might weaken the Government's credibility in seeking to establish a stable tax regime. The Committee was pleased with the further reduction in corporation tax announced in the Budget as this was a positive measure aimed at boosting growth. With regard to Enterprise Zones it may have some effect in reviving particular areas but it was noted that almost all the evidence received is unsure about the extent to which they will contribute to UK growth. It is clear that there is still much to be done on the details of this policy.
