summons the ancient machines that protect the galaxy from invasion Dora's mission is to intercept them and bring them back to the galaxy's rim Fortunately for Dora this puts her and Zical into very close quarters for a very long time But much has changed and as Dora learns more about human emotions and what they mean she realizes that she doesn't just want to make love with Zical she wants to love him And be loved in return **White Star** Elizabeth Vaughan, 2009-04-07 Elizabeth Vaughan staged a superb clever return to the desolate Warlands Midwest Book Review in Dagger Star Now she continues the epic story of Palins a land in the throes of upheaval There is no one more adored Everyone knows that the Lady High Priestess Evelyn is virtuous and noble one of the leaders of the rebellion against the unjust usurper as well as a gentle healer who channels the powers of the gods to help the sick and injured There is no one more despised Orrin Blackhart the Scourge of Palins is renowned as an evil man As the war leader of one of the usurper's supporters he has killed many and has stood by while the sorceress he served created an army of the undead And there is nothing more unexpected than passion When Orrin takes Evelyn prisoner during the war each will uncover more to the other than they expected And souls that should have clashed will be forged in desire redemption and glory
