discover what's most important in life. It's been said before that one can't look to the future without looking at the past but in some cases heritage can be a heavy burden and digging up memories a painful experience. Angela Williams' great great great grandfather is Henry Williams, famous for translating the Treaty of Waitangi into Maori. Her great great grandfather helped establish one of New Zealand's largest sheep stations. While her great grandmother was a national champion golfer, Angela's grandmother founded the famous Te Parae thoroughbred stud. And her mother was Miss New Zealand. But her family has also had its fair share of pain and hardship, something Angela knows about first hand. With three children, Angela and her two older brothers, the Williams family of Te Parae face issues of succession many farming families will be familiar with. With the days of the vast sheep stations largely a thing of the past and with so many rural homesteads being sold out of family ownership, there's also the challenge of preserving an historic homestead for the next generation. Join Angela as she talks herself down from the high branches of self doubt as she settles in to life in a glorious homestead, plans for its future and grapples with one of her biggest rural addictions, horses.

Louis Vuitton and Japan Florence Müller, 2025-09-30. Groundbreaking exploration of Louis Vuitton's long standing cultural exchange with Japan, tracing its profound impact on the evolution of the iconic luxury brand. Published on the occasion of a major exhibition at Nakanoshima Museum of Art in Osaka, Japan, this volume explores the deep and transformative relationship between Louis Vuitton and Japan, which has produced myriad innovative collaborations that have defined the brand and revolutionized contemporary fashion. This fresh perspective on the global impact of the luxury powerhouse follows Louis Vuitton's journey from pioneering trunk innovations to its outsize influence on global street style, especially in Japan. In the volume, the Maison's history comes to life from the evolution of its Monogram logo, which took inspiration in part from Japanese design, to the ingenious flat stackable trunk and patented lock innovations alongside the brand's bold expansion into Japan. The authors consider the house's groundbreaking artistic collaborations, most notably with artists Takashi Murakami with his iconic Monogramouflage and Yayoi Kusama with her signature polka dot motifs, which transformed Louis Vuitton's visual identity. Beyond expertly tracing the Maison's engagement with Japanese culture almost from the moment of its founding, the book explores Louis Vuitton's broader impact on global fashion. It highlights landmark collections by artistic directors who have continually looked toward Japan for inspiration, including Pharrell, Nicolas Ghesbriès, Kim Jones, Virgil Abloh, and Marc Jacobs. With contributions from leading experts in fashion and art and cultural history, this comprehensive volume, printed in five colors and bound in a three piece cover with a printed cloth spine, illustrates how Louis Vuitton's engagement with Japanese culture for more than a century has enriched its legacy and expanded the boundaries of luxury fashion.
