Understanding Sam And Asperger Syndrome

Amy J. Catalano

Understanding Sam And Asperger Syndrome:

Understanding Sam and Asperger Syndrome Clarabelle Van Niekerk, Liezl Venter, 2008 A third person past tense narrative tells the story of Sam a boy with Asperger Syndrome Positive qualities are listed first Sam loved to giggle Sam was a happy boy Next come some of his challenges he is afraid of loud noises he has trouble making friends and he does not like change When he leaves the house at night walking all the way to the local fairgrounds because he loved the Ferris wheel so much his parents know that something must be done They take him for a check up and receive the diagnosis The doctors and therapists give them some suggestions for helping their son at home and at school The book concludes with Sam playing the cello at a school concert Because of the interesting story line the positive approach and the notion that others can learn to help Sam instead of expecting him to change this is an excellent introduction to the topic The pictures are bright and lively showing mostly happy faces The book concludes with 10 helpful tips to remember when a friend or a classmate has Asperger's A useful introduction for both children and adults Age 4-8

Betts, Dion Betts, Lisa N. Gerber-Eckard, 2007-02-15 Based on the experiences of classroom teachers and written from a teacher s perspective this book provides easy to apply strategies that support and encourage AS students in the mainstream classroom from organization and time management techniques to framing classroom instructions to make lessons more accessible for children with AS **Children, Youth and Adults with Asperger Syndrome** Kevin P. Stoddart, 2005 This book offers a comprehensive overview of clinical research and personal perspectives on Asperger Syndrome including contributions from parents and experts in the fields of psychology social work psychiatry genetics sexology and vocational counselling It includes first hand accounts from adults with AS highlighting their difficulties in areas such as social competence and education Specialist perspectives on AS including sexuality and relationships finding and keeping employment and anxiety and depression are sensitively addressed The viewpoints of parents explore experiences of parenting AS individuals These varied approaches to living with AS complement the emerging literature on theory research and practice in this area The broad scope of Children Youth and Adults with Asperger Syndrome guarantees a wide readership among practitioners students parents young people and adults with AS educates service providers how to assist people with AS and suggests a model of interdisciplinary collaboration for administrators and funders Collecting for the Curriculum Amy J. Catalano, 2015-09-28 If you re a librarian charged with collecting curriculum materials and children s literature to support the Common Core State Standards then this book the only one that offers explicit advice on collection development in curriculum collections is for you While there are many publications on the Common Core for school librarians and K 12 educators no such literature exists for curriculum librarians at the post secondary level This book fills that gap standing alone as a guide to collection development for curriculum librarians independent of the Common Core State Standards CCSS The book provides instruction and guidance to curriculum librarians who acquire and manage collections so you can develop a collection based on best practices The book begins with a primer on the CCSS and how curriculum

librarians can support them Discussion of the Standards is then woven through chapters arranged by content area that share research based practices in curriculum development and instruction to guide you in curriculum selection Material types covered include games textbooks children s literature primary sources counseling and nonfiction Additional chapters cover the management of curriculum collections testing collections and instruction and reference as well as how to support and collect for special needs learners Current practices in collection development for curriculum materials librarians are also reviewed The book closes with a discussion of the future of curriculum materials **A to Zoo** Rebecca L.
