**True Heroes of Gettysburg** John Hinman, 2011-08-11 Dubaville PA 1863 Thirteen year old Darrell Stouffer is infamous for the pranks he plays at school in fact they got him expelled He also wants to win fame and glory as a soldier in the Union army but his father forbids him from volunteering Then suddenly General Robert E Lees Confederate army appears in the area Darrell runs away to Gettysburg just fifteen miles from Darrells small town hoping to join the Union soldiers gathering there to defend Pennsylvania War as it turns out is not as Darrell could have ever imagined not even in his wildest dreams True Heroes of Gettysburg is the story of one boy rising above his fears to help the real heroes of war the soldiers who risk their lives for their country Though Darrell is only an observer on the first day of the Battle of Gettysburg the savage bloodshed shakes him to his core In the following days pure chance sees Darrell accompanying the medical corps amidst the thickest action The soldiers heroism not only on the battlefield but also in the face of dreadful wounds amputation and death teaches Darrell that by facing his fears and challenges even moments of monumental sadness can become a triumph of human spirit
