The Incarnate Christ and His Critics Robert M. Bowman Jr., J. Ed Komoszewski, 2024-11-12 A current comprehensive and clear defense of the deity of Christ The central theological claim of Christianity that Jesus is God incarnate finds eager detractors across a wide spectrum from scholars who interpret Jesus as a prophet angel or guru to adherents of progressive Christianity and non Christian religions and philosophies Yet thorough biblical scholarship strongly supports the historic Christian teaching on the deity of Christ Authors Robert M Bowman Jr and J Ed Komoszewski follow the approach of their landmark 2007 study on the same topic Putting Jesus in His Place They focus on five pillars of New Testament teaching using the

acronym HANDS and demonstrate what both Jesus and the earliest believers recognized namely that Jesus shares in the Honors that are due God Attributes of God Names of God Deeds that God does Seat of God s eternal throne The Incarnate Christ and His Critics engages objections to the divine identity of Jesus from Jehovah s Witnesses Mormons progressive Christians Muslims Unitarians and others Bowman and Komoszewski show how biblical scholarship cannot reasonably ignore the enduring wide ranging and positive case for the deity of Christ **Melting Pot or Civil War?** Reihan Salam,2018-09-25 Long before Covid 19 and the death of George Floyd rocked America Reihan Salam predicted our current unrest and provided a blueprint for reuniting the country Tthe years to come may see a new populist revolt driven by the resentments of working class Americans of color For too long liberals have suggested that only cruel racist or nativist bigots would want to restrict immigration Anyone motivated by compassion and egalitarianism would choose open or nearly open borders or so the argument goes Now Reihan Salam the son of Bangladeshi immigrants turns this argument on its head In this deeply researched but also deeply personal book Salam shows why uncontrolled immigration is bad for everyone including people like his family Our current system has intensified the isolation of our native poor and risks ghettoizing the children of poor immigrants It ignores the challenges posed by the declining demand for less skilled labor even as it exacerbates ethnic inequality and deepens our political divides If we continue on our current course in which immigration policy serves wealthy insiders who profit from cheap labor and cosmopolitan extremists attack the legitimacy of borders the rise of a new ethnic underclass is inevitable Even more so than now class politics will be ethnic politics and national unity will be impossible Salam offers a solution if we have the courage to break with the past and craft an immigration policy that serves our long term national interests Rejecting both militant multiculturalism and white identity politics he argues that limiting total immigration and favoring skilled immigrants will combat rising inequality balance diversity with assimilation and foster a new nationalism that puts the interests of all Americans native born and foreign born first Revolution and Evolution in Private Law Sarah Worthington,Andrew Robertson,Graham Virgo,2018-01-11 The development of private law across the common law world is typically portrayed as a series of incremental steps each one delivered as a result of judges dealing with marginally different factual circumstances presented to them for determination This is said to be the common law method According to this process change might be assumed to be gradual almost imperceptible If this were true however then even Darwinian style evolution which is subject to major change inducing pressures such as the death of the dinosaurs would seem unlikely in the law and radical and revolutionary paradigms shifts perhaps impossible And yet the history of the common law is to the contrary The legal landscape is littered with quite remarkable revolutionary and evolutionary changes in the shape of the common law The essays in this volume explore some of the highlights in this fascinating revolutionary and evolutionary development of private law The contributors expose the nature of the changes undergone and their significance for the future direction of travel They identify the circumstances and the contexts which might have provided an impetus for these

