War And Peace In Our Time Mormon Perspectives:

War and Peace in Our Time Patrick Q. Mason, J. David Pulsipher, Richard L. Bushman, 2012 Book Description These essays reveal how the scriptures prophetic teachings history culture rituals and traditions of Mormonism have been are and can be used as warrants for a wide range of activities and attitudes from radical pacifism to legitimation of the United States use of preemptive force against its enemies As a relatively young religion that for much of its early history was simply struggling for survival Mormonism has not yet fully grappled with some of the pressing questions of war and peace with all of the attendant theological social and political ramifications Given the LDS Church's relative stability and measure of prominence and influence in the early twenty first century the time is ripe to examine the historical spiritual and cultural resources within the tradition that provide a foundation for constructive dialogue about how individual Latter day Saints and the institutional Church orient themselves in a world of violence While recognizing the important contributions of previous scholars who had offered analysis and reflection on the topic these essays offer a more sustained and collaborative examination of Mormon perspectives on war and peace drawing on both historical social scientific research as well as more normative theological and ethical arguments Praise for *War Peace In Our Time* Whatever your current opinion on the topic this book will challenge you to reflect more deeply and thoroughly on what it means to be a disciple of Christ the Prince of Peace in an era of massive military budgets lethal technologies and widespread war Grant Hardy author *Understanding the Book of Mormon A Reader's Guide* This volume provides a fitting springboard for robust and lively debates within the Mormon scholarly and lay community on how to think about the pressing issues of war and peace Robert S Wood Dean Emeritus Center for Naval Warfare Studies and Chester W Nimitz Chair Emeritus U S Naval War College This collection of differing views by thoughtful scholars comprises a debate Reading it may save us in the future from enacting more harm than good in the name of God country or presumption Philip Barlow author *Mormons and the Bible The Place of the Latter day Saints in American Religion* I consider this book an absolutely essential resource for any latter day Saint seeking to understand God's will regarding war You really ought to buy this book Alan Rock Waterman *Pure Mormonism Contributors* Patrick Q Mason J David Pulsipher Richard L Bushman Joshua Madson Morgan Deane Robert A Rees F R Rick Duran Mark Ashburst McGee Jennifer Lindell Ethan Yorgason Jesse Samantha Fulcher Robert H Hellebrand D Michael Quinn Boyd Jay Petersen Loyd Ericson Eric A Eliason Gordon Conrad Thomasson Ron Madson Mark Henshaw Valerie M Hudson Eric Jensen Kerry M Kartchner John Mark Mattox **War & Peace in Our Time** Joshua Madson ,Morgan Deane ,Robert A. Rees ,F.R. Rick Duran ,Mark Ashburst-McGee ,Jennifer Lindell ,Ethan Yorgason ,Jesse Samantha Fulcher ,Robert H. Hellebrand ,D. Michael Quinn ,Boyd Jay Petersen ,Loyd Isao Ericson,Eric A. Eliason ,Gordon Conrad Thomasson ,Ron Madson ,Mark Henshaw,,Valerie M. Hudson,Eric Jensen,Kerry M. Kartchner,John Mark Mattox ,2012-09-01 These essays reveal how the scriptures prophetic teachings history culture rituals and traditions of Mormonism have been are and can be used as warrants for a wide range of

activities and attitudes from radical pacifism to legitimization of the United States use of preemptive force against its enemies. As a relatively young religion that for much of its early history was simply struggling for survival, Mormonism has not yet fully grappled with some of the pressing questions of war and peace with all of the attendant theological, social, and political ramifications. Given the LDS Church's relative stability and measure of prominence and influence in the early twenty-first century, the time is ripe to examine the historical, spiritual, and cultural resources within the tradition that provide a foundation for constructive dialogue about how individual Latter-day Saints and the institutional Church orient themselves in a world of violence. While recognizing the important contributions of previous scholars who had offered analysis and reflection on the topic, these essays offer a more sustained and collaborative examination of Mormon perspectives on war and peace, drawing on both historical, social, scientific research as well as more normative theological and ethical arguments.

