

FATHER OF THE BRIDE'S SPEECH

The perfect father of the bride's speech sticks to a simple formula with 6 key phases.

1. Introduction. Introduce yourself. Start with a gag or something light hearted to get an early laugh and relax yourself and your guests. 

2. The Formal Bit. Welcome everyone to the wedding on behalf of yourself and the bride's mother (it's a big day for her too), especially the Groom's parents and family. Offer a toast to "absent friends". 

3. Daddy's Girl. This is your chance to perhaps get a little revenge on your daughter and tell a couple of funny stories from her youth. It's also your chance to tell her how proud you are of her and all that she means to you. 

4. Here Comes The Groom. Mention the Groom and formally welcome him into your family. This is also a good chance to make a joke about him or perhaps mention the first time you met him and what you *really* thought at the time or how he and your daughter first met. 

5. Words Of Wisdom. You are the elder statesman of the wedding party so it's your role to offer some words of advice or insights into marriage, this is a good place to deliver some jokes or quotes. 

6. The Toast. Finish your speech by asking everyone to stand and raise their glasses to the newlyweds. This might be done by the Best Man as well but it's the traditional way to bring your speech to a close.

Africa and Her Peoples Frank Deaville Walker, 1926

A Promise Delivered Ty Seidule, Connor Williams, 2025-11-11

The inspiring story behind the ten Americans newly chosen to represent United States military bases previously named for Confederate soldiers, told by two members of the Naming Commission that selected them. In 2020, the United States Congress, in an unprecedented and bipartisan piece of legislation, created the Naming Commission. It was tasked with a monumental mission: Rename nine of the US military's most prominent army bases, all of which were named for Confederate leaders who waged war against America in the name of maintaining a slave republic. Over the course of twenty months, the commission completed their mission, carefully combing through years of American history and hearing from tens of thousands of Americans from all walks of life. The commission ultimately chose ten Americans whose individual heroics reflect the collective best of all that America is and could be. With their firsthand knowledge of the selection process, vice chair Ty Seidule and lead historian Connor Williams recount the lives of each of these American heroes, from former President Dwight D. Eisenhower to Civil War doctor Mary Walker to Cold War General Richard Cavazos. The individual histories nestled within each chapter prove why these men and women are true representatives of our country and how, by looking to them, America can aspire toward a better future.

A Promise Delivered is the powerful account of how ten worthy Americans and one bipartisan commission joined the ongoing fight to reclaim our nation's history.

Family Violence and Social Change in the Pacific Islands Lois Bastide, Denis Regnier, 2022-09-23

The Pacific Islands have some of the highest rates of family violence in the world. Addressing the contemporary mutations of Pacific Island families and the shifting understandings of violence in the context of rapid social change, this book investigates the conflict dynamics generated by these transformations. The contributors draw from detailed case studies in a range of Pacific territories to examine family violence in relation to the social, economic and political situation of native populations, as well as individual, collective and institutional responses to the development of violence within and upon the family. They focus on vernacular understandings, conflicting social norms, the emergence of different types of violent patterns, the impact of violence on individuals and communities, and local attempts at mitigating or combating it. Combining ethnographic expertise with engaged scholarship, this volume offers a vivid account of ongoing social change in Pacific Island societies and a crucial contribution to the understanding of family violence as a social process, cultural construct and political issue. This book will appeal to scholars with interests in the sociology of violence and the family. Pacific