significant changes The essays range across all areas of private law including contract tort unjust enrichment and property No area has been immune from development That fact itself is unsurprising but an extended examination of the particular circumstances and contexts which delivered some of private law s most important developments has its own special significance for what it might indicate about the shape and the shaping of private law regimes in the future **GO FOR GOLD With Your Writing** Ifeoma Okoye,2016-12-28 GO FOR GOLD With Your Writing shows you how to write gold winning sentences sentences that are error free clear concise varied and mature The book shows you step by step how to construct basic sentences which form the backbone of all sentences and how to expand basic sentences by modification subordination and coordination thereby turning them into the kind of sentences that mature writers use in their writing JEHOVAH'S WITNESSES 101 Edward D. Andrews,2022-05-18 Each year the Jehovah s Witnesses spend about 2 billion hours evangelizing their communities around the world in 357 languages Many think that they know the Jehovah s Witnesses but the sources are usually twofold 1 They are misinformed Bible scholars who have read books and websites by disgruntled ex Jehovah s Witnesses 2 They have read books or comments by disgruntled ex Jehovah s Witnesses Herein you will learn a lot that you may have not known and learn some things about how to better evangelize them or if you are even up to evangelize them Moreover we will use some arguments often raised about Jehovah s Witnesses as our text case from such persons as J Warner Wallace is a leading Evangelical Christian apologist today Here is what you will need to know in order to effectively share your faith with JW's when they come knocking **A Guide to Truth for the Jehovah's Witness** Ron Abud,2025-10-09 Over the years from time to time Jehovah s Witnesses have stopped by the house Once two Witnesses came by during a busy Christmas season Being preoccupied I invited them to come back another time One of them did he came back twice Both times after I d invited him inside to chat something unrelated came up that required me with an apology to end his visit prematurely Following the second interruption I agreed to meet with him again after the holidays had passed His commitment was admirable it inspired me to do some research in expectation of his return He never did return but that research is the foundation of this book It is based on biblical texts supported at times by excerpts borrowed from historic Greek and Hebrew manuscripts The book demonstrates beyond a doubt that Jesus Christ is the Eternal Son of God In the New World Translation of the Holy Scriptures NWT the translations of these Greek and Hebrew excerpts are not correct They have been altered changed in ways which make it seem as if Jesus was created The author of the NWT the Watchtower Bible and Tract Society Watchtower Society justifies the alteration of these translations by alleging the early second century church changed their meanings and as altered they convey what was originally intended The book proves not only that this Watchtower Society allegation is without merit but shows how impossible what it alleges would have been for the early church to undertake and accomplish The NWT has been revised several times over the years Many of these revisions include changes the Watchtower Society made to its own doctrine It has done so all the while proclaiming itself to be Jehovah God s

true prophet The irreconcilable problem here for the Watchtower Society is that God's truth does not change A true prophet of Jehovah knows this and would never change what that prophet previously declared had come from God If you will kindly pray for spiritual discernment and then read the book **Historical Dictionary of Jehovah's Witnesses** George D. Chryssides,2019-05-15 Originating from a small group of Bible students who met under Charles Taze Russell's leadership and grew into an international Society to which the second leader Joseph Franklin Rutherford and gave the name Jehovah's Witnesses Two World Wars shaped Watch Tower attitudes to civil government armed conflict and medical innovations such as blood transfusion as well as to mainstream churches The twenty first century has seen some important changes in the Watch Tower organization and coverage is given to changes in organizational structure its use of the World Wide Web and its major relocation from Brooklyn to Warwick This updated second edition of Historical Dictionary of Jehovah's Witnesses contains a chronology an introduction and an extensive bibliography The dictionary section has over 300 cross referenced entries on key concepts themes and people relating to Jehovah's Witnesses This book is an excellent resource for students researchers and anyone wanting to know more about Jehovah's Witnesses *Cult Shock* Mark Stengler,2017-07-04 Two Christian Bible scholars outline arguments anyone can use to counter and evangelize to Jehovah's Witnesses and Mormons when they come knocking *Cult Shock* is an easy to follow resource of Christian apologetics that teaches you how to defend your Christian faith against the claims of Jehovah's Witness and Mormon missionaries Mark Stengler Jr and Mark Stengler Sr a father and son team of Christian scholars explain the beliefs of these groups and demonstrate through scripture and logic how Biblical Christianity refutes their worldview Readers will gain confidence witnessing to these groups based on the Stengler's recommended engagement techniques from their years of experience *Cult Shock* provides all the tools you need to proclaim the real Jesus with fearless confidence
