Voyage In The Dark Norton Paperback Fiction:

Voyage in the Dark Jean Rhys, 1968 Anna Morgan a teenage girl performing in the chorus at theaters in small English towns tries to find happiness with Walter Jeffries who eventually abandons her The Collected Short Stories Jean Rhys, 1992 Jean Rhys was one of the twentieth century's foremost writers a literary artist who made exquisite use of the raw material of her own often turbulent life to create fiction of memorable resonance and poignancy Here for the first time in one volume are her complete stories Good Morning, Midnight Jean Rhys, 1986 A woman encounters a life filled with desires and emotions when she returns to Paris after suffering from a bout of depression and alcoholism in London Quartet Jean Rhys, 1997 The story of a woman on the edge caught in the stranglehold between her lover and his wife When her husband is released from prison the situation explodes **After Leaving Mr. Mackenzie** Jean Rhys, 1997 Julia Martin is in Paris and at the end of her rope Once beautiful she was taken care of by men Now after being dropped by her latest lover she visits London to see her ailing mother and meets up with her distrustful sister Norah This is a haunting picture of two desperate women in a desperate predicament **Misfit Modernism** Octavio R. González, 2020-08-31 In this book Octavio R González revisits the theme of alienation in the twentieth century novel identifying an alternative aesthetic centered on the experience of double exile or marginalization from both majority and home culture This misfit modernist aesthetic decenters the mainstream narrative of modernism which explores alienation from a universal and existential perspective by showing how a group of authors leveraged modernist narrative to explore minoritarian experiences of cultural nonbelonging Tying the biography of a particular author to a close reading of one of that author's major works González considers in turn Nella Larsen's *Quicksand* Wallace Thurman's *The Blacker the Berry* Jean Rhys's *Quartet* and Christopher Isherwood's *A Single Man* Each of these novels explores conditions of maladjustment within one of three burgeoning cultural movements that sought representation in the greater public sphere the New Negro movement during the Harlem Renaissance the 1920s Paris expatriate scene and the queer expatriate scene in Los Angeles before Stonewall Using a methodological approach that resists institutional taxonomies of knowledge González shows that this double exile speaks profoundly through largely autobiographical narratives and that the novels' protagonists challenge the compromises made by these minoritarian groups out of an urge to assimilate into dominant social norms and values Original and innovative *Misfit Modernism* is a vital contribution to conversations about modernism in the contexts of sexual identity nationality and race Moving beyond the debates over the intellectual legacies of intersectionality and queer theory González shows us new ways to think about exclusion *First Confession* Montserrat Fontes, 1992-05-05 Two wealthy nine year olds living in a Mexican village in 1947 steal the town hooker's life savings and flee to an impoverished section where they are set upon and abused by the desperate children who live there *The Eleven Million Mile High Dancer* Carol Hill, 1996-01-26 A cult classic from its first appearance this ambitious novel is a rich and comic blend of physics feminism and political farce Brilliant physicist Amanda

Jaworski is in training to be the first person to journey to Mars With her magic cat Schrodinger Amanda soon finds herself doing battle with the greatest seductress of all the Eleven Million Mile High Dancer a being from 40 million light years away

Henry James' Midnight Song Carol Hill,1995 Henry James Midnight Song is so exciting that I got up in the middle of the night to finish it I couldn't sleep wondering what would happen next Yet it is so intellectually complex that repeated readings only reveal richer meanings and more subtle shades of thought In its virtuosity as well as its themes and techniques this novel puts Carol DeChellis Hill among postmodern masters such as Thomas Pynchon E L Doctorow and Umberto Eco She may even be better Judith Caesar Philadelphia Inquirer *Wide Sargasso Sea* Jean Rhys,1992 A considerable tour de force by any standard New York Times Book Review **Jean Rhys** Elgin W. Mellow,1984 *Jean Rhys* Elaine Savory,1998 Jean Rhys has long been central to debates in feminist modernist Caribbean British and postcolonial writing Elaine Savory's study first published in 1999 incorporates and modifies previous critical approaches and is a critical reading of Rhys's entire oeuvre including the stories and autobiography and is informed by Rhys's own manuscripts Designed both for the serious scholar on Rhys and those unfamiliar with her writing Savory's book insists on the importance of a Caribbean centred approach to Rhys and shows how this context profoundly affects her literary style Informed by contemporary arguments on race gender class and nationality Savory explores Rhys's stylistic innovations her use of colours her exploitation of the trope of performance her experiments with creative non fiction and her incorporation of the metaphysical into her texts This study offers a comprehensive account of the life and work of this most complex and enigmatic of writers Adult Author-title Catalog Orange County Public Library (Calif.),1971 *Colonialism and the Modernist Moment in the Early Novels of Jean Rhys* Carol Dell'Amico,2013-10-31 Colonialism and the Modernist Moment in the Early Novels of Jean Rhys explores the postcolonial significance of Rhys's modernist period work which depicts an urban scene more varied than that found in other canonical representations of the period Arguing against the view that Rhys comes into her own as a colonial thinker only in the post WWII period of her career this study examines the austere insights gained by Rhys's active cultivation of her fringe status vis vis British social life and artistic circles where her sharp study of the aporias of marginal lives and the violence of imperial ideology is distilled into an artistic statement positing the outcome of the imperial venture as a state of homelessness across the board for colonized and metropolitans alike Bringing to view heretofore overlooked migr populations or their children alongside locals Rhys's urbanites struggle to construct secure lives not simply as a consequence of commodification alienation or voluntary expatriation but also as a consequence of marginalization and migration This view of Rhys's early work asserts its vital importance to postcolonial studies an importance that has been overlooked owing to an over hasty critical consensus that only one of her early novels contains significant colonial content Yet as this study demonstrates proper consideration of colonial elements long considered only incidental illuminates a colonial continuum in Rhys's work from her earliest publications **Paperbound Books in Print** ,1992 *The Publishers Weekly* ,1974 The
