004 Understanding Thomas Mann offers a comprehensive guide to the novels short stories novellas and nonfiction of one of the most renowned and prolific German writers In close readings Hannelore Mundt illustrates how Mann's masterly prose captures both his time and the complexities of human existence with a unique blend of humor compassion irony and ambiguity

Give War and Peace a Chance Andrew D. Kaufman, 2014-05-20 This lively appreciation of one of the most intimidating and massive novels ever written should persuade many hesitant readers to try scaling the heights of War and Peace sooner rather than later Publishers Weekly Considered by many critics the greatest novel ever written War and Peace is also one of the most feared And at 1 500 pages it's no wonder why Still in July 2009 Newsweek put War and Peace at the top of its list of 100 great novels and a 2007 edition of the AARP Bulletin included the novel in their list of the top four books everybody should read by the age of fifty A New York Times survey from 2009 identified War and Peace as the world classic you're most likely to find people reading on their subway commute to work What might all those Newsweek devotees senior citizens and harried commuters see in a book about the Napoleonic Wars in the early 1800s War and Peace is many things It is a love story a family saga a war novel But at its core it's a novel about human beings attempting to create a meaningful life for themselves in a country torn apart by war social change political intrigue and spiritual confusion It is a mirror of our times Give War and Peace a Chance takes readers on a journey through War and Peace that reframes their very understanding of what it means to live through troubled times and survive them Touching on a broad range of topics from courage to romance parenting to death Kaufman demonstrates how Tolstoy's wisdom can help us live fuller more meaningful lives The ideal companion to War and Peace this book makes Tolstoy's characters lively and palpable and may well persuade readers to finally dive into one of the world's most acclaimed and daunting novels Kirkus Reviews

Understanding

Religious Experience Paul K. Moser, 2019-12-05 Offers a new approach to religious experience and the kind of evidence it provides Understanding Religious Experience will benefit those interested in the nature of religion and can be used in relevant courses in religious studies philosophy theology Biblical studies and the history of religion Tolstoy's Art and Thought, 1847-1880 Donna Tussing Orwin, 2013-05-16 My aim is to present Tolstoy's work as he may have understood it himself writes Donna Orwin Reconstructing the intellectual and psychic struggles behind the masterpieces of his early and middle age this major study covers the period during which he wrote The Cossacks War and Peace and Anna Karenina Orwin uses the tools of biography intellectual and literary history and textual analysis to explain how Tolstoy's tormented search for moral certainty unfolded creating fundamental differences among the great novels of the pre crisis period Distinguished by its historical emphasis this book demonstrates that the great novelist who had once seen a fundamental harmony between human conscience and nature's vitality began eventually to believe in a dangerous rift between the two during the years discussed here Tolstoy moved gradually from a celebration of life to instruction about its moral dimensions Paying special attention to Tolstoy's reading of Rousseau Goethe Schopenhauer and the Russian thinker N N Strakhov Orwin also explores numerous other influences on his thought In so doing she shows how his philosophical and emotional conflicts changed form but continued unabated until with his religious conversion of 1880 he surrendered his long attempt to make sense of life through art alone Critical Theory in Russia and the West Alastair Renfrew, Galin Tihanov, 2009-12-04 This book with contributions from some of the best known and most visible specialists in the field re-examines the significant transfers cross-fertilisations and synergies of cultural and literary theory between Russia and the West from the 1920s through to the present day
