Albert Haase, OFM, 2013-04-01 Ever wonder how some people become enthusiastic and on fire about their relationship with God In thirty three short chapters Albert Haase gives you the tools and kindling to prepare for the spark of God in your life and then shows you how to fan it into flame until you are set ablaze This book glows with time tested wisdom as an experienced spiritual director shares the secrets of the saints Feel cold Or maybe just smoldering With supplemental reading suggestions and reflection questions this eminently practical book functions like a personal spiritual retreat **The New Big Book of Christian Mysticism** Carl McColman, 2023-08-29 This revised and expanded edition offers a big possibility the hope of achieving real experiential union with God The Christian of the future will be a mystic or will not exist This word of warning from theologian Karl Rahner was uttered half a century ago and today Christianity is indeed in crisis Is mysticism necessary for the survival of Christianity What exactly is Christian mysticism How can it be relevant in our crisis ridden world Questions like these inspire The New Big Book of Christian Mysticism a newly updated edition from beloved spiritual teacher and bestselling author Carl McColman The New Big Book of Christian Mysticism serves as both introduction and practical instruction for a living contemplative practice today In addition to the overview of mysticism spiritual and prayer practices in mysticism the various types of mysticism in Christian tradition and influential mystics through the millennia this second edition offers an embodied understanding of the mystic life with a more diverse range of voices and perspectives from Howard Thurman to Pauli Murray It also includes new chapters and themes that address embodied mysticism contemplation and social justice and the ongoing relevance of Jesus s message of radical equality and inclusivity This bigger book introduces both Christians and non Christians to the contemplative tradition within Christianity a tradition that has often been marginalized or cloistered to the church s detriment As a practice oriented book this is an invitation to embrace the mystical element within Christianity a practice that can equip faithful persons with a joyful sense of divine intimacy not just for personal benefit but as a foundation to a life of service and activism in the interest of justice McColman s overview of mysticism shows how it has been practiced and lived through the centuries and will prove inspirational for today s seekers regardless of their faith tradition At its heart Christian mysticism is an ancient practice that incorporates meditation contemplation worship philosophy the quest for

enlightenment the thirst for a better world and the experience of divine presence

Flow Susan W. Springer, 2022-03-22 A guide that shows that yoga and Christian faith can be harmonious As church membership nationwide continues to decline the number of yoga practitioners continues to steadily increase What s at the meeting place where the trajectories cross What can the church learn from the popular success of yoga and is it problematic to offer yoga in the church How can churches offer yoga in a way that observes appreciates and builds upon the commonalities but which does not conflate the two traditions each of which has its own integrity Making the decision to offer yoga in the church requires humility a confession that Christians do not hold the exclusive pathway to communion with the divine

Arts-based and Contemplative Practices in Research and Teaching Susan Walsh, Barbara Bickel, Carl Leggo, 2014-11-13 This volume presents a scholarly investigation of the ways educators engage in artistic and contemplative practices and why this matters in education Arts based learning and inquiry can function as a powerful catalyst for change by allowing spiritual practices to be present within educational settings but too often the relationship between art education and spirituality is ignored Exploring artistic disciplines such as dance drama visual art music and writing and forms such as writing witnessing freestyle rap queer performative autoethnograph and poetic imagination this book develops a transformational educational paradigm Its unique integration of spirituality in and through the arts addresses the contemplative needs of learners and educators in diverse educational and community settings

Birthing the Holy Christine Valters Paintner, 2022-04-08 Named one of the best spiritual books of 2022 by Spirituality Practice Awarded third place in contemporary spirituality by the Catholic Media Association and third place in inspirational books by the Association of Catholic Publishers Do you long to feel more alive to see the vibrancy in your daily life Do you feel the seeds of a new calling tugging at you Look to the Blessed Mother for help In Birthing the Holy Christine Valters Paintner abbess of the online Abbey of the Arts invites you to better know Mary and her heart through thirty one of her titles and

along the way you'll nurture the new growth in your life. The Blessed Mother is known by many beautiful titles, some of which are familiar: Virgin, Queen of Peace, and Star of the Sea, and some we may not be aware of: Vessel of Grace, Greenest Branch, and Our Lady of Silence. Paintner offers a flexible format to reflect on Mary's titles through a thirty-one day personal retreat, a series of novenas, or with *visio divina* exercises using striking images by printmaker Kreg Yingst. As you reflect on Mary in her role as Mother of Good Counsel, Woman Clothed with the Sun, Mystical Rose, Mother of Sorrows, Queen of the Angels, and other titles, Paintner invites you to hear what God calls you to develop in your life, help that dream or vision grow, and then nourish it in the world. Whether you're meeting Mary for the first time in these magnificent titles or revisiting her as a beloved companion, *Birthing the Holy* invites you to see the exploration of Mary and your life as a spiritual and creative act, one that can help deepen your faith even as it sparks new growth within you. Sacred Time Christine Valters

