Activating The Superhuman Ronnie Landis,2011-05-11 Our world today is full of suffering from all different directions People in and out of hospitals negative influences everywhere artificial stimulation collapsing relationships a massively genetically altered food supply and somehow in the midst of chaos and confusion it appears to be the greatest time in history to be alive With the pain comes to healing with the ailment comes the medicine with the confusion comes the clarity We have never ever had more options as to where we are to take this journey which is meant to play out like a self directed movie We can direct it towards ill will and poor health or we can fuel our deepest desires and find ourselves in the midst of flourishing paradise unstoppable health extreme drive for life and the most abundant relationships possible We have focused on the problems of the past long enough it is time to start living the solutions The reality of mediocrity is fading fast the new era of unlimited potential has begun It is now time to awaken and activate the super human that lives in all of us
