Bulletin of the Wilmington Institute Free Library Wilmington Institute Free Library (Wilmington, Del.),1905 **The Secret in Medieval Literature** Albrecht Classen,2022-10-17 The Secret in Medieval Literature Alternative Worlds in the Middle Ages explores the many strange phenomena both in the Middle Ages and today that do not find any good rational explanations Those do not pertain to magic or to religion in the traditional sense of the word they are secrets of an epistemological kind and tend to defy human rationality without being marginal or irrelevant At first sight we might believe that we face elements from fairy tales but the medieval cases discussed here go far beyond such a simplistic approach to the mysterious dimension of secrets In fact as this book argues medieval poets commonly engaged with alternative forces and described their workings within the human context both in the Latin West and in the East without being able to come to terms with them critically Those mysteries appear both in heroic epics and courtly romances among other genres and they figure more frequently than we might have assumed On the one hand we could conceive of those secrets as the product of literary liberties and imagination on the other those secrets prove to be rather serious agents intervening in the lives of the fictional protagonists By the same token our modern world is not all rationality and material conditions either The study of secrets in the Middle Ages thus opens the pathway toward a new epistemology both for the people in the pre modern age and us today **Estonia, Latvia & Lithuania** Nicola Williams,Debra Herrmann,Cathryn Kemp,2003 Grab this essential guide to the dynamic Baltics and stroll the cobbled streets of medieval old towns sing along at a traditional song festival ski the slopes or slurp champagne long into the white nights opinionated advice on where to eat drink and be merry in Tallinn Riga Vilnius and beyond accommodation options to suit every budget and teste detailed notes on the region s part and present practical information on year round activities from bobsleighing to bird watching easy to use guide to the languages of the three countries 65 maps plus the scoop on crossing borders and changing money Short Story Index ,1953 Quinquennial supplements 1950 1954 1979 1983 compiled by Estelle A Fidell and others published 1956 1984 Arts & Humanities Citation Index ,2003 **Der Führer** ,1928 **New International Dictionary of the English Language** ,1955
