enhances the school's vision and mission. In a step-by-step guide for easy implementation, this book provides the nuts and bolts as well as the strategic planning necessary to ensure intentionality and impact of your social media presence. The authors explain how to measure impact and improve your strategies to ensure important information about your school is conveyed accurately, clearly, and effectively. Whether you use the 7 steps in order or you're just looking for some invigorating new ideas or you want to find new ways to connect, collaborate, and share, there is something for every school leader in this book.

The Total Teacher Danny Steele, 2021-08-09. What are the keys to thriving as an educator? This insightful book from bestselling author Danny Steele reveals how the most effective teachers are well-rounded and three-dimensional: 1 grounded in the technical side (classroom management, instruction, and professional growth), 2 dedicated to the relationship (work, the purpose of what we do), and 3 committed to the vital role they play in building the school's culture. The book is organized into three sections, one for each dimension, and provides strategies, inspirational stories, and helpful examples from educators who are doing the work. Perfect for new and experienced teachers, this unique book will help you reflect on the art of being a teacher so you can enhance your professional practice.

An Educator's Guide to Dual Language Instruction Gayle Westerberg, Leslie Davison, 2024-03-15. Comprehensively updated, the second edition is a user-friendly resource for teachers and administrators to ensure their school's success in implementing and maintaining a dual language program. The book is filled with step-by-step instructions and strategies you can try immediately. The second edition includes key updates on technology, digital resources, and current demographics, standards, and data. Educators will learn how to choose a model for their dual language program, involving all stakeholders in the transition process, set proficiency targets, and use assessments to track progress and much more.