Moral Visions Courtney S. Campbell, Kelly Sorensen, 2025-09-09 Though used by millions as a guide for how to live one's life, the Book of Mormon's links with contemporary ethics remain largely unexamined. Courtney S. Campbell and Kelly Sorensen edit essays that spotlight and encourage further thought on these connections. Contributors in the first section discuss foundational issues such as the Book of Mormon's moral psychology, its minimalist and covenantal moralities, the nature of the good, and how the good is known; the question of whether value depends on a certain kind of future; the Book of Mormon's strategy for moral persuasion; and God's participation in human choices. In the second section, the essayists turn to everyday ethical questions concerning resistance to forced cultural assimilation, clothing and dress, authority, and memory. The final chapter further explores practical moral visions. A rich and thought-provoking analysis, **Moral Visions** examines the Book of Mormon through a variety of methods while aiming to deepen understanding of both the text's messages and its potential place in future discussions of ethics. Contributors: Daniel Becerra, Courtney S. Campbell, Ryan Davis, Michael D. K. Ing, Ariel Bybee, Laughton Kimberly Matheson, Rachel Esplin, Odell Kelly Sorensen, Joseph M. Spencer. **The ^AAnnotated**

Book of Mormon Grant Hardy, 2023-08-01 Modelled after the Oxford line of annotated Bibles, this is the first fully annotated academic edition of the Book of Mormon in its 200-year history. This edition reformats the complete scriptural text in the manner of modern Bible translations, making it more accessible and readable, and the annotations and book introductions identify key themes and intertextual connections. The editorial additions focus on the details of specific passages but also highlight broader perspectives that will illuminate the text as a whole. It is an essential tool for anyone looking for an accurate, comprehensive understanding of the Book of Mormon. **Interpreter: A Journal of Mormon Scripture, Volume**

26 (2017) Daniel C. Peterson, 2017-09-30 This is volume 26 of *Interpreter: A Journal of Mormon Scripture*, published by The Interpreter Foundation. It contains articles on a variety of topics, including "The Power is In Them: A Lengthening Shadow Is Quality of Thought Deteriorating in LDS Scholarly Discourse Regarding Prophets and Revelation Part One," "A Lengthening Shadow Is Quality of Thought Deteriorating in LDS Scholarly Discourse Regarding Prophets and Revelation Part Two," and "A

Both Swords and Ploughshares Ineke Bockting, Linda Martz, 2015-10-13 This collection of essays examines interactions of war peace and religion in the United States a country where religious faith was and still is often deeply felt and widely held where faith has provided a set of values to uphold with fervor or to transgress in protest and where religion has been used to legitimize both armed violence and passive resistance These essays analyze the mythos of America as a place of religious freedom yet one imbued with a socially imposed civil religion and underpinned by a heavy presumption of Protestant dominance With subjects ranging from the War of Independence to the early 21st century the contributions to this volume focus on a variety of historical and chronological circumstances in order to consider what concrete tangible outcomes what artifacts were produced by the interface of war peace and religion the swords and ploughshares of the title This volume thus presents a variety of often multifaceted responses that reflect its interdisciplinary scope Some contributions refer to fine art pieces including statues paintings and murals and others to works of literature theology or public speaking Some of these interfaces were performed on stage or in film while yet others were heard on the radio or read in newspapers or journals Some of the essays gathered here concern individuals working through the meaning of armed conflict in terms of their own personal faith while others examine the impact of such conflicts on a larger scale as with whole faith communities or in the shaping of national or foreign policy The first part Communities looks at interfaces that served to structure a whole community The second Margins examines instances where the relationship between religion and war and peace has occupied a more marginal space within a faith community The final section turns this interface Outward situating it away from American soil or noting how foreign war shaped the spirituality of those returning American Churches and the First

World War Gordon L. Heath, 2016-10-31 The centenary of America's declaration of war in 1917 is a fitting time to examine afresh the reaction of the American churches to the conflict. What was the impact of the war on the churches as well as the churches hoped for influence on the nation's war effort? Commenting on themes such as nationalism, nativism, nation building, dissent, just war, and pacifism, this book provides a window into those perilous times from the viewpoint of Mainline and Evangelical Protestants, Roman Catholics, Lutherans, Pentecostals, Mennonites, Quakers, Mormons, and Jehovah's Witnesses. Also included are chapters on developments among American military chaplains in the First World War and the reaction of the American churches to the Armenian Genocide.

