Tranceformers Shamans of the 21st Century John Jay Harper, 2009 *Tranceformers Shamans of the 21st Century* is the true story of this author's contact with a dead optics physicist colleague and the telepathic communication that sent him searching for scientific answers to his spiritual questions Harper draws from this deep well of wisdom astrology biology near death experiences paranormal psychology quantum physics as well as Egyptian and Mayan cosmology overall He does an excellent job of synthesizing massive amounts of information making this shift of the ages comprehensible to the general reader Clearly this is a necessary primer to understand the coming apocalypse of biblical proportions in consciousness climate culture and civilization However the theme of this book is that by learning to use trance the techniques employed by mystics prophets and shamans one can unlock the mysteries of existence for themselves Indeed this is the big idea behind the Eternal Return of the Sun of God in 2012 Self Empowerment **Tranceformers** John Jay Harper, 2006-01

Tranceformers Shamans of the 21st Century opens with the circumstances of this author's contact with a dead optics physicist colleague that set him adrift on the ocean of other people's opinions not facts concerning life after death Desperately searching for scientific answers to his myriad spiritual questions Harper finally landed on solid intellectual ground only after he paradoxically anchored himself to the Rosetta stone of trance that unified the purpose of religion and science into one truth Indeed he learned that we are all becoming fifth dimensional beings of light with third eye open psychic solar powers once again Harper saw that what astronomers define as Solar Cycle 24 between the Venus transits in 2004 and 2012 astrologers had symbolically portrayed as the Eternal Return of the Sun of God This is an easy to read book offering words of wisdom as we enter into the Age of Aquarius The Water Bearer of cataclysmic Earth changes **9 Life**

Altering Lessons Kala Ambrose, 2007-08 For thousands of years a select few attended ancient mystery schools and temples around the world These schools taught the nature and destiny of mankind the magical universe in which we reside and revealed powerful secrets regarding universal natural laws In *9 Life Altering Lessons* Secrets of the mystery schools unveiled esoteric teacher Kala Ambrose brings some of the most important and relevant lessons to the modern world Kala discusses many of the ancient mystery school topics which are designed to stir the soul awaken the mind and reveal long forgotten memories of past lives in these schools as well as inspire you to explore the magnificence of who you really are **Doc and**

the Judge Gary M Granger, 2008-12 Friendship with the Judge came at a pivotal time in Doc's life he quickly became the closest truest most generous brother Doc ever knew They were a chemical reaction when they came together with a thought an idea or a plan to pull off another coup As the saying goes There's synergy creating energy that's stronger than the sum of its parts That was Doc and the Judge the Judge was fire Doc was water The Judge was all reaction and Doc was all control Doc and the Judge redefined business as usual They didn't just break on through to the other side as Jim Morrison urged in his hypnotic sixties reverie they crashed and crashed on through They made tons of money for the grey suits that supported

and funded them and a tidy pile of cash for themselves along the way Though it was truly not about the money for them it was about being dudes They defined themselves daring the world to defy their ability to turn cultural trends into big money returns for the true believers who backed them They never compromised never shrank from a battle and never feared losing it all Their business acumen and inherent credibility was inextricably linked to their integrity and musical and business authenticity Doc watched over the Judge for his own good and the Judge knew and respected his faith The Judge was a searing shooting star flashing blindingly across the night sky and defiantly demanding acceptance on his own terms The Doc executed the business and kept it real They took on the world bought and sold it many times over laughing ALL THE WAY TO THE BANK They were inseparable during the decade of the 70 s Butch and the Kid many called them The Judge always swore he ruled his court Doc smiles at these memories suspecting that even now he s hanging out with God and is slipping a wickedly powerful toke or perhaps a St Pauli s girl to the Apostles when the big G isn t looking Revelation Brad Steiger, 2006 Revelation The Divine Fire A Biblical prediction says that In the latter days your sons and daughters shall prophesy Brad Steiger has communicated with literally hundreds of individuals who claim to have received messages directly from God or from spacemen angels spirit guides or other superhuman entities It would be easy to dismiss these latter day prophets as deluded but amazingly their revelations all have an internal consistency a common theme a time of judgment is at hand and humankind must change its ways to avert disaster Moreover contemporary housewives business executives and Jesus people are experiencing the same symptoms of revelation a blinding light a voice out of nowhere an impulse to take on a new name and a new life On the track of the elusive source of these messages Steiger examines the spread of glossolalia and faith healing the folklore of elves and leprechauns the awesome cases where a revelator s body is briefly occupied by an outside personality the mysterious Elijah tradition of the Bible that suggests that the great prophets perhaps even Jesus were possessed by a single entity and the latest laboratory research into consciousness expansion Revelation The Divine Fire presents actual warnings predictions and messages from a wide spectrum of contemporary revelators In addition there are interviews and evaluations from a number of clergymen scientists and psychics who have met the Divine Fire Steiger s divine fire is something which from the beginning of recorded history down to the present has communicated a revelation to man Steiger is properly objective in his evaluation of the significance of such phenomena setting forth the opinions of various scientific or at least thoughtful observers on the subject and where necessary synthesizing such opinions Kirkus Reviews In the tradition of William James Varieties of Religious Experiences we have an important collection of valuable data that should be read and considered by any one interested in the pursuit of man his meaning and destiny For me this book was an exciting adventure Paul Severson Fate magazine Steiger enormously expands the definition of revelation What emerges is an engrossing compilation of esoteric events reported by those experiencing them Library Journal Brad Steiger has written a shelf full of books on psychic phenomena Many people throughout the country first developed an interest in extrasensory
