Robert W. Cohen

Unforgettable Unforgettable Series 1:

Focus On: 100 Most Popular Television Series by Sony Pictures Television Wikipedia contributors, **Stealing Games** Maury Klein, 2016-03-22 The 1911 New York Giants stole an astonishing 347 bases a record that still stands more than a century later That alone makes them special in baseball history but as Maury Klein relates in *Stealing Games* they also embodied a rapidly changing America on the cusp of a faster more frenetic pace of life dominated by machines technology and urban culture Baseball too was evolving from the dead ball to the live ball era the cork centered ball was introduced in 1910 and structurally changed not only the outcome of individual games but the way the game itself was played requiring upgraded equipment new rules and new ways of adjudicating Changing performance also changed the relationship between management and players The Giants had two stars the brilliant manager John McGraw and aging pitcher Christy Mathewson and memorable characters such as Rube Marquard and Fred Snodgrass yet their speed and tenacity led to three pennants in a row starting in 1911 *Stealing Games* gives a great team its due and underscores once more the rich connection between sports and culture **Tales from the Deadball Era** Mark S. Halfon, 2014-02-01 The Deadball Era 1901 1920 is a baseball fan's dream Hope and despair innocence and cynicism and levity and hostility blended then to create an air of excitement anticipation and concern for all who entered the confines of a major league ballpark Cheating for the sake of victory earned respect corrupt ballplayers fixed games with impunity and violence plagued the sport Spectators stormed the field to attack players and umpires ballplayers charged the stands to pummel hecklers and physical battles between opposing clubs occurred regularly in a phenomenon known as rowdiness At the same time endearing practices infused baseball with lightheartedness kindness and laughter Fans ran onto the field with baskets of flowers loving cups diamond jewelry gold watches and cash for their favorite players in the middle of games Ballplayers volunteered for benefit contests to aid fellow big leaguers and the country in times of need Joke games reduced sport to pure theater as outfielders intentionally dropped fly balls infielders happily booted easy grounders hurlers tossed soft pitches over the middle of the plate and umpires ignored the rules Winning meant nothing amusement meant everything and league officials looked the other way Mark Halfon looks at life in the major leagues in the early 1900s the careers of John McGraw Ty Cobb and Walter Johnson and the events that brought about the end of the Deadball Era He highlights the strategies underhanded tactics and bitter battles that defined this storied time in baseball history while providing detailed insights into the players and teams involved in bringing to a conclusion this remarkable period in baseball history **Homer's Iliad and the Trojan War** Jan Haywood, Naoise Mac Sweeney, 2018-03-22 In this new volume Jan Haywood and Naoise Mac Sweeney investigate the position of Homer's *Iliad* within the wider Trojan War tradition through a series of detailed case studies From ancient Mesopotamia to twenty first century America these examples are drawn from a range of historical and cultural contexts and from Athenian pot paintings to twelfth century German scholarship they engage with a range of different media and genres Inspired by the dialogues

inherent in the process of reception the book adopts a dialogic structure In each chapter paired essays by Haywood and Mac Sweeney offer contrasting authorial voices addressing a single theme thereby drawing out connections and dissonances between a diverse suite of classical and post classical Iliadic receptions The resulting book offers new insights both into individual instances of Iliadic reception in particular historical contexts but also into the workings of a complex story tradition The centrality of the Iliad within the wider Trojan War tradition is shown to be a function of conscious engagement not only with Iliadic content but also with Iliadic status and the iconic idea of the Homeric

The 50 Greatest Players in New York Giants History Robert W. Cohen,2018-09-01 The New York Giants joined the National Football League back in 1925 and have since been one of the league s flagship franchises The Giants have appeared in nineteen NFL championship games more than any other team and have won eight league championships Iconic figures such as Eli Manning Phil Simms Harry Carson Michael Strahan and Frank Gifford have all played for the Giants Twenty five players who spent at least one full season with the Giants have been inducted into the NFL Hall of Fame and fifteen of those men spent the majority of their careers playing for the team This book carefully measures the careers of those players who made the greatest impact on the team The ranking was determined by such factors as the extent to which each player added to the Giants legacy the degree to which he impacted the fortunes of his team and the level of dominance he attained while wearing the Big Blue uniform Features of The 50 Greatest Players in New York Giants Football History include Each player s notable achievements Recaps of the player s most memorable performances Summaries of each player s best season Quotes from former teammates and opposing players Football fans will find The 50 Greatest Players in New York Giants Football History a fascinating collection of bios stats recaps quotes and more And with such iconic figures as Lawrence Taylor Emlen Tunnell Roosevelt Brown and Mel Hein leading the list this book is sure to inspire debate and controversy among true Giants supporters

Roger Bresnahan John R. Husman,2024-04-26 Roger Bresnahan began his major league baseball career in 1897 as an 18 year old pitcher and ended it in 1915 as a catcher after famously introducing shin guards for the position He was so widely admired that the Baseball Hall of Fame awarded him a plaque only six years after it opened He played every position coached and managed He survived a near fatal accident on the field and as a first responder helped save lives during the aftermath of a horrific railroad crash He was later principal owner and president of the Toledo American Association franchise for eight years This first ever biography based on many years of research covers Bresnahan s entire life and playing career as it intersected with American history

