Welcome Message For New Boss:

House of Cards Niall Brady,2012-09-01 In the summer of 2011 investors with Custom House Capital some of whom had all their pension savings tied up with the investment house faced a nightmare the possibility that their money was gone and that they wouldn't be getting it back Finance journalist Niall Brady takes us behind the scenes for the first in depth account of a disaster that has cost investors millions He shows how clients funds were mis allocated to cover losses how the Financial Regulator though aware of irregularities at CHC for years failed to forestall the crisis and how it remains unclear over a year after the scandal was uncovered whether people will get their money back His account of the strange culture and practices of CHC makes House of Cards a must read for fans of Too Big to Fail and The Big Short Niall Brady is a chartered accountant and a journalist with the Sunday Times Damning Brady tells the tale of how the rogues still run rings around the protectors Shane Ross Sunday Independent One of the most shocking stories to have emerged in Ireland's economic bust Cantillon Irish Times Excellent concise read Great story Tom Lyons author of The FitzPatrick Tapes [Return of Secrets](#) D.F.

Hart,2023-09-26 Sometimes it's the little things that matter most What would a retired schoolteacher a financial planner and a dental hygienist have in common Other than their killer no one knows But FBI Profiler Nathan Thomas and his team need to figure it out before the body count climbs The Vital Secrets is a suspenseful crime thriller series chronicling FBI profiler Nathan Thomas and his team's cases who capture serial killers while also juggling their personal and professional lives While each suspenseful riveting title in this series can be read as a standalone readers will find maximum enjoyment if these full length books are read in order because while there are no cliffhangers there is character growth over the series If you enjoy the works of Elle Gray Mary Burton Lucinda Berry Melinda Leigh and Pete Zacharias the Vital Secrets series should make for a very enjoyable read Return of Secrets is perfect for readers who enjoy fast paced action filled crime thriller novels that are brimming with unexpected twists and turns and feature FBI profilers

kept me on edge the whole time The atmosphere on the island added so much to the story It gave it an Agatha Christie vibe I could not stop reading it It was as if I was there witnessing the murders myself The characters had depth and personality and backgrounds that were explained nicely It was awesome Great job keeping the suspense of not being able to figure out who the killer was I really didn't know Very satisfying The Merciless Murder Mystery Thrillers Games of Life and Death Private detective Asha Kade is ensnared in a deadly game of cat and mouse The stakes are her very life The rewards are justice for the victims and solace for her haunted past Merciless Legacy Merciless Games Merciless Crimes Merciless Past Merciless Lies Merciless Deaths How far would you go for a million dollars Retaining Your Best College Professors Jeffrey L. Buller, 2021-10-15 Faculty recruitment is a major expense for colleges and universities and schools devote a considerable amount of their resources to the hiring process But many of these institutions fail to devote the same attention to retaining college professors We've learned through many studies that it's far less expensive to retain a student you have than to recruit a new one Why is this lesson not also applied to the college faculty This book addresses why higher education currently has a faculty retention problem and then explores the strategies needed to address that problem But now all faculty members are alike Minority faculty members have their own retention challenges as do highly competitive researchers part time and temporary faculty members who excel at teaching and other key groups The best ways to retain the junior faculty are not necessarily the best ways to retain mid career and senior faculty By examining best practices currently in place in higher education and then combining those insights with research conducted in the corporate world the book encourages colleges and universities to develop a culture of retention that applies to students and faculty members alike *Rise and Shine! the Early Church* Mary Grace Becker, 2006 12 pick up and do lessons for the elementary or Sunday school classroom **Editor & Publisher**, 1929 The fourth estate **Satanic Voices**, 1992 Public Papers of the Presidents of the United States, George W.
