Understanding The Agile Manifesto A Brief Bold Guide To Agile:

Understanding the Agile Manifesto Larry Apke, 2015-08-10 Agile is one of the most popular software development methodologies used by organizations all over the world. It is characterized by adaptability, flexibility, and self-organization, but what does it mean to truly be Agile instead of just doing Agile? This book offers in-depth commentary and explanations on the Agile methodology's foundation: the Agile Manifesto. Larry Apke, a seasoned Agile coach, uses his own experiences to provide a clear, understandable path to implementing and succeeding with Agile for organizations and individuals. **Agile**

Approaches for Successfully Managing and Executing Projects in the Fourth Industrial Revolution Bolat, Hür Bersam, Temur, Gül Tekin, 2019-03-15 Communication between man and machine is vital to completing projects in the current day and age. Without this constant connectiveness, as we enter an era of big data, project completion will result in utter failure. *Agile Approaches for Successfully Managing and Executing Projects in the Fourth Industrial Revolution* addresses changes wrought by Industry 4.0 and its effects on project management, as well as adaptations and adjustments that will need to be made within project life cycles and project risk management. Highlighting such topics as agile planning, cloud projects, and organization structure, it is designed for project managers, executive management students, and academicians.

Courseware for IPMA Individual Certification based on Project Management by ICB4 Bert Hedeman, Roel Riepma, 2024-09-23 This courseware for IPMA Individual Certification contains the slides for the various IPMA training courses. It includes slides for all the learning objectives as described in the textbook *Project Management by ICB4* and the Preparation Guide for IPMA Individual Certification. It follows the same structure as this textbook and preparation guide. Each IPMA Member Association independently determines which learning objectives are required at the different IPMA levels. Custom slide decks are available online on request. These will then correspond to the learning objectives they set per level. It is recommended that the courseware be combined with the textbook and preparation guide. This provides optimal preparation for the exams. The slides provide an ideal overview of the characteristics and essence of each learning objective. This courseware contains about 430 informative slides for all levels. An extensive team of IPMA trainers and project managers has reviewed these slides. We wish you every success in your projects and in preparing for your exam.
