Activity 1: Mystery Shapes (page 1)

Goal: to guess the mystery shape using the least number of clues

How to play:

Both teams play at the same time.

Step 1 Player 1 from each team selects a shape without revealing the shape.

Step 2 Player 1 writes property clues on page 2 to help his or her teammate identify the mystery shape. A property could be number of sides, length of a side, number of angles, size of an angle, or number of lines of symmetry. There can be only one property in each clue.