Tinker to Evers to Chance David Rapp,2018-04-02 A compelling narrative about three Chicago Cubs legends the rise of baseball fever and the emergence of a new America as the twentieth century began Booklist starred review Their names were chanted crowed and cursed Alone they were a shortstop a second baseman and a first baseman But together they were an unstoppable force Joe Tinker Johnny Evers and Frank Chance came together in rough and tumble early twentieth century Chicago and soon formed the defensive core of the most formidable team in big league

baseball leading the Chicago Cubs to four National League pennants and two World Series championships from 1906 to 1910. At the same time, baseball was transforming from a small time diversion into a nationwide sensation. Americans from all walks of life became infected with baseball fever, a phenomenon of unprecedented enthusiasm and social impact. The national pastime was coming of age. Tinker to Evers to Chance examines this pivotal moment in American history when baseball became the game we know today. Each man came from a different corner of the country and brought a distinctive local culture with him: Evers from the Irish American hothouse of Troy, New York; Tinker from the urban parklands of Kansas City, Missouri; Chance from the verdant fields of California's Central Valley. The stories of these early baseball stars shed unexpected light not only on the evolution of the game and the enthusiasm of its players and fans, but also on the broader convulsions transforming the US into a confident new industrial society. With them emerged a truly national culture. This iconic trio helped baseball reinvent itself, but their legend has largely been relegated to myths and barroom trivia. David Rapp's engaging history resets the story and brings these men to life again, enabling us to marvel anew at their feats on the diamond. It's a rare look at one of baseball's first dynasties in action. Winner, Nonfiction Book of the Year, Chicago Writer's Association. Connects these baseball stories to larger cultural themes such as social and economic class, the New York-Chicago rivalry, and the emerging media technologies during this period. Highly recommended for baseball fans and those interested in early 20th century American history. Library Journal

Mike Donlin Steve Steinberg, Lyle Spatz, 2024-05. Winner of the 2025 Sporting News SABR Baseball Research Award. Winner of the 2025 Larry Ritter Book Award. Finalist for the 2024 CASEY Award. Mike Donlin was a brash, colorful, and complicated personality. He was the most popular athlete in New York and was a star on the powerful New York Giants teams of 1905 and 1908. Though haunted by tragedy, including the deaths of both of his parents as a boy, Donlin was a charming, engaging, and kind-hearted man who also had successful careers on the stage and in film. One of the early bad boys among professional athletes, Donlin's temper and combativeness, compounded by alcoholism, led to battles with umpires and fans, numerous suspensions from the game, and even jail time. In 1906, when Donlin married vaudeville actress Mabel Hite, his life changed for the better, and their love story captivated the nation. Donlin left baseball after his sensational comeback for the dramatic 1908 season and joined Mabel on the stage, likely losing a Hall of Fame career. Then, in 1912, at the age of twenty-nine, Mabel died of intestinal cancer. After making a final comeback as a player in 1914, Donlin starred in baseball's first feature film. He became a drinking buddy of actors John Barrymore and Buster Keaton and married actress Rita Ross. The couple moved to Hollywood, where Donlin became a beloved figure and appeared in roughly one hundred movies, mostly in minor roles. Despite his Hollywood career, Donlin stayed connected to the game he loved and was seeking a coaching job with the Giants when he died of a heart attack in 1933. At the dawn of the celebrity era of sports, Donlin was one of the nation's first athletes to capture the public's attention. This biography by Steve Steinberg and Lyle Spatz shows why

Baseball Tales: Inspiring Stories from the Diamond

Pasquale De Marco,2025-04-18 Baseball is more than just a game It s a passion a pastime and a way of life for millions of Americans From the crack of the bat to the roar of the crowd there s something about baseball that just resonates with us In this book we ve collected some of the most inspiring stories from the diamond Stories of triumph and defeat of perseverance and sportsmanship Stories that will make you laugh cry and everything in between Whether you re a lifelong fan or just someone who s curious about baseball we hope you ll enjoy these stories They re a reminder of why we love this game so much Here s a sneak peek at some of the stories you ll find in this book The Miracle of 69 The New York Mets improbable World Series victory The Curse of the Bambino The Boston Red Sox s 86 year World Series drought The Comeback Kid The story of Lou Gehrig s heroic battle with ALS The Unbreakable Record Hank Aaron s pursuit of Babe Ruth s home run record The World Series Walk Off Joe Carter s dramatic home run that won the 1993 World Series for the Toronto Blue Jays These are just a few of the many stories that you ll find in this book So sit back relax and let s take a journey into the world of baseball About the Author Pasquale De Marco is a lifelong baseball fan and has been writing about the game for over 20 years He is the author of several books on baseball including Baseball Tales Inspiring Stories from the Diamond If you like this book write a review on google books **A Father's Thoughts** Andre McIntyre,2011-09-01 These words are from my heart to your hearts This book is an invitation into my world and life as a separated father It s filled with heart filled poems written from the depths within my soul unto you as a single mother a mother a woman at heart and all children that is of a broken home Please let this book be your guide to a better stronger future as a family and an eye opener to these three facts Not all separated father are in fact dead beat dads Men do in fact love hard Family is worth fighting for

Unveiling the Power of Verbal Beauty: An Psychological Sojourn through **Unforgettable Unforgettable Series 1**

In some sort of inundated with displays and the cacophony of instant connection, the profound power and emotional resonance of verbal beauty usually diminish into obscurity, eclipsed by the regular barrage of sound and distractions. Yet, nestled within the musical pages of **Unforgettable Unforgettable Series 1**, a captivating perform of literary elegance that pulses with raw emotions, lies an memorable trip waiting to be embarked upon. Written with a virtuoso wordsmith, this magical opus books visitors on a mental odyssey, gently revealing the latent potential and profound influence stuck within the delicate internet of language. Within the heart-wrenching expanse with this evocative evaluation, we can embark upon an introspective exploration of the book is key subjects, dissect their captivating writing model, and immerse ourselves in the indelible impact it leaves upon the depths of readers souls.