The Mormon Military Experience Sherman L. Fleek, Robert C. Freeman, 2023-04-12 The Mormon military experience is unique in American history. The Church of Jesus Christ of Latter-day Saints (LDS) is the only denomination to field military units for its own support and purpose rather than national interests, an effort which began in Missouri in 1838 and lasted through the Spanish American War of 1898. From World War I onward, however, the military exceptionalism of the LDS Church faded, and Mormon soldiers came to serve national interests as loyal citizens alongside their fellow Americans. *The Mormon Military Experience 1838 to the Cold War* is the first book to present a historical overview of the Mormon military experience. Sherman Fleek and Robert Freeman tell this unique story of how the Church of Jesus Christ of Latter-day Saints has experienced war and military service and of their teachings concerning participation in armed conflict. The LDS Church's distinct relationship between religious life and military service is rooted in its adherence to the Book of Mormon and its unique doctrine based in ancient and then modern revelations from church leaders. Religious and military exceptionalism went hand in hand during the nineteenth century when LDS Church leaders dictated when and how members would serve in armed conflict. Mormon militiamen were often more loyal to church interests and the guidance of LDS leaders than they were to government policy, from mustering of the Mormon Battalion during the Mexican War to orchestrating the armed effort during the Utah War of 1857-1858 to serving as Civil War volunteers in the West. Similarly, they followed Church leaders' teachings not to serve in the Civil War's bloody campaigns in the East. While LDS leaders adapted church practices and policies to support national objectives at times, there were also occasions when Mormon militia units defied state and federal military forces, sometimes to the point of open combat. No other American denomination has done this. This is a story about changing loyalties as the LDS Church transformed from a personalist religious movement on the edge of society to a mainstay of American religious and political life. Mormons have moved from battling the US military to serving with distinction within it.

Imagining and Reimagining the Restoration Robert A. Rees, 2025-08-19 In *Imagining and Reimagining the Restoration*, Robert A. Rees embarks on an imaginative and profound exploration of Latter-day Saint theology and culture. Through essays, poems, and midrashic interpretations, Rees sheds new light on foundational doctrines, the roles of prophetic imagination, and the divine narratives within the Restoration. He reexamines figures like Joseph Smith and Heavenly Mother, urging readers to embrace a creative and expansive faith.

perspective that transcends mere tradition This captivating work brings readers into a visionary discourse that emphasizes the power of imagination as a spiritual gift With poetic interludes and scholarly insight this volume is a transformative invitation to both imagine and reimagine faith theology and cultural belonging Praise for Imagining and Reimagining the Restoration While our imaginations might be unleashed by contemplation of the creations of our Creator and by the implications of the Restoration midwifed into the world through the Prophet Joseph it may help us also to consider more proximate examples of faithful master imaginers The life and writings of Robert Rees including the creative poetic and midrashic compositions of his own imagination that punctuate this volume comprise a striking case study He is an uncommon person who has lived an uncommon life and written with uncommon reach and imagination There is scarcely a significant aspect of the Restoration on which he has not made creative public comment often in print Yet more rare he has in the pages that follow contemplated imagination itself a provocation to me and I hope to you Philip Barlow Associate Director Neal A Maxwell Institute for Religious Scholarship Brigham Young University

This is likewise one of the factors by obtaining the soft documents of this **War And Peace In Our Time Mormon Perspectives** by online. You might not require more times to spend to go to the books foundation as capably as search for them. In some cases, you likewise realize not discover the notice War And Peace In Our Time Mormon Perspectives that you are looking for. It will very squander the time.

However below, past you visit this web page, it will be therefore categorically simple to get as capably as download lead War And Peace In Our Time Mormon Perspectives

It will not agree to many times as we explain before. You can do it though operate something else at house and even in your workplace. for that reason easy! So, are you question? Just exercise just what we give under as with ease as review **War And Peace In Our Time Mormon Perspectives** what you past to read!
