

A large, light green ceramic urn with a reddish-brown rim sits on a bed of grey stones in the foreground of a formal garden. The garden features meticulously manicured, low hedges in various shapes, including a central topiary tree. In the background, there are more lush green plants and a glimpse of a white building with a dark roof. To the right of the urn, there is a tall, slender plant with green leaves and small purple flowers, and another plant with long, pointed green leaves and small purple flowers. The overall scene is a well-maintained, formal garden with a focus on topiary and structured planting.