Paintner, 2021-02-19 We live in a world where there never seems to be enough time for all we want and need to do. In *Sacred Time: Embracing an Intentional Way of Life*, Christine Valters Paintner guides us as we move beyond our own lives and embrace a world that urges us toward rest, reflection, and growth. In *Sacred Time*, Paintner, abbess of the online Abbey of the Arts, shows us how, by becoming in tune with the rhythms of the natural world, we can live more intentionally and experience a conversion toward a more expansive way of being. Paintner introduces us to the eight cycles of sacred time that exist in our everyday lives. These cycles, that can ground us through our busy lives, are breath rhythms of the day, weekly rhythms, and Sabbath rest, waxing and waning lunar cycles, seasons of the year, seasons of a lifetime, ancestral time, and cosmic time. Each cycle encourages us to mindfully consider the time that passes as quickly as each breath and as slowly as the passing of generations. Within each cycle, we find wisdom from sacred tradition and the saints, including St. Benedict, St. Ignatius of Loyola, and St. Hildegard of Bingen, room for growth, and the presence of the Divine. Along the way, we are also given scriptural guidance and we are invited to spiritual practices and creative explorations that will help deepen our understanding of each cycle, allow that understanding to take root in our lives, and expand our lives beyond the pressures of each day. **A**

Midwinter God Christine Valters Paintner, 2024-09-13 I believe we all carry grief that has gone unnamed and unmourned, writes best-selling author Christine Valters Paintner. Nothing in our culture prepares us to deal with darkness and grief. We are told to cheer up and move on, to shop or drink our way to forgetting the pain we carry. Yet I believe that being faithful to our own dark moments is the path of true prayer. In her book *A Midwinter God: Encountering the Divine in Seasons of Darkness*, Paintner offers an invitation to enter the wisdom of holy darkness and to find there a path toward hope and spiritual maturity. Paintner has experienced multiple journeys through grief that have brought her face to face with what she calls the midwinter God, the seeming absence of the God of life in dark and fallow seasons of loss. She has learned to confront her own terror in that darkness and to approach it with curiosity to see what it has to teach her. This endeavor has illuminated a path for her to embrace a life of profound depth, one that honors both the trials of suffering and the richness of

joy With her characteristic integrative and creative practices Paintner abbess of the online Abbey of the Arts guides her readers to view darkness as a place where seeds of holiness begin to germinate Each chapter of this book unfolds as an invitation to grow in understanding of holy darkness and also meditate reflect and create with these elements Paintner s reflections on various themes of loss and acceptance Insights on a scripture passage written by Paintner s husband John A guided meditation to bring the teachings into your heart Prompts for an expressive arts practice to process these insights through creativity Reflection questions to integrate what you have experienced Writing samples from people who have worked through this material in an online retreat Autumn and winter are vital to the health of nature and to our own bodies It is a time of releasing and letting go a season that invites us to slow down to welcome the growing darkness and to grow stiller and quieter Darkness can be an uncomfortable and uneasy place but it is also a place of profound incubation and gestation a source of tremendous and hard wrought wisdom With Paintner as our guide we can encounter this midwinter God with vulnerable courage that leads us to hope filled wholeness

Earth, Our Original Monastery Christine Valters Paintner,2020-04-03 How can we meet God in our everyday lives In *Earth Our Original Monastery* Christine Valters Paintner bestselling author and online abbess for Abbey of the Arts shares how living contemplatively with an appreciation for the natural world can make you more aware of the presence of God in every aspect of your life She explores monks mystics and saints who have experienced the goodness of the Divine in nature and invites you to find solace and spiritual revelation in the wonder of God s creation The purpose of contemplative living Christine Valters Paintner suggests is to allow you to integrate the pieces of your life within yourself in your community and in the world around you When you pay attention to each moment you nurture your ability to see God s actions in those moments In *Earth Our Original Monastery* Paintner invites you to begin the journey of contemplative living by focusing on the image of the earth as your original monastery the place where you learn your most fundamental prayers participate in each day s liturgy of praise and experience the wisdom of the seasons Paintner provides seven ways of seeing the earth in light of faith and pairs each one with a practical invitation to a practice These include the earth as original cathedral where you first learn to worship and feel God s presence around us paired with the practice of stability the earth as original saints plants and animals live their calling without trying to be something they re not and inspire you to do the same paired with the practice of gratitude the earth as original icon nature can serve as a window to the holy in the same way that icons do paired with the practice of lament As you explore what these connections between the earth and faith mean for how to see God in the world around you you can also look at saints and mystics who experienced nature and the flow of the divine in similar ways
